What's New? Fall 2008

The Move Is On!

We've got some major projects going on--beginning with the renovation of the Goleman Learning Resource Center followed by the start of construction for the new Student Services Gateway Building. All this building is going to have an impact on our campus that includes moving some of our programs and services to off-site locations, and the closure of some of our parking lots.

Here is what's happenings.....

- Financial Aid and Veterans Services are temporarily located at 5405 N. Pershing Ave., Ste. A
- Assessment Center is temporarily located in Cunningham 220
- Electronic Enrollment Lab is temporarily located in Cunningham 226
- Americorps is now located in Shima 114
- Library is now temporarily located at 41 W. Yokuts Ave.
- Cunningham 1 Parking Lot will be closed on a long-term basis during the construction of the Gateway Building
- Cunningham 2 Parking Lot will be temporarily closed during the Summer Intersession and the Fall Semester
- Shima 2 Parking Lot will be temporarily closed during the Summer Intersession and the Fall Semester
- Part of the Holt 1 Parking Lot will be blocked off to provide a staging area for the Goleman Library renovation

To alleviate some of the impact on parking, Delta College is providing additional parking off-campus during the first 6 weeks of the fall semester. There will shuttles available to bring students to the campus from the off-campus sites. Students parking in the off-campus lot will be required to display a Delta College parking permit.

For up to date information on construction projects, visit our website at www.bond.deltacollege.edu or contact the Office of Public Information and Marketing at 209-954-5052.

APPLICATION AND ADMISSION INFORMATION

Six Easy Steps for New Students

STEP 1. APPLICATION FOR ADMISSION

admissions@deltacollege.edu

Complete the online application at www.deltacollege.edu, click on "New Students, Begin Here." For assistance with the online application contact the Helpline at (209) 954-5725. **Free computer access available in the Electronic Enrollment Services Lab (see Service available to Students on page 73).**

Important Dates – Go to www.deltacollege.edu, click on "Registration Calendar"

Returning Students:

Request an official sealed transcript from all other U.S. Colleges/Universities be sent to: San Joaquin Delta College

ATTN: Evaluations Office, Holt 101, 5151 Pacific Avenue, Stockton, CA 95207

- Pay ALL past due fees and clear any administrative holds from your record
- Provide official sealed high school transcripts (if applicable)

Please note: If you have already completed an Assessment Placement test at San Joaquin Delta College, you will not need to take the full A/P test again.

Transfer Students:

All transfer students must provide:

- Official sealed high school transcripts
- Official sealed transcripts from all other colleges attended to:
 - San Joaquin Delta College
 - Attn: Evaluations Office, Holt 101
 - 5151 Pacific Avenue
 - Stockton, Ca 95207
- Assessment/Placement test scores from the college you are transferring from and request to have test scores evaluated by San Joaquin Delta College's Assessment Center in Cunningham 220 or you may choose to take the assessment test at Delta. Please contact the Assessment Center for more information at assessment@deltacollege.edu.

Current High School Students:

Students who are enrolled in high school and are recommended by their principal may be considered for the College Early Start Program. The College Early Start program allows students to take our courses for college credit only. Each school district must determine whether high school credit will be granted for classes completed for college credit at San Joaquin Delta College.

All students must meet San Joaquin Delta College's admissions, academic assessment and course prerequisite requirements. College Early Start students may not enroll in remedial developmental education courses. Registration is limited to a maximum of 11 units during any one semester.

Enrollment in Physical Education Classes

Physical education class enrollment of high school students is limited, by law, to 10%. As a result, very few high school students will be eligible to enroll in physical education courses at the College. Students should plan on enrolling in such courses at their school. Only students officially enrolled during the registration cycle before classes begin will be allowed to attend physical education classes. **Under no circumstances will students be permitted to register for any physical education courses once classes begin.**

Recent High School Graduates:

Contact your high school and request a copy of your final transcript. Submit it by mail or in person to the Admissions & Records Office, Holt 101.

Student Enrollment Responsibility:

Per Board Policy 5056, under no circumstances will a student be allowed to attend class if he/she is not properly enrolled. Therefore, it is the student's responsibility to ensure he/she is

officially enrolled in class/es. Grades and units will not be awarded for attendance in class/es for which the student is not formally enrolled.

Protecting Your Records:

To protect the confidentiality of your student records, it is highly recommended that you create a Personal Identification Number (PIN). To create a PIN, log in to Online Registration and select the "Create PIN" option. Be sure to record your PIN in a safe place where others cannot gain access to it.

If you forget your PIN, you must request that your PIN number be reset in person at the Admissions and Records Office, Holt Center, Room 101. A valid picture ID is required to reset a PIN. Your PIN cannot be reset by phone or e-mail request. This is for your protection.

A PIN number established for access to registration and student records is separate from the PIN established for online courses. If you have questions about establishing a PIN number, please contact the Registration Helpdesk at: onlineregistration@deltacollege.edu.

Delta ID Number:

Immediately after processing your application for admission, a Delta ID number is assigned. Your Delta ID will be used on all printed documents such as your Class Schedule, your Academic History, class rosters, etc.

To find your Delta ID, simply log into online registration. Your Delta ID number appears directly under the "Welcome" information.

Student E-Mail Accounts:

Within 24 hours after processing your Application for Admissions, a student e-mail address is assigned to each new student. All correspondence from Admissions & Records and Financial Aid, as well as other important campus information, is e-mailed to students at their Delta College e-mail address.

It is the student's responsibility to maintain the contents of his/her e-mail account to ensure that the total size of the e-mail messages within the account does not exceed 90% of the quota. It is therefore strongly recommended that the student check his/her e-mail account on, at least, a weekly basis, to read, print, save forward and/or delete e-mail messages.

A student will be notified on login when he/she is within 75% of the e-mail quota and by e-mail when his/her account reaches 85% of the quota. If the size of the account exceeds 90% of the quota, the contents of the account will be administratively reduced by deleting the oldest e-mail(s).

To find your student e-mail address:

1. Log into "Online Registration" from the Delta College homepage. Your log in is your Delta ID or your social security number, and your password is your date of birth entered as mmddyy.

If you get a message that says, "We were unable to validate your login OR it has been too long since your last interaction," that means your Application for Admission has not yet been processed. For questions concerning your Application for Admission, please contact admissions@deltacollege.edu.

2. Once you have successfully logged into online registration, under the "Welcome" information, your new student e-mail address appears. It will be the first initial of your first name followed by your last name and three randomly assigned numbers. This is followed by "@students.deltacollege.edu". For example, John Smith's login would be `jsmith321`. Your password is your date of birth entered as mmddyy or the PIN number you have created.

For assistance with log-in problems, please contact emailhelp@deltacollege.edu.

Six Easy Steps for New Students (Continued)

STEP 2. ASSESSMENT assessment@deltacollege.edu

Cunningham 220, (209) 954-5535

The purpose of academic assessment at San Joaquin Delta College is to ensure that each student's educational experience at Delta College is productive and rewarding. Delta recognizes that a student's time is valuable and that it is important for each student to enroll in courses for which he or she is prepared. Assessments are offered during the day and evening before classes start and throughout the term. Students must make an appointment to take an ACE. Priority seating will be given to students who have their ACE appointment confirmation page with them at the time and date of the test. A student cannot fail the assessment. The assessment measures a student's skills in reading, English, and mathematics (applications and computation). The results will help with placement in courses appropriate to each student's academic levels.

ACE (Assessment-Counseling Express) includes a mini orientation (90 minutes) at the end of each scheduled assessment. This session provides important information on the results of the assessment, registration processes, the schedule of classes, and other key resources. Counselors will also share information on Step 3, Orientation and Course Planning. It is anticipated that in January, 2007, an electronic version of the ACE will be available for students who would prefer the computer based assessment/orientation option. For more information, contact the Assessment Center or Guidance Office.

