What's New? Spring 2007

New Add Procedure!!

Once the semester begins, you can add a class that has already started from your computer by using our New Add Procedure. Log in to Online Registration and do the following:

- Enter the five digit course code and hit the ADD COURSE CODE button. (This is located at the bottom area of your Spring Class Schedule.)
- You will receive a message saying ***"Class has already started"*** and will be given the option of selecting the ***"Put me on the Waiting list"*** button.
- When you are successfully added to the Wait List, you get a message saying, ***"You have been added to the Waiting List for Class Code XXXXX."***

Once you've been added to the Wait List be sure to **ATTEND THE NEXT CLASS MEETING AND REQUEST PERMISSION FROM THE INSTRUCTOR TO BE ADDED TO THE CLASS FROM THE WAIT LIST.**

If you experience difficulty adding to the Wait List, please click the LIVE SUPPORT button at the top of the registration screen or call the Registration Operator at 476-7901 during regular business hours.

NOTE: The student must be eligible for the class before being placed on the waiting list. This means that the student must have met the class prerequisites and not be enrolled in a class which conflicts in time with the one that is being requested.

Delta College proudly announces Delta College ID Numbers!

Delta College now uses Delta Identification Numbers to identify students. Find out your Delta ID number by logging into Online Registration. You will need to know your Delta ID number to add or drop classes. Bookmarks to record your Delta ID are available in Guidance and Counseling, Admissions and Records, Financial Aid and the E-services lab.

Online Payments

Pay your fees online by logging into Delta's Online Registration webpage and clicking on "Pay Fees." Acceptable credit cards are Visa and MasterCard. For more information, check the Delta College website.

Online Application – Need Help??

Admissions & Records has a new helpline for students who need assistance completing the online application. Assistance is available in English or Spanish by calling 954-5725.

We're Wireless!

Delta College, in partnership with AT&T Wireless, offers free access to our website through wireless hubs that have been installed in the following locations on campus:

- Goleman Library
- Cunningham Lounge
- Locke Lounge
- Danner Hall
- The Quad

KNOW YOUR CATALOG RIGHTS

Catalog Rights are the privilege of retaining course and program requirements needed for graduation as listed in the College Catalog at the time of initial enrollment in college.

To retain Catalog Rights, a student must maintain continuous enrollment through the completion of requirements for graduation. Continuous enrollment is defined as earning college credit in at least one semester during an academic year without interruption of progression.

An academic year begins with the Summer Intersession and includes the following fall and spring semesters.

Catalogs are available "online"
(www.deltacollege.edu)
and at the Delta College Bookstore.

APPLICATION AND ADMISSION INFORMATION

Five Easy Steps for New Students

STEP 1: ADMISSION

Individuals who have never attended San Joaquin Delta College and those students who have not attended for more than one semester must apply online for admission to the College before enrolling in classes. Online applications may be completed in the Student e-Services Lab, located in Goleman, Room 128 on the Stockton Campus; the Tracy Center, 1895 W. Lowell Avenue, Tracy, or by accessing the Delta College Web site at www.deltacollege.edu. findaid.deltacollege.edu.

STUDENT EMAIL ACCOUNTS

Within 24 hours after processing your Application for Admission, a student e-mail address is assigned to each new student. All correspondence from Admissions & Records and Financial Aid, as well as other important campus information, is e-mailed to students at their Delta College e-mail address.

To find your student e-mail address, please:

- Log into "Online Registration" from the Delta College homepage. Your log on is your social security number, or Delta ID number and your password is your date of birth entered as *mmddyy*.

If you get a message that says, "We were unable to validate your login OR it has been too long since your last interaction," that means your Application for Admission has not yet been processed. For questions concerning your Application for Admission, please contact, admissions@deltacollege.edu or call the application Help Desk at 954-5725.

- Under the "Welcome" information, your new student e-mail address appears. It will be the first initial of your first name followed by your last name and three randomly assigned numbers. This is followed by "@students.deltacollege.edu." For example, John Smith might be assigned the following address: jsmith321@students.deltacollege.edu.

