

#GIVINGTUESDAY™

Happy Holidays to the Delta Family from APIASA!

For the 29th year, Delta's Asian Pacific Islander American Staff Association (APIASA) is continuing to do our best to provide our AAPI students access to higher education through monetary scholarships. Many of our AAPI students are among some of the most economically disadvantaged/low-income students at Delta College.

Each year, APIASA sponsors cultural performances to recognize Filipino-American History Month and observances of the Hmong, Cambodian, Vietnamese, and Chinese New Year celebrations. Our students work tirelessly at these events, selling tickets and organizing food fundraisers that have

featured adobo plates, banh mi sandwiches, and teriyaki bento boxes to raise money for our scholarships!

Sadly, these events can no longer occur in a COVID-19 environment, and this has been a challenging year for APIASA's ability to support our students' educational goals.

On this Giving Tuesday, we humbly ask you to consider making a one-time donation so that our annual awarding of scholarships can continue. Every dollar you contribute goes 100% to our student scholarships and is tax deductible. We also host a spring banquet every May to recognize the accomplishments of our students and thank our donors and community partners. While we are unsure of whether that event will proceed, know that your generosity will go a long way in making our students' dreams come true!

Additionally, you may also consider donating through a monthly payroll deduction. If all Delta employees contributed \$5 a month (the price of a Venti Latte at Starbucks), all our annual awards would be easily sustained.
