

EVALUATION REQUEST FORM - GENERAL INFORMATION

San Joaquin Delta College - Evaluations Office
5151 Pacific Avenue
Stockton CA 95207

Evaluators Email:
evaluations-followup@deltacollege.edu
Fax: 209-954-3769

Please read all of the following before submitting this form. Incomplete forms will be returned.

What is an evaluation?

An evaluation of your coursework will show how coursework done at other U.S. regionally-accredited colleges will be accepted at Delta College. The more common prerequisites can be posted to your record to help you with registration. You will receive a summary page for each transcript we have on file for you. All other transcripts from other colleges must be on file BEFORE you request an evaluation. The summary form(s) will be emailed to your student email address. You can then use these to complete any degree or certificate checklist to determine your progress.

Please note: evaluations are not intended for those students who have coursework at Delta only.

Other college(s) transcripts:

All official transcripts from any U.S. college at which you earned credit for any lower-division courses must be on file **OR** submitted with this evaluation request. An official transcript is one that is still in the unopened envelope as issued by the college attended. Opened transcripts will NOT be accepted nor evaluated.

Course descriptions:

Course descriptions **MUST** be submitted for all lower-division coursework for which you received a grade or credit at a **private** or **out-of-state** college, or for any courses for which the name or number has changed since the course was taken. A course description is the short statement in the college catalog which describes the course. The descriptions need to be from a catalog of the year that the courses were taken. Course descriptions can be obtained by checking the college's website or **www.collegesource.org**, or by contacting the college directly. You should have the course descriptions sent to you so that you may make a copy before you submit them.

Delta ID and Student Email:

You must have an active **Delta** ID as well as a **Delta** student email address. These are given shortly after an application is put on file. All correspondence is sent to your Delta student email.

Foreign college's transcript(s):

San Joaquin Delta College does NOT evaluate foreign transcripts nor give credit for foreign coursework.

Military Credit:

Submit your DD 214 to Delta's Veterans Office for possible credit for your military training.

AP/CLEP/IB Exams:

You may be able to use these exams toward a degree. The official transcript with test scores must be on file and you must submit a petition to use them.

Important Notes:

Evaluations can take a minimum of 10-15 weeks.

Evaluation results will be emailed to your Delta email address when it has been completed.

Please note that all holds must be cleared before the evaluation can be released.

Radiological Technology Program:

Prerequisite verifications are done by the Program Director, Jerrold T. Camara at (209) 468-6236 or email at jcamara@sjgh.org

- 9) _____
- 10) _____

Important!

Evaluations are not intended for those students who have Delta coursework only. An evaluation is done to show how associate degree or certificate applicable coursework completed at other U.S. regionally-accredited college(s) will be accepted at Delta. All other official transcripts and any required course descriptions must be on file BEFORE submitting this request or included with it. Evaluation results are sent to your Delta College student email address so you must have an active application on file.

What's next?

Once an evaluation of your other transcript(s) has been done, you will receive a "Transcript Evaluation Summary" form for each transcript. This form will show how Delta will accept each associate degree or certificate applicable course that you have completed. The summary will also show the total units accepted as well as the GPA for each transcript.

Once you have the summary forms - you should then go to our webpage at www.deltacollege.edu. Click Admissions > Admissions Office>Evaluations>Evaluation Forms. You will see the link for "Degree & Certificate Checklists". Go through these for the checklists that interest you. You can then plug in the classes to see your progress.