WHO NEEDS ACADEMIC ASSESSMENT?

All students enrolling for the first time are required to be academically assessed. Some returning students may need to participate in the assessment process to meet specific course and/or program prerequisites (See, "WHO IS EXEMPT FROM ASSESSMENT?"). Students usually choose from one of two programs: (1) The Assessment/Placement (A/P) program is designed for English as a first language students and for ESL students with a high school diploma from the USA. (2) The English as a Second Language (ESL) program is designed for ESL students who do not have a high school diploma from the USA. Both the A/P and ESL programs are approximately 3 hours in length and consist of a skills test and orientation. The A/P and ESL assessments may be taken once only; however, sections of the test may be retaken. For assessment dates/times, contact the Academic Assessment Center or Admissions Office. (See page 8 for reading, English, and ESL course placements.)

WHO IS EXEMPT FROM ASSESSMENT?

There are a number of ways to qualify for an exemption from assessment. Please note, however, that some courses and/or programs may have specific skill prerequisites where exemptions do not apply and assessment is required.

A student may be exempted from assessment if he/she has:

- Earned a college degree from a regionally accredited college or university in the USA — indicate on application for admission and provide copy of degree or official transcript to Admissions Office.
- Completed intermediate algebra AND college-level English composition at another regionally accredited college or university in the USA with a grade of "C" or better — provide official transcript to the Admissions Office.
- Decided to enroll in Level I basic skills course(s) in reading, English, and mathematics only. Contact Assessment Center to self-declare.
- Decided to exercise a "one course waiver" in a course with prerequisite, "none." A student may subsequently enroll in one course per term, provided that the previous course to which the waiver applies was passed with a grade of "C" or better.
- Has an alternative assessment from other colleges that are provided to the Assessment Center, Cunningham 220.

RETAKES AND THE APPEALS PROCESS

A student who thinks the A/P or ESL assessment did not measure his or her skill levels correctly may request a retake. Please contact the Academic Assessment Center, Goleman Rm 122, for information regarding the retake. Further appeals may be made through the Admissions and Records Office, Holt 101.

For further assessment information, contact the Academic Assessment Center, (209) 954-5535, Cunningham 220 or visit the assessment web site www.deltacollege.edu/dept/assess.

STEP 3. COURSE PLANNING

www.deltacollege.edu/dept/guidance/

All new students are encouraged to enroll in a .5 unit orientation class. Guidance 11 is a one day, 8 hour orientation class or a 4-week online class which provides new students with critical information on certificate, degree and transfer requirements. The instructor/counselor will also assist students in the development of a first semester course list. Additional information on key resources, including Financial Aid, is also provided. Information on available sections is shared at the Assessment Test (Step 2), the counseling web site (www.deltacollege.edu/dept/guidance/) or by calling (209) 954-5650.

For continuing students, counselors are available to provide full Student Education Plans. The Guidance and Counseling Office is open Monday, Thursday and Friday from 8 a.m. to 5 p.m.; Tuesday and Wednesday from 8 a.m. to 7 p.m.

STEP 4. REGISTRATION registration@deltacollege.edu

To enroll in courses, you must have your Delta ID number and have met the assessment requirements prior to registration. Registration is done through www.my.deltacollege.edu, click New/Returning Students tab and follow the directions in Step 5. Course selection assistance is provided in the GUID 011 class or during your meeting with a counselor (See Step 3).

Students must have completed an application for admission to the College, have a Delta ID number, and have met the assessment test requirements prior to registration. All administrative and/or academic holds that prevent enrollment must be cleared prior to registration.

An assigned date and time is required to use the registration system, except during open enrollment and after the term has begun. You will not be able to enroll until your assigned date and time. After a student's registration date and time has passed, courses can be added or dropped as often as necessary while the registration system is available.

Your first choice may be full. Therefore, select two or three sections of the same course before attempting to register. The maximum unit enrollment prior to the beginning of the fall or spring term is 18 units and summer is 9 units. Additional units may be added after the term begins.

After registration is complete, prior to the opening day of the term, you will receive e-mail messages confirming classes in which you are enrolled, fee billing, and financial aid information. **All correspondence from the College will be sent to your student e-mail address.**

It is the student's responsibility to check his/her student e-mail on a regular basis.

How to Register Online:

- From the Delta College home page, www.deltacollege.edu, log in to the Student Portal (MyDelta), then click Online Registration. Read all information and instructions carefully.
- LOG-IN: Enter your Delta I.D. and or PIN (Personal Identification Number).
- Select the desired registration term. Example, Fall 08, Spring 09, etc.
- Add classes by one of these two methods:

Open Class List – Identify desired course and select the "add to class" option. If the class is full and space is still available on the Wait List, click the "add to wait list" option. Students cannot be placed on multiple Wait Lists for the same course.

Add Course – Identify desired course and enter the five digit course code in the area provided and click the "add" option. The course code is located in Class Listing Section of the Schedule of Classes, available online or at the Bookstore.

- Print your schedule which will show the fees you currently owe.

If you experience problems registering, call 476-7901, M – F, 8am – 5pm or click on **Live Support** in online registration. Registration assistance is also available in the Electronic Enrollment Services Lab.

HELPFUL HINTS FOR REGISTRATION:

- Students must be admitted to the College and have met the assessment test requirements prior to registration. A registration date and time is required to use the Internet except during open enrollment and after the term has begun.

Six Easy Steps for New Students (Continued)

- To obtain registration date and time information, access the Internet at www.deltacollege.edu and follow the steps listed above for online registration.
- To protect confidentiality, it is best that each student conduct his/her own registration.
- The registration system will prevent time conflicts, multiple registrations in the same course, and placement on multiple waiting lists.
- If the Internet registration system is busy, the best times to access the system is Monday - Thursday 6:00 p.m. - 9:00 p.m., Saturday and Sunday, 8:00 a.m. - 9:00 p.m.

WAITING LISTS:

Waiting lists are maintained for all full classes. The student must be eligible for the class before being placed on the waiting list. This means that the student must have met the class prerequisites and not be in a class which conflicts in time with the one that is being requested.

The student must attend the class and be present to be moved from the Wait List into official enrollment. Wait List placement does not constitute official enrollment. Fees are assessed and payable at the time the student is moved into full enrollment. A student on a Wait List with an administrative hold that prohibits registration or a student who is absent from class will be dropped from the Wait List.

Wait List During Registration

To be placed on the Wait List for a full class, the student must attempt to enroll in the class during Registration and accept the offer of Wait list assignment or click the "Add to Wait List" option in the Open Class List.

The instructor admits students to the class based upon their position on the waiting list at the close of Registration. To be moved from the Wait List, the student must attend class and be present, if the instructor accepts additional students from the waiting list. If a student is not present, the instructor admits the next student on the waiting list. If there are no students on the waiting list, or all waiting list students have been admitted, then the instructor may admit other students who show up at the first class meeting.

Wait List Add Procedure

A student who places himself/herself on the Wait List after the class begins is admitted only with permission of the instructor. The student must attend the class and be present to be considered for movement from the Wait List.

HOW TO ADD A COURSE:

Once classes begin, there are two methods for adding a class:

Wait List Add Procedure: Log in to Online Registration and do the following:

Enter the five digit course code and hit the ADD COURSE CODE button (This is located at the bottom area of your class schedule). You will receive a message saying "**Class has already started**" and will be given the option of selecting the "**Put me on the Waiting List**" button. When you are successfully added to the Wait List, you get a message saying, "**You have been added to the Waiting List for Class Code XXXX.**"

Once you have been added to the Wait List be sure to **ATTEND THE NEXT CLASS MEETING AND REQUEST PERMISSION FROM THE INSTRUCTOR TO BE ADDED TO THE CLASS FROM THE WAIT LIST.**

Instructor Add Memo Procedures: Attend the class on the first day to request instructor permission to add the course. If permission is granted, complete the information requested on the Instructor Add Memorandum. This form will be available in class. The course will be added by the Admissions & Records Office within 24 hours of receipt of the Instructor Add Memorandum submitted by the faculty member.