You can access your student e-mail account from the Delta College homepage by selecting "Check Mail." Your *login* name for student e-mail is the information in front of the @ sign. For example, John Smith's *login* name would be "jsmith321." Your password is your date of birth entered as *mmddyy*.

- To protect the confidentiality of your student records, it is highly recommended that you establish a Personal Identification Number (PIN) when you log into Online Registration. The PIN you establish will change your password for logging into Online Registration AND student e-mail.

When you establish a PIN for Online Registration, the new PIN works immediately. However, for student e-mail, it will be active the next day after you've created it.

For assistance with log in problems, please contact emailhelp@deltacollege.edu.

STEP 2: ACADEMIC ASSESSMENT/PLACEMENT

The purpose of academic assessment at San Joaquin Delta College is to ensure that each student's educational experience at Delta College is productive and rewarding. Delta recognizes that a student's time is valuable and that it is important for each student to enroll in courses for which he or she is prepared. Assessments are offered during the day and evening before classes start and throughout the term. A student cannot fail the assessment. The assessment measures a student's skills in reading, English, and mathematics (applications and computation). The results will help with placement in courses appropriate to each student's academic levels.

ACE (Assessment-Counseling Express) includes a mini orientation (90 minutes) at the end of each scheduled assessment. This session provides important information on the results of the assessment, registration processes, the schedule of classes, and other key resources. Counselors will also share information on Step 3, Orientation and Course Planning. It is anticipated that in January, 2007, an electronic version of the ACE will be available for students who would prefer the computer based assessment/orientation option. For more information, contact the Assessment Center or Guidance Office.

WHO NEEDS ACADEMIC ASSESSMENT?

All students enrolling for the first time are required to be academically assessed. Some returning students may need to participate in the assessment process to meet specific course and/or program prerequisites (See, "WHO IS EXEMPT FROM ASSESSMENT?"). Students usually choose from one of two programs: (1) The Assessment/Placement (A/P) program is designed for English as a first language students and for ESL students with a high school diploma from the USA. (2) The English as a Second Language (ESL) program is designed for ESL students who do not have a high school diploma from the USA. Both the A/P and ESL programs are approximately 3 hours in length and consist of a skills test and orientation. The A/P and ESL assessments may be taken once only; however, sections of the test may be retaken. For assessment dates/times, contact the Academic Assessment Center or Admissions Office. (See page 8 for reading, English, and ESL course placements.)

WHO IS EXEMPT FROM ASSESSMENT?

There are a number of ways to qualify for an exemption from assessment. Please note, however, that some courses and/or programs may have specific skill prerequisites where exemptions do not apply and assessment is required.

A student may be exempted from assessment if he/she has:

- Earned a college degree from a regionally accredited college or university in the USA — *indicate on application for admission and provide copy of degree or official transcript to Admissions Office.*
- Completed intermediate algebra AND college-level English composition at another regionally accredited college or university in the USA with a grade of "C" or better — *provide official transcript to the Admissions Office.*

- Decided to enroll in Level I basic skills course(s) in reading, English, and mathematics only.
- Decided to exercise a "one course waiver" in a course with prerequisite, "none." A student may subsequently enroll in one course per term, provided that the previous course to which the waiver applies was passed with a grade of "C" or better.
- Has an alternative assessment from other colleges that are provided to the Assessment Center, Goleman 122.

RETAKES AND THE APPEALS PROCESS

A student who thinks the A/P or ESL assessment did not measure his or her skill levels correctly may request a retake. Please contact the Academic Assessment Center, Goleman Rm 122, for information regarding the retake. Further appeals may be made through the Admissions and Records Office, Holt 101.

For further assessment information, contact the Academic Assessment Center, (209) 954-5535, Goleman Rm 122 or visit the assessment web site www.deltacollege.edu/dept/assess.

STEP 3: ORIENTATION AND COURSE PLANNING

All new students are encouraged to enroll in a .5 unit orientation class. Guidance 11 is a one day, 8 hour orientation class which provides new students with critical information on certificate, degree and transfer requirements. The instructor/counselor will also assist students in the development of a first semester course list. Additional information on key resources, including Financial Aid, is also provided. Information on available sections is shared at the ACE sessions (Step 2), the counseling web site (www.deltacollege.edu/dept/guidance) or by calling (209) 954-5650. It is anticipated that an online Guidance 11 session. Please consult the Guidance section of this schedule of classes.

