REQUEST FOR CONSORTIUM AGREEMENT

Important - Submit to: ATTN: Lakhana Saini
 Financial Aid, Scholarships & Veterans' Services
 DeRicco Student Services Building

Federal regulations prohibit a student from receiving a Pell Grant from more than one school for the same enrollment period. It is possible for a student to receive aid for coursework taken at a second school if those classes apply to the student's program at the first school. The first (or "home") school must have a written consortium agreement with the second ("host") school the student is attending. *San Joaquin Delta College does not act as the "home" school for classes taken out of state, but will cooperate with out of state "home" schools by providing enrollment information.*

The purpose of this agreement is to designate the home school, which will determine if the student is in an eligible program and if the classes taken at the host school will apply to the student's program. The home school will disburse all aid for the term in question and will monitor the student's eligibility and satisfactory progress. This request must be submitted to the Financial Aid Office at Delta College, which will be responsible for contacting the host school. *Delta will not act as the home school for the purpose of obtaining a student loan.*

Deadline to submit a Consortium Agreement Request is the Financial Aid Census Date of the term for which you are requesting the agreement. Financial Aid Census Dates are found on the Documents and Messages page of your Delta Financial Aid portal.

I am requesting a consortium agreement and hereby designate San Joaquin Delta College as the home school. I understand I must:

- 1) Submit a Delta College student educational plan with this request
- 2) Be enrolled in classes that are required for my degree or certificate at Delta
- 3) Inform the Delta College Financial Aid Office of any changes in my class schedule at either the home school or the host school
- 4) Submit an academic transcript from the host school at the end of the consortium agreement term and before I receive additional aid from Delta College
- 5) Read and comply with both the San Joaquin Delta College ***Financial Aid Satisfactory Academic Progress Guidelines*** and the ***Terms of Offer***
- 6) Receive aid at the school where I am taking the most units

Failure to abide by these conditions may result in the repayment, cancellation, or delay of funds and may make the student ineligible for further consortium agreements.

I understand and will comply with the above requirements.