Students are notified via their student e-mail account when successfully added or when there is a problem that must be resolved.

HOW TO DROP A COURSE:

DROP: Use the Internet to drop a course. Log into Online Registration and click the "Drop" button next to the class you wish to drop. If a registration cycle is underway for a term other than the one for which you wish to drop a course, be sure to select the correct term.

HOW TO GET GRADES

Online www.deltacollege.edu

- 1 Click Online Registration.
- 2 Read all information and instructions carefully. To protect confidentiality, it is best that each student obtain his/her own grades.
- 3 LOG-IN: Enter Delta ID number and birthdate or PIN (Personal Identification Number).
- 4 Click the Log-In button. If the password is correct, the registration screen will appear.
- 5 To obtain grades: Select the term for which grades are requested on the pull down menu. PRESS the "change terms" button after term is selected. Grades will appear on screen. To obtain a complete listing of grades from 1983 to present, select the "academic history" option.
- 6 Log-Out: To end registration, click the log out button.

Note: Please refer to the Registration Calendar for dates the online system is unavailable.

Online Class Registration

How do I register for an Internet course?

Enroll as you would for other classes. Once registration closes, follow the Waiting List Add Procedure. Your enrollment will be granted based on space availability and meeting the course prerequisite(s).

If I'm on the waiting list, how do I enroll in the class?

Students on the waiting list for Internet courses should e-mail the instructor using their Delta College student e-mail address to request enrollment in the course. Include your name, Delta I.D. number, course code, and confirm that you would like to be moved from the wait list to full enrollment. You'll be moved from the wait list to full enrollment on a space available basis. E-mails missing the required information cannot be processed. A response will be sent to your Delta College e-mail account. **DO NOT INCLUDE YOUR SOCIAL SECURITY NUMBER.**

To find your student e-mail address, refer to page 5 under Step 1: Admissions/Student E-mail Accounts.

How do I find an instructor's e-mail address?

Instructor e-mail addresses are generally assigned in the following manner—the initial of the instructor's first name followed by the last name @deltacollege.edu. For example, John Smith's e-mail address would be jsmith@deltacollege.edu. You may also contact the College operator at 954-5151.

How do I add if the class and the wait list are full?

Students who are not on the waiting list but are interested in adding an Internet course should e-mail the instructor using their Delta College student e-mail address to request access to the class wait list. Include your name, Delta I.D. number, and course code. A response will be sent to your Delta College e-mail address.

Once access is granted, log into Online Registration and place yourself on the wait list using the Add Procedure.

Should I do anything before class(es) start?

Yes! Check the "Online Classes" information and:

- Review the Technical Requirements for Internet Courses.
- Familiarize yourself with the Sample Class information.
- Carefully review Frequently Asked Questions.
- Get class materials, including the textbook, in preparation for your first login.
- Identify the platform on which your class is taught.

* Oftentimes the course outline and specific log in instructions are included with the textbook.

How do I identify the platform on which my class is taught?

Internet classes are taught from several different platforms. To identify the platform for your Internet class, you must log into "Online Classes" from the Delta College homepage. Sign on with your Delta College I.D. number and date of birth entered as mmddyy. Each Internet class in which you are enrolled shows the "platform" on which it is taught.

Six Easy Steps for New Students (Continued)

Courses taught on e-College and ETUDES can be accessed by clicking on the course code. Login instructions for courses taught on "other" platforms are provided directly from the instructor. Please note that textbooks for classes taught on "other" platforms must be purchased prior to attempting login because the class materials contain codes required for login.

After registering, how do I know when to log in to my class?

The actual course material will not be available until the first day of class.

What is my login?

Classes taught on e-College or ETUDES platforms are accessed by using your Delta College I.D. number as the login. The password is the date of birth entered as mmddyy unless a PIN has been created. If you have created a PIN through online registration, the PIN is your password. Do not confuse your student e-mail login information with online class login. They serve two separate functions. Classes taught on "other" platforms are accessed by using codes provided in the course textbook and from the instructor.

To find out what your Delta College ID number is:

1. Log on to the registration system as you normally would. You will see that you have the option of using your Delta ID number or your social security number. Use your social security number for the first log in.
2. Enter your password beneath the SSN block. Note that the password is the same for both types of log ins (Delta ID or SSN).
3. Once you have logged on, you will see the normal greeting with your name. Just below this, you will find your Delta ID number.

Please write down your Delta ID number and use it to access your records in the future.

What do I do if I'm having trouble logging on?

Assistance with login problems is provided in several ways. You must first identify the platform upon which your class is taught. Once you identify it, click on the related link for that platform. Specific platform information is listed below:

e-College Platform

You may request help from the Delta Online Helpdesk for technical problems. Questions concerning class assignments, due dates, etc. should be directed to the instructor. Contact information is available from the "Online Classes" link from the college homepage. E-mail the Delta Online Helpdesk at helpdesk@deltacollege.org or phone (303) 873-0005.

ETUDES and ETUDES NG Platforms

You may request help from the ETUDES Online Helpdesk for technical problems. Questions concerning class assignments, due dates, etc. should be directed to the instructor. Contact information is available from the "Online Classes" link from the college homepage. Follow this link to the help desk website: <http://otrs.deltacollege.edu/otrs/customer/pl> or phone (209) 954-5840.

Publisher Platform(s)

You must first purchase the textbook. Part of your login information is contained in the class materials. Without that information, you will not be able to login. Then you must check your student e-mail. Your instructor will provide login information at your student e-mail address. If you are still having problems logging in after you have read the instructor's e-mail and purchased the textbook, you must contact your instructor via e-mail.

Do I have to login the first day of class?

It is highly recommended that you log in on the first day of class.

Will my Internet instructor contact me?

Some Internet instructors contact their students via e-mail. Some do not. If you have not heard from your instructor by the first week of class, you should login and begin working. If you are having any problems, contact your instructor by e-mail for assistance.

STEP 5. COLLEGE FEES

Registration means enrolling in courses. An online application for admission and assessment testing, if necessary, must be completed prior to registration. A student may register for classes on or after his or her scheduled, but not before. See the registration calendar for registration

information, dates and times. Registration may be done via the STAR system (209) 476-7997 or online at www.deltacollege.edu.

Fees are due at the time of registration.

Once registered, you will receive an e-mail in your student e-mail account with fee payment information.

Payment may be made by:

- MasterCard or Visa – online at my.deltacollege.edu. Click "New/Returning Students" tab, select [Pay Fees Online](#) (under "Register for Classes" section).
- Check or money order mailed to:
Admissions & Records
5151 Pacific Ave.
Stockton, CA 95207

Note: Access to student records and future registration is prohibited until fees are paid in full.

FEES, TUITION, & EXPENSES

Mandatory fees include:

- California Residents
*Enrollment Fee \$ 20.00 per unit
- Residents of Other States/Countries
*Enrollment Fee \$ 20.00
**Non-Resident Tuition \$181.00
- Total Per Unit \$201.00**

* Fees subject to change by the California Legislature.

** Non-Resident Tuition is set by the College Governing Board and is due in addition to Enrollment Fee. A student who has recently moved to California, or moved from California and returned, should check the specific residency requirements which are described in the College catalog or on the Admissions and Records web pages. (See AB540 exemption information under Other Fees and Expenses).