For continuing students, counselors are available to provide full Student Education Plans. The Guidance and Counseling Office is open Monday, Thursday and Friday from 8 a.m. to 5 p.m.; Tuesday and Wednesday from 8 a.m. to 7 p.m.

STEP 4: FINANCIAL ASSISTANCE

Inquire about eligibility for a fee waiver and financial aid in Holt 101, or complete the Board of Governors Enrollment Fee Waiver Application. Application materials and program information can be found on the financial aid web site—findaid.deltacollege.edu.

STEP 5: REGISTRATION

Registration means enrolling in courses. An online application for admission and assessment testing, if necessary, must be completed prior to registration. A student may register for classes on or after his or her scheduled appointment time, but not before. See the registration calendar for registration information, dates and times. Registration may be done via the STAR system (209) 476-7997 or online at www.deltacollege.edu.

FINANCIAL AID — Help for College Costs

Financial aid is designed to help meet direct educational expenses including tuition, books, supplies, transportation, and related living costs, and is available to eligible students in the form of grants, student loans, and employment programs. Dollar amounts for individual aid programs vary from a minimum of \$200 to a \$4,050 maximum. Eligible students are usually awarded a financial aid "package," which includes funding from a combination of aid programs.

Applications for the 2006-2007 academic year are available until June 15, 2007. Applications for 2007-2008 academic year are available in early January with a March 2, 2007, priority deadline; however, students may apply at any time during the academic year. Applications are processed in the order received, and funds are awarded on a first-come, first-serve basis.

HOW TO APPLY:

Each financial aid program has varying eligibility criteria and varying dollar awards. Students must:

1. Pick up an application packet in the Admissions, Records and Financial Aid Office, Holt 101. Each packet will include applications and information for completing a student financial aid file.
2. Complete the Free Application for Federal Student Aid (FAFSA) and mail it in the envelope attached to the application, or file an online application at www.fafsa.ed.gov. Financial aid application workshops are offered in the e-Services Lab, located in Goleman 128. For workshop dates and times please check the Delta College Web site. California residents may also apply for the Cal Grant Program. In addition to the FAFSA, Cal Grant applicants must complete an additional form by March 2. However, there is a "2nd Chance" Cal Grant deadline of September 2.
3. Complete and return all other documents to Delta College's Financial Aid Office, Holt 101.

Please Note: The process for determining eligibility can take an average of two to four weeks. The sooner a student applies, the sooner qualification can be determined.

SCHOLARSHIPS

Scholarships are awarded each year to students by local donors. Transfer and non-transfer students are eligible to apply from January through March 2nd for awards made in late June. Selection criteria vary, but may include financial need, academic achievement, or personal qualifications.

ENROLLMENT FEE ASSISTANCE: BOGW FEE WAIVER

The State of California has provided an assistance program to waive the enrollment fee for low income students. Students who are California residents may qualify for a fee waiver through the Board Financial Assistance Program by one of the following three methods:

METHOD A: If the student receives ONE of the following forms of public assistance:

• TANF RECIPIENTS

TANF Warrant or check issued in the student's name (or the parent's name) for the same month in which the student files

this application or one month before - OR

Agency Certification - Untaxed Income Form. May be obtained from the Financial Aid and Veterans Services Office and must be completed by the Human Services Agency.

• SSI RECIPIENTS

MEDS Card (Medical Eligibility Data System) or copy of the SSI check. Request from the Medi-Cal Unit of Human Services.

DECEASED/DISABLED VETERAN'S DEPENDENTS OR NATIONAL GUARD DEPENDENTS may also qualify for a fee waiver: Certification is provided by the California Department of Veterans Affairs or Student's County Veterans Service Office—OR Fee Waiver certification provided by the California National Guard Adjutant General's Office.

METHOD B: A BOG Fee Waiver (BOGW) Method B may be awarded to low-income students. Qualification is based upon the student's (or parent's) income and household size. Colleges may ask the student to provide documentation of income, such as a copy of the 2005 U.S. Income Tax Return. Students are required to provide documentation if it is requested.