AB540 - EXEMPTION FROM NON-RESIDENT TUITION

U.S. citizens, permanent residents, undocumented persons, and persons holding a visa which allows for the establishment of residency may qualify for an Exemption from Nonresident Tuition, if the following criteria are met:

- Three full years of attendance in a California high school, and California high school diploma, G.E.D. or C.H.S.P.E., **and**
- U.S. citizenship, **or**
- Permanent residency status, **or**
- Possession of a non-immigrant alien visa, and application for a change of status with the United States Citizenship and Immigration Services on file, **or**
- Undocumented status with application for change of status on file with INS, **or**
- Undocumented status with intention to file for change of status when eligible.

To request an exemption from Nonresident Tuition, students must complete a Student Affidavit for Exemption from Non-Resident Tuition, and submit it with required documentation. The form is available in the Admissions and Records Office, Holt 101 or on the Admissions and Records web pages under "Forms."

OTHER FEES & EXPENSES

Optional fees include:

- Student Representation Fee* \$ 1.00
- Associated Student Body Card** \$ 8.00
(Available in ASB Office located in Shima Lounge)
- * A student may decline to pay the Student Representation Fee for religious, political, financial, or moral reasons.
- ** Purchase in the Delta Bookstore & pick up in the ASB Office

Textbook and supplies vary per class per semester. See the Bookstore for pricing. Course-

REFUND INFORMATION

Refund Policy

If a student drops a class or withdraws from San Joaquin Delta College, the student is not necessarily entitled to a refund. Refunds will be given for classes dropped by the published refund deadline. For late starting and short term classes, see the refund date printed in the Schedule of Classes or on the student registration receipt.

Procedure for Requesting Refunds

Obtain a "Refund Request" form from the Admissions and Records Office, Holt 101 or on the Admissions and Records web pages under "Forms."

Submit the completed "Refund Request" form to the Admissions and Records office, Holt 101. For parking permit refunds, attach the **unused** parking permit to the "Refund Request" form. Parking permit refunds will be granted only if all on-campus classes are dropped no later than the published deadlines.

All "Refund Request" forms must be submitted and received no later than the final date to qualify for a refund. Qualifying date is generally two weeks after the refund date.

Refunds are subject to a \$10.00 processing fee.

Refunds are processed by the Business Office and all disbursements are mailed to the address provided.

STEP 6. FINANCIAL ASSISTANCE

Inquire about eligibility for a fee waiver and financial aid in Holt 101, or complete the Board of Governors Enrollment Fee Waiver Application. Application materials and program information can be found on the financial aid web site- finaid.deltacollege.edu or in the student portal (mydeltacollege.edu).

KNOW YOUR CATALOG RIGHTS

Catalog Rights are the privilege of retaining course and program requirements needed for graduation as listed in the College Catalog at the time of initial enrollment in college.

To retain Catalog Rights, a student must maintain continuous enrollment through the completion of requirements for graduation. Continuous enrollment is defined as earning college credit in at least one semester during an academic year without interruption of progression.

An academic year begins with the Summer Intersession and includes the following fall and spring semesters.

Catalogs are available "online"
(www.deltacollege.edu)
and at the Delta College Bookstore.

Reading, English Composition Requirements

English Composition

Students are strongly urged to enroll in the appropriate English composition class as soon as possible.

COMPOSITION

Level III	ENGLISH 1A
Level II	ENGLISH 79 (Prepares for entry into ENG 1A and satisfies the Associate Degree requirement.)
Level I	ENGLISH 70 (Prepares for entry into Eng 79 or Eng 87 with successful completion.)

Reading

Students who place at Level I in reading and wish to enroll in a course with a corequisite of reading must enroll in reading. Students who score Level I in reading and wish to enroll in a course with a prerequisite of reading Level II must reach Level II before they will be allowed to enroll.

READING

Level I	READING 98 and READING 90 or READING 91 A, B, C, D, E, F or READING 97A-I
----------------	---

English As A Second Language (ESL)

ESL students who do not have a United States of America high school diploma and foreign students will be placed based upon an ESL assessment. ESL students who do have a United States of America high school diploma may either use the ESL assessment or the reading section of the assessment/placement assessment and the reading requirements above.

ESL (Fulfills the Reading requirement)

Level I	ENG 86 G ENG 85 program ENG 84 program ENG 83 program ENG 82 program ENG 80/81 program
----------------	---

Level II and III courses are Associate Degree appropriate. Level I courses do not count toward the Associate Degrees. Students who believe their initial assessment levels are incorrect may request a retake or apply for review through the Appeal Process. Appointments for retake may be arranged through the Assessment Center in Cunningham 220, (209) 954-5535. Appeals may be made through Admissions and Records Office, Holt Center 101.

FINANCIAL AID — Help for College Costs

Financial aid is designed to help meet direct educational expenses including tuition, books, supplies, transportation, and related living costs, and is available to eligible students in the form of grants, student loans, and employment programs. Dollar amounts for individual aid programs vary from a minimum of \$200 to a \$4,050 maximum. Eligible students are usually awarded a financial aid "package," which includes funding from a combination of aid programs.

Applications for the year are available until June 15, 2008. Applications for 2008-2009 academic year are available in early January with a March 2, 2009, priority deadline; however, students may apply at any time during the academic year. Applications are processed in the order received, and funds are awarded on a first-come, first-serve basis.

HOW TO APPLY:

Each financial aid program has varying eligibility criteria and varying dollar awards. Students must:

1. Pick up an application packet in the Admissions, Records and Financial Aid Office, Holt 101. Each packet will include applications and information for completing a student financial aid file.
2. Complete the Free Application for Federal Student Aid (FAFSA) and mail it in the envelope attached to the application, or file an online application at www.fafsa.ed.gov. Financial aid application workshops are offered in the e-Services Lab, located in Cunningham 226. For workshop dates and times please check the Delta College Web site. California residents may also apply for the Cal Grant Program. In addition to the FAFSA, Cal Grant applicants must complete an additional form by March 2. However, there is a "2nd Chance" Cal Grant deadline of September 2.
3. Complete and return all other documents to Delta College's Financial Aid Office, Holt 101.

Please Note: The process for determining eligibility can take an average of two to four weeks. The sooner a student applies, the sooner qualification can be determined.

SCHOLARSHIPS

Scholarships are awarded each year to students by local donors. Transfer and non-transfer students are eligible to apply from January through March 2nd for awards made in late June. Selection criteria vary, but may include financial need, academic achievement, or personal qualifications.

ENROLLMENT FEE ASSISTANCE: BOGW FEE WAIVER

The State of California has provided an assistance program to waive the enrollment fee for low income students. Students who are California residents may qualify for a fee waiver through the Board Financial Assistance Program by one of the following three methods:

METHOD A: If the student receives ONE of the following forms of public assistance:

• TANF RECIPIENTS

TANF Warrant or check issued in the student's name (or the parent's name) for the same month in which the student files this application or one month before - OR

Agency Certification - Untaxed Income Form. May be obtained from the Financial Aid and Veterans Services Office and must be completed by the Human Services Agency.

• SSI RECIPIENTS

MEDS Card (Medical Eligibility Data System) or copy of the SSI check. Request from the Medi-Cal Unit of Human Services.

DECEASED/DISABLED VETERAN'S DEPENDENTS OR NATIONAL GUARD DEPENDENTS may also qualify for a fee waiver: Certification is provided by the California Department of Veterans Affairs or Student's County Veterans Service Office—OR Fee Waiver certification provided by the California National Guard Adjutant General's Office.

METHOD B: A BOG Fee Waiver (BOGW) Method B may be awarded to low-income students. Qualification is based upon the student's (or parent's) income and household size. Colleges may ask the student to provide documentation of income. Students are required to provide documentation if it is requested.

METHOD C: A BOG Fee Waiver (BOGW) Method C may be awarded to financial aid applicants who are California residents and who have applied and show financial need through the processed FAFSA application.

For fee waiver applications, please contact the Financial Aid Office in Holt 101, or download an application from the Financial Aid [website: finaid.deltacollege.edu](http://www.finaid.deltacollege.edu).

LOANS

The Federal Family Education Loan Program offers educational loans from local banks and lending institutions ranging up to \$2,625 for dependent, first-year students and \$3,500 for dependent, second-year students. Independent students may borrow up to \$4,000 per year. These loans must be repaid with interest. Program participants must maintain continued eligibility and must remain enrolled in at least six units throughout the fall and spring semesters. Students dropping below half time will automatically be placed in a repayment status.

To apply for a federal loan, students must first file a completed FAFSA. After the FAFSA application has been completed and verified, applicants must then sign up for a scheduled Entrance Counseling Session. There the student will receive further information, including a list of banks and lending institutions and application materials.

EXTENDED OPPORTUNITY PROGRAMS AND SERVICES

EOPS also provides financial aid and economic services for qualified economically challenged students.

Do You Need Money for College?

Act Fast and You Could Receive a Cal Grant Cash Award of up to \$1,551!

The Cal Grant Deadline is March 2nd!

To apply you must:

1. Be a California Resident and attend a California College.
2. Submit a 2008-09 Free Application for Federal Student Aid (FAFSA) by March 2nd. To apply online, go to finaid.deltacollege.edu or pickup a FAFSA in Holt 101.
3. Submit a GPA Verification Form* to the California Student Aid Commission. These forms are available in the Financial Aid Office.

***Note:** In most cases, we may be able to transmit your Delta College GPA electronically to the California Student Aid Commission. Students whose GPAs have been electronically submitted will be notified by e-mail at their Delta College e-mail address.

Find out more about this and other financial aid opportunities.

Stop by the Office of Financial Aid and Veterans Services (Holt 101), or visit our web site: finaid.deltacollege.edu, or call us, (209) 954-5120.

PRIORITY REGISTRATION SYSTEM

The objective of priority registration is to give preference to students based on the variables listed below. The priority system gives a "weighted count" to each student. This is calculated automatically at the time a student is assigned a registration appointment.

Priority registration appointments are based on the following factors:

<p>1. Number of Delta AA-Appropriate Units Completed:</p> <p>1 - 15 = +1 16 - 30 = +2 31 - 45 = +4 46 - 60 = +6 61 - 75 = +8 76 - 90 = +5 91 - 100 = +3 101 - 110 = +1 More than 110 Units Completed = 0</p>
<p>2. Highest Degree Earned or Eligible for: Lower Priority will be assigned to students who have received a BA/BS or higher degree at any accredited institution: BA/BS Degree = -1</p>
<p>3. Declared Goal: Priority for declaration of an AA/AS, transfer, certificate, or retraining as one of top four educational goals = +1</p>
<p>4. Assessment Requirements Met: Priority for completion of the Matriculation Assessment requirements = +1</p>
<p>5. Cumulative Grade Point Average (GPA): Priority for cumulative Grade Point Average (GPA) of 2.0 or greater over a cumulative GPA below 2.0. Additional priority for a cumulative GPA of 3.0 or greater GPA will be based on AA/AS Degree - applicable courses and priority for GPA will be given only to those students whose GPA is based on 15 or more units: 2.0 to 2.99 of AA/AS units = +1 3.0 or better of AA/AS units = +2</p>
<p>6. Student Education Plan Completed: Preference will be given to students who have filed a Student Education Plan (SEP) = +1</p>
<p>7. Academic Rehabilitation: Priority for completion of the rehabilitation process = +1</p>
<p>8a. Progress Probation: Lower priority if more than 50% of grades are "W", "I", or "NC" in consecutive semesters. Two consecutive semesters = -2 Three consecutive terms = -3</p>
<p>8b. Academic Probation: Lower priority for students who are recorded as being on academic probation = -1</p>
<p>9. Guidance Orientation and Study Skills Classes: Priority will be given to students who complete any of the following guidance/orientation or study skills courses: GUID 1, 8, 10, 11, 12, 14, 16, 19, 75, 75A, 85 or English 33A = +1 Priority will be given to students who complete a Guidance 100 course. This priority will be given only for the first semester after the credit has been recorded = +1</p>
<p>10. Identified EOPS and DSPS Students = +18</p>
<p>11a. Identified Active or Former Member of the Armed Services = +18</p>
<p>11b. Verified Veteran Dependent = +1</p>

Limitation on Enrollment

A condition of enrollment, which limits how students qualify for a particular program. Limitations apply to courses that include public performance or intercollegiate competition where a tryout or audition is necessary. Some courses require formal admission to a particular program in order to enroll (e.g., Apprenticeships, Associate Degree Nursing, Caterpillar Dealer Service Technology Apprenticeship, Fire Academy, Peace Officer Academy, Psychiatric Technician, Radiologic Technology, Speech-Language Pathology Assistant, and Vocational Nursing). Refer to the College Catalog for more information.

Refer to Catalog for specific requirements of the A.S. Degree Majors.

Certificate Programs

This section includes all certificates offered currently by San Joaquin Delta College. The certificates are designed to provide applied training in specific occupational areas that will prepare students with employable skills in the prescribed certificate area. The certificates are recognized favorably by business and industry, and they are often required for job classification advancement. Refer to the 2005-06 Catalog for changes effective Summer 2005 (AP 4100.1).

INTERSEGMENTAL GENERAL EDUCATION TRANSFER CURRICULUM (IGETC)

UC/CSU General Education Pattern

Completion and certification of the Intersegmental General Education Transfer Curriculum (IGETC) permits students to transfer from San Joaquin Delta College to a campus of either the California State University or the University of California without the need after transfer to take additional lower division general education courses to satisfy the campus' general education requirements. Students may also opt to fulfill the general education requirements by completing the specific lower division general education requirements of the school or college of the campus to which the student intends to transfer.

Both the California State University and the University of California have a specific American Institutions requirement that is separate from their general education requirements. Completion of the Intersegmental General Education Transfer Curriculum will not satisfy the American Institutions requirement. Courses used to satisfy the American Institutions requirement may not be counted to satisfy either of the Humanities (area 3) or a Social and Behavioral Science (area 4) requirement. Students are encouraged to consult with a counselor to develop an individual education plan. (Counseling Office, Danner Hall Room 205, (209) 954-5650) Note: *Students using the IGETC - UC GE pattern for the Associate Degree must also take COM ST 1A.*

LIST OF COURSES BY IGETC SUBJECT AREA:

AREA 1 — COMMUNICATION

(3 courses, 9 semester units)

GROUP A: ENGLISH COMPOSITION

(1 course, 3 semester units)

English 001A

GROUP B: CRITICAL THINKING — ENGLISH COMPOSITION

(1 course, 3 semester units)

(*) Effective Fall 2005 the courses accepted for satisfaction of the U.S. History, Constitution and American Ideals requirement has changed. If you completed this requirement prior to Fall 2005, you will not be affected. It is highly recommended that you make an appointment to see a counselor if you have any questions about this change in requirements. Counseling appointments may be made by calling (209) 954-5650.

+ Course may be listed in more than one area, but shall not be certified in more than one area.

NOTICE TO STUDENTS

Selection of courses from this list may be affected by one or more factors, including choice of major, university transfer requirements, or prerequisite or sequencing requirements. Failure to plan appropriately WILL adversely affect timely graduation and/or transfer. Students are encouraged to consult with a counselor in developing an individual education plan. Counseling services are available in Danner Hall Room 205, (209) 954-5650.

Associate Degree General Education Pattern

The Chancellor's Office for the California Community Colleges deems that the governing board of community colleges shall establish a general education program which symbolizes a successful attempt on the part of the college to lead students through patterns of learning experiences designed to develop certain capabilities and insights.

Among these are the ability to think and to communicate clearly and effectively both orally and in writing; to use mathematics; to understand the modes of inquiry of the major disciplines; to be aware of other cultures and times; to achieve insight gained through experience in thinking about ethical problems; and to develop the capacity for self-understanding. In addition to these accomplishments, the student shall possess sufficient depth in some field of knowledge to contribute to lifetime interest.

General education is designed to introduce students to the variety of means through which people comprehend the modern world. It reflects the conviction of colleges that those who receive their degrees must possess in common certain basic principles, concepts and methodologies both unique to and shared by the various disciplines. College educated persons must be able to use this knowledge when evaluating and appreciating the physical environment, the culture and the society in which they live.

Important Date — November 14, 2008

COLLEGE CREDIT FOR HIGH SCHOOL COURSES

Students who have completed articulated courses in high school may receive college credit at San Joaquin Delta College. The College is committed to comprehensive articulation of instructional programs with both secondary and post secondary education institutions, usually referred to as "2 + 2 + 2" articulation. The "2 + 2" articulation links the high school program, adult school and ROP with San Joaquin Delta Community College programs. These articulated programs lead to an Associate Degree. The "2 + 2 + 2" articulation adds a four-year college or university program leading to a Baccalaureate Degree where appropriate.

The articulation process is a system designed to help students to advance from one course, program, or educational level to the next without unnecessary repetition of essentially similar courses for which credit has been received.

Courses noted as "Pending" were not through the renewal process as of publication date of this schedule. Please refer to the 2+2 Articulation web site at: <http://deltacollege.edu/dept/ar/admissions/22articulation.html> to access a list of currently active 2+2 articulated courses.

If you have taken any of the courses on the List of Articulated Courses, you may wish to exercise your right to obtain college credit by completing ALL of the following criteria:

1. Successfully complete the courses according to the articulation agreement between the high school and Delta College.
2. File an Application for Admission to San Joaquin Delta College.
Online Application Access
3. Take the Assessment/Placement test, ACE OR you may decide to exercise a "one course waiver" in a course with prerequisite, "none."
4. Successfully complete the New Student Orientation course. Guidance 11
5. Request credit within two years of course completion or no later than two years after high school graduation.
6. File an Application for College Credit AND submit Official/Sealed Transcripts from High School/Secondary School to the Admissions and Records Office, Holt 101, 5151 Pacific Ave., Stockton, CA 95207.

If you have questions, please contact the Admissions Office at (209) 954-5728.

Math Course Sequence

High School Algebra I - Completed with a "C" or better is equivalent to Delta College MATH 80

High School Algebra II - completed with a "C" or better is equivalent to Delta College MATH 82

*MATH 83A/B and MATH 84A/B have been deactivated as have MATH 80L and 82L.

**MATH 38A and MATH 38B are needed for MATH 1 OR MATH 39 can be taken but only if the special prerequisites of this fast-paced course are met.

Math Skills Requisite Levels

MATH LEVEL I

- *MATH 074A-D Applied Math
- *MATH 073 Applied Math Lab
- *MATH 076 Review of Arithmetic

MATH LEVEL II REQUIRED

- MATH 80 Elementary Algebra
- MATH 82 Intermediate Algebra
- *MATH 78 Pre-Algebra

(Some of the above courses may have requirements other than test scores. Previous course work may qualify for some math classes.)

*Units earned in these courses do not count toward the Associate Degree.

TRANSFER TO A FOUR-YEAR INSTITUTION

If you are planning to transfer to a four year institution from San Joaquin Delta College, you should consult with a Delta College counselor, a representative of the campus to which you plan to transfer, and refer to the college catalog for that campus in order to obtain the most current information. Additional information is available at www.californiacolleges.edu, this is California's free official source for college and career planning. You are encouraged to visit the web sites published in this article.

There are four things to research when planning the courses you will need to transfer:

- 1) Admission requirements for the university you plan to attend.
- 2) General education requirements. Consult with your counselor to select a general education pattern that best meets your transfer goals.
- 3) Major preparation courses which meet pre-requisites for upper division coursework. Consult with your counselor to determine which lower division courses and major preparation courses you should complete at San Joaquin Delta College before you transfer.
- 4) Other requirements that can be completed at the community college, e.g., foreign language, diversity requirement, computer literacy.

ADMISSION REQUIREMENTS

Transfer to a California State University (CSU):

- 1) Admission requirements for students who have completed fewer than 60 transferable units at the time of entry to the CSU:
 - a. have a college grade point average of 2.0 or better in all transferable college units attempted;
 - b. be in good standing at the last college or university attended (eligible to re-enroll);
 - c. meet the admission requirements for a first-time freshman or successfully complete necessary courses to make up the deficiencies;
 - d. meet the eligibility index required of a freshman (you may need SAT or ACT test scores, depending on your grade point average and the requirements for the campus you wish to attend);
 - e. contact the campus you wish to attend to determine whether there are limits on admission as a lower division transfer. Some campuses may require completion of English composition and general education mathematics.
- 2) Admission requirements for students who have completed 60 or more transferable units at the time of entry to the CSU:
 - a. have a college grade point average of 2.0 or better in all transferable college units attempted;
 - b. be in good standing at the last college or university attended (eligible to re-enroll);
 - c. complete 30 semester units of courses equivalent to general education requirements with a grade of C or better. The 30 units must include all of the general education requirements in communication in the English language (English composition, oral communication, and critical thinking) and at least one course in college level mathematics.

For more information visit www.csumentor.edu or obtain printed materials in the Career Transfer Center, Danner 202-203, San Joaquin Delta College.

Transfer to a University of California (UC):

- 1) Admission requirements for students who have completed less than 60 transferable units at the time of entry to the UC:

- a. meet the admission requirements for a first-time freshman (A-G subjects, grades, and test requirements) or successfully complete courses to make up any subject deficiencies;
 - b. have a college grade point average of 2.0 or better in all transferable college units attempted;
 - c. contact the campus you wish to attend to determine whether there are limits on admission as a lower division transfer.
- 2) Admission requirements for students who have completed 60 transferable units at the time of entry to the UC:
 - a. have a college grade point average of at least a 2.4;
 - b. complete two transferable college courses in English composition, one transferable college course in mathematical concepts and quantitative reasoning, and four transferable college courses chosen from at least two of the following subject areas: arts and humanities, social and behavioral sciences, and physical and biological sciences.

For more information visit www.universityofcalifornia.edu or obtain printed materials in the Career Transfer Center, Danner 202-203, San Joaquin Delta College.

Transfer to a California Independent College or University:

Each of these campuses maintain different admission requirements. To begin exploring and identifying the campus suited to your needs, you should:

- 1) visit www.aicmentor.org. This web site provides more information about California's 77 independent colleges and universities;
- 2) visit www.californiacolleges.edu. This web site is California's free official source for college and career planning.
- 3) visit the campuses you have selected, see for yourself;
- 4) learn how to apply for financial aid in California.

GENERAL EDUCATION REQUIREMENTS

The California State University (CSU) and the University of California (UC) campuses have different admission and general education requirements. Depending on your choice of campus and major, you may be advised to complete minimum general education courses or an entire general education pattern. Consult with a counselor or university representative or university website to determine which GE pattern will satisfy the general education requirements needed at the institution you wish to attend.

MAJOR PREPARATION

Each four-year institution has a specific list of courses required to prepare a student for a major. You should

- 1) meet with a counselor to discuss which courses are appropriate for the major you wish to pursue at a particular school;
- 2) visit the web site www.ASSIST.org to learn more about the preparation for the major at a UC/CSU you would like to attend. Visit the website for the school you would like to attend;
- 3) visit the campus you would like to attend. Talk to an advisor in the department of your major to learn more about the specific preparation that is required. Meet with a representative from that school in the Delta College Transfer Center.

OTHER REQUIREMENTS

You may be able to satisfy additional campus-specific requirements before transferring. Requirements may include a foreign language, diversity or a literacy. Consult with a counselor to determine if the campus you are planning to attend has any special requirements you can satisfy before transferring.

GENERAL EDUCATION CERTIFICATION

Request partial or full certification of your general education courses after you have been admitted to a four-year institution that you wish to attend and during your last semester of enrollment at Delta College. If you have been following the CSU general education pattern, partial or full certification is available. If you have been following the IGETC general education pattern, with few exceptions, only full certification is available. The certification process can help you avoid having to take additional lower division courses for general education after transferring to the four-year institution. The forms to apply for general education certification are available in the Evaluations Office, Holt 101, or in Guidance and Counseling, Danner 205.

UNIVERSITY OF CALIFORNIA TRANSFER ADMISSION GUARANTEE PROGRAM (TAG)

In 2007, the University of California started using a common name and form for its transfer admission guarantee program. Under the Transfer Admission Guarantee program, seven out of ten UC campuses offer guaranteed admission to California community college students who meet specific requirements. Students in the TAG program can receive early review of their academic records, early admission notification and specific guidance on major preparation and general education coursework. These agreements, developed in conjunction with your Delta College Counselor, will guarantee your admission to the university for which the agreement is written. With your counselor, you will develop a Student Education Plan, (SEP), which will ensure that you are taking the proper courses to become eligible for admission. Your SEP will include the courses necessary to complete your general education and major preparation requirements. If you fulfill your obligation as outlined in the TAG, the Transfer institution will fulfill its obligation, meaning you will be automatically admitted upon completion of the formal admissions process. To develop your TAG, see a counselor as soon as possible during your first semester at Delta College by contacting the Counseling Office for an appointment at (209) 954-5650. For details, visit www.UCTransfer.org to see a list of participating campuses, eligibility criteria, and campus-specific notes.

CENTRAL VALLEY HIGHER EDUCATION CONSORTIUM TRANSFER ADMISSION AGREEMENT (CVHEC TAA)

The Central Valley Higher Education Consortium (CVHEC) developed a Guaranteed Transfer Admission Agreement (TAA) in conjunction with UC Merced, CSU-Stanislaus, CSU-Fresno, CSU-Bakersfield, and University of the Pacific. The TAA is designed specifically for San Joaquin Valley Community College Students. As a San Joaquin Delta College student, you are eligible to participate in the CVHEC agreement, and receive guaranteed admission to the above 4-year Colleges and Universities located in the San Joaquin Valley. Consult with a Delta College Counselor at (209) 954-5650 for additional information.

Transfer To A Four-year Institution (continued)

UNIVERSITY OF THE PACIFIC TRANSFER ADMISSION AGREEMENT (TAA)

Meet with a Delta College Counselor to determine if you are eligible to transfer and meet the criteria for your major to develop a TAA with University of the Pacific. TAAs are available for the fall and spring terms and should be completed at least six months before you plan to attend. For additional information, go to www.pacific.edu/transfer or go.pacific.edu/taa.

ASSOCIATE OF ARTS TRANSFER MAJOR

You may earn an Associate of Arts degree in Liberal Arts and Sciences by completing the CSU general education pattern or the IGETC CSU general education pattern and completing the following additional requirements: A minimum of sixty (60) transferable units with a 2.0 or higher grade point average, meet the residence requirement of completing the last twelve (12) semester units at Delta College; and attend during the semester of qualification for graduation or complete a total of at least twenty-four (24) units at Delta College.

Work Experience Program

Delta College recognizes the value of learning experiences that enhance formal college studies. A student may earn (elective) units towards an A.A. and/or A.S. degree for on-the-job employment experience if they are also enrolled in a course directly related to their employment. Students must be enrolled in at least seven units of course work including Work Experience units. Students enrolling in summer intersession must be enrolled in one course directly related to their employment (no minimum unit requirement).

Cooperative Work Experience Education is supervised employment, extending classroom based occupational learning to on-the-job experience. The student may qualify by using either the Parallel or the Alternate Plan.

1. **Parallel Plan:** Specifically designed for students who are working and attending classes during the same semester. Up to 4 units of Work Experience credit may be earned per semester. The combined total number of units a student may take in internship and work experience may not exceed a maximum of 16 units.
2. **Alternate Plan:** Specifically designed for students who attend classes full time one semester (12 or more units) and work full time the next semester. Up to 8 units of Work Experience credit may be earned per semester. The combined total number of units a student may take in internship and work experience may not exceed a maximum of 16 units.

Students must be enrolled in the Work Experience program before the census date for full term classes for each semester. The class code numbers are available only from the Internship/Work Experience office. For more information, contact the **Internship/Work Experience office, Holt 140, or phone (209) 954-5269.**

Apprenticeship

San Joaquin Delta College provides related courses of instruction in accordance with the California Apprenticeship Law. Courses cover related and supplemental instruction in related technical areas of the trades and are intended to complement the skills learned on the job. Information on how to become an apprentice may be obtained from the Division of Apprenticeship Standards, 2424 Arden Way, Suite 160, Sacramento, CA 95825 or San Joaquin Delta College, Apprenticeship Office, Holt Center, room 140, 5151 Pacific Avenue, Stockton, CA, 95207. Phone: (209) 954-5236.

The following is a list of apprenticeship related training courses offered at Delta College.

- Auto Mechanics
- Caterpillar Dealer Service Technician
- Body and Fender Repair
- Civil Maintenance
- Diesel Technology

Internship Program

Delta College recognizes the value of learning experiences that enhance formal college studies. A student attending Delta College may earn units towards an A.A. degree, A.S. degree, or transfer to a four year college. The internship with business or industry requires the student to be enrolled in a course directly related to their internship. Each student shall be engaged in a specific research project or on-the-job learning activities under the supervision of a worksite supervisor and college internship instructor. Students must be enrolled in at least seven units of course work including Internship units. Students enrolling in summer intersession must be enrolled in one course directly related to their employment (no minimum unit requirement).

Internships extend classroom based occupational learning to work-based learning activities at the work site. The student may qualify by using either the **Parallel** or the **Alternate Plan**.

Parallel Plan: Specifically designed for students who are working and attending classes during the same semester. Up to 4 units of Internship credit may be earned per semester. The combined total number of units a student may take in internship and work experience may not exceed a maximum of 16 units.

Alternate Plan: Specifically designed for students who attend classes full time one semester (12 or more units) and enroll in an internship the next semester. Up to 8 units of Internship credit may be earned per semester. The combined total number of units a student may take in internship and work experience may not exceed a maximum of 16 units.

Students must be enrolled in the Internship program before the census date for full term classes for each semester. For more information, contact the **Internship/Work Experience office, Holt 140, or phone (209) 954-5269.**

First Year Experience **First time college student?** **No problem, we're here for you.**

First Year Experience Program was made for you! Student enroll together in a grouped set of classes with special trained instructors who work together to help you gain the knowledge and skills needed to be successful in college and life. Students also work with an assigned counselor to explore, discover, and plan education paths.

Students that participate in learning communities tend to:

- have a greater success rate
- have a higher GPA
- make friends faster their first year
- feel they got more out of their classes

How do I register? When registering enter any one of the section numbers for your specific learning community and you will be automatically enrolled in all three courses. You must meet the prerequisites for each course. Call 954-5908 for more information

LEARNING COMMUNITIES, FALL 2008**MAKING THE MOST OF YOUR COLLEGE EDUCATION!**

A Learning Community is a group of linked courses focusing on a common theme through team learning.

Why Enroll In A Learning Community?

Learning Communities help students:

- Learn more and earn better grades
- Coordinate homework between classes
- Make friends through small group interaction
- Enjoy closer interaction with faculty
- Earn credit in two or more courses through common assignments
- Get extra help that is really geared to your needs
- Succeed in college!

Weekend College

You may enroll in an intensive approach to higher education by attending Delta College's WEEKEND COLLEGE. This program is designed for those persons who want to focus on a single subject in a concentrated format. Courses offered in the WEEKEND COLLEGE format allow students an opportunity to enroll in lower-division general education courses applicable for university transfer as well as meeting the general education requirements for the Associate Degree. Classes are conducted weekly on Friday evenings and Saturday mornings.

Students may complete an A.A. Degree by combining Weekend College with On-line course offerings.

Distance Learning and Regional Education

Take Delta College courses at home or in your community!

The San Joaquin Delta College **Distance Learning and Regional Education** program offers options for students who prefer to take courses near where they live or "on-line." Students may complete most or all of their coursework through Internet classes or through off-campus regional education classes held in communities served by the College.

The Distance Learning and Regional Education program offers convenience and accessibility to Delta College courses and assessment/placement testing.

OFF-CAMPUS ASSESSMENT/PLACEMENT TESTING

Procedures to register for an off-campus assessment test.

- a. Select the appropriate location, date, and time where you wish to be tested.
- b. Contact the Assessment Office (209-954-5534 or 209-954-5535) and state that you wish to register for an off-campus assessment.
- c. Have the following information available:
 1. Name
 2. Delta ID
 3. Phone number
 4. Site location where you wish to be tested
 5. Testing date
 6. Testing time

The deadline for registering for an off-campus assessment/placement test is two (2) days prior to the test.

Parking Information

Parking permits are required for on-campus parking except in marked 30 minute visitor spaces and free parking lots C4 and B3. There are two options which can be used:

Full Semester Permits: Semester long parking permits may be purchased in the Bookstore located in Danner Hall. Please note that student ID number is required when purchasing a semester permit.

One Day Use Permits: Daily permits can be purchased for 50 cents from dispensers located at various points within the parking lots. Daily permits must be displayed on the vehicle dashboard in an easily viewed area.

Parking permits are required for all vehicles, including those displaying handicapped plates and/or placards for special parking spaces. Please see section on "Parking for Disabled Students," for more information.

Vehicles will be ticketed commencing **August 28, 2008.**

Enforcement Hours. Parking permits are required 24-hours a day Monday through Thursday and Friday until 6 p.m. Parking is free on Friday after 6 p.m. and on Saturday and Sunday. All other vehicle codes are enforced 24 hours each day.

Notice: This is a contract. This contract limits Delta College's liability. Parking permits entitle the holder to the rental of space only. No bailment is created. San Joaquin Delta College District is not responsible for loss of, or damage to, the vehicle or any of its contents.

Free Parking Lots. The Board of Trustees has authorized free parking in parking lots C4 and B3. Spaces in these lots are available on a "first-come, first-served" basis. If no space is available in either of these two lots, other lots where permits are required must be used to park on campus. The fact that the "free lots" are full will not constitute a valid excuse for parking without a permit elsewhere on campus. Parking in lots C4 or B3 only waives the requirement to display a valid parking permit. All other traffic and parking regulations are enforced in these lots.

Parking for Students with Disabilities

Students who require handicapped parking will need to purchase a College Parking Permit from the Bookstore and apply for disabled person plates or placards at the Department of Motor Vehicles office 710 N. American Street. **Only vehicles with state issued "DP" plates or placards will be allowed to park in handicapped parking slots. All other vehicles will be cited. City ordinance requires a \$275 fine for such violations.** These vehicles are subject to the same parking fees/permit regulations as all other vehicles. Please see section on "Parking Fees" for more information.

DMV applications include a physician's certification. A service fee of \$6 will be charged for placards. For further information, contact your local DMV office. A campus map with the location and number of handicapped parking spaces is also available from the DSPS office, Cunningham 120 (209) 954-5330.

Policies

Attendance Regulation

Regular attendance in class and laboratory sessions is an obligation assumed by every student at the time of registration.

Regular attendance is necessary for satisfactory academic progress. Any student who fails to attend a class during the first three sessions of the class at the beginning of a term may be dropped unless the student has advised and obtained an absence approval from the instructor.

An instructor may dismiss a student from class when absences become excessive. See the Student Handbook for procedures concerning attendance irregularities.

Course Numbering

1-69 Baccalaureate courses, which are transferable to California State University (CSU) and the University of California (UC) are noted at the end of the catalog statement.

70-99 Non-baccalaureate courses may count for community college credit. Some courses do not count toward the associate degree and have the statement: "Units earned in this course do not count toward the associate degree."

100-199 Non-credit courses do not require Assessment/Placement testing. The student does not earn grades and no credit, and pays no fees.

A or T Apprenticeship and Trade Extension courses are preceded by the letter A or T and department designation. See apprenticeship/trade extension coordinator for registration information.

CAN California Articulation Number System is a state-wide system designed to identify the transferable, lower division courses commonly taught at the community college.

Grade Options

Every course in the College is placed, by the division/department offering it in one of the following grade categories:

- 0 Letter grade only
- 1 Credit/No credit
- 2 Letter grade only; No incomplete allowed
- 3 Letter grade or Credit/No credit
- 4 [NO GRADE] - Ungraded
- 5 Letter grade or Credit/No credit for out-of-term class
- 6 Letter grade only for out-of-term class
- 7 Credit/No credit for out-of-term class
- 8 Letter grade only; No incomplete allowed for out-of-term class

Open Entry/Open Exit

Open Entry/Open Exit simply means that students may enroll in classes throughout the semester and choose from more flexible time frames.

Advantages of OE/OE Courses:

- Work at one's own pace
- Set one's own schedule
- Work in a less stressful setting
- Complete more than one course a semester
- Individualized help available

For students who are motivated, able to follow instructions, and are trying to juggle multiple responsibilities, these courses provide the opportunity for college credit in a more flexible format. For examples, please refer to BIM 80 or CS 95 series courses.

San Joaquin Delta Community College

Student Right-to-Know Rates for Fall 2002 Cohort Completion Rate: 39.3 % Transfer Rate: 22.8 %

In compliance with the Student-Right-to-Know and Campus Security Act of 1990 (Public Law 101-542), it is the policy of our college district to make available its completion and transfer rates to all current and prospective students. Beginning in Fall 2002, a cohort of certificate, degree, and transfer-seeking first-time, full-time students were tracked over a three-year period. Their completion and transfer rates are listed above. These rates do not represent the success rates of the entire student population at the College nor do they account for student outcomes occurring after this three-year tracking period.

Based upon the cohort defined above, a Completer is a student who attained a certificate or degree or became 'transfer prepared' during a three year period, from Fall 2002 to Spring 2005. Students who have completed 56 transferable units with a GPA of 2.0 or better are considered 'transfer-prepared'. Students who transferred to another post-secondary institution, prior to attaining a degree, certificate, or becoming 'transfer-prepared' during a five semester period, from Spring 2003 to Spring 2005, are transfer students.

CAMPUS SECURITY

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act is the landmark federal law originally known as the Campus Security Act that requires colleges and universities across the United States to disclose information about crime on and around their campuses. Because the law is tied to participation in federal student financial aid programs it applies to most institutions of higher education both public and private. It is enforced by the U.S. Department of Education. To view this information, visit the Delta College Campus Police web site at: deltacollege.org/dept/police/statistics.html or contact Campus Police at (209) 954-5000.