METHOD C: A BOG Fee Waiver (BOGW) Method C may be awarded to financial aid applicants who are California residents and who have applied and show financial need through the processed FAFSA application.

For fee waiver applications, please contact the Financial Aid Office in Holt 101, or download an application from the Financial Aid website: finaid.deltacollege.edu.

LOANS

The Federal Family Education Loan Program offers educational loans from local banks and lending institutions ranging up to \$2,625 for dependent, first-year students and \$3,500 for dependent, second-year students. Independent students may borrow up to \$4,000 per year. These loans must be repaid with interest. Program participants must maintain continued eligibility and must remain enrolled in at least six units throughout the fall and spring semesters. Students dropping below half time will automatically be placed in a repayment status.

To apply for a federal loan, students must first file a completed FAFSA. After the FAFSA application has been completed and verified, applicants must then sign up for a scheduled Entrance Counseling Session. There the student will receive further information, including a list of banks and lending institutions and application materials.

EXTENDED OPPORTUNITY PROGRAMS AND SERVICES

EOPS also provides financial aid and economic services for qualified economically challenged students. See "Services Available to Students on page 135."

Do You Need Money for College?

Act Fast and You Could Receive a Cal Grant Cash Award of up to \$1,551!

The Cal Grant Deadline is March 2nd!

To apply you must:

1. Be a California Resident and attend a California College.
2. Submit a 2007-08 Free Application for Federal Student Aid (FAFSA) by March 2nd. To apply online, go to finaid.deltacollege.edu or pickup a FAFSA in Holt 101.
3. Submit a GPA Verification Form* to the California Student Aid Commission. These forms are available in the Financial Aid Office.

***Note:** In most cases, we may be able to transmit your Delta College GPA electronically to the California Student Aid Commission. Students whose GPAs have been electronically submitted will be notified by e-mail at their Delta College e-mail address.

Find out more about this and other financial aid opportunities.

Stop by the Office of Financial Aid and Veterans Services (Holt 101), or visit our web site: finaid.deltacollege.edu, or call us, (209) 954-5115.

How to Register Online

www.deltacollege.edu

- STEP 1** Click Online Registration.
- STEP 2** Read all information and instructions carefully. To protect confidentiality, it is best that each student conduct his/her own registration.
- STEP 3** LOG-IN: Enter the social security number or Delta ID number and birthdate or PIN (Personal Identification Number).
- STEP 4** Click the Log-In button. If the password is correct, the registration screen will appear.
- STEP 5** Select the desired registration term.
- STEP 6** To add/register for a course: Enter the five digit course code in the add course section and click the add button. The course code is located in the *Class Listing* Section of the Schedule of Classes.
- To add to a wait list: If the class is full and space is still available on the wait list, click the "put me on the waiting list" button located at the top of the page. (If the wait list is full, make another selection.)
- To drop/disenroll from a course: Click the drop button next to the course you wish to drop.
- STEP 7** Log-Out: To end registration, click the log out button.

How do I register for an Internet course?

Enroll as you would for other classes. Once registration closes, follow the New Add Procedure noted on Page 2. Your enrollment will be granted based on space availability and meeting the course prerequisite(s).

If I'm on the waiting list, how do I enroll in the class?

Students on the waiting list for Internet courses should e-mail the instructor using their Delta College student e-mail address to request enrollment in the course. Include your name, Delta I.D. number, course code, and confirm that you would like to be moved from the wait list to full enrollment. You'll be moved from the wait list to full enrollment on a space available basis. E-mails missing the required information cannot be processed. A response will be sent to your Delta College e-mail account.

To find your student e-mail address, refer to page 5 under Step 1: Admissions/Student E-mail Accounts.

How do I find an instructor's e-mail address?

Instructor e-mail addresses are generally assigned in the following manner—the initial of the instructor's first name followed by the last name @deltacollege.edu. For example, john smith's e-mail address would be jsmith@deltacollege.edu. You may also contact the College operator at 954-5151.

How do I add if the class and the wait list are full?

Students who are not on the waiting list but are interested in adding an Internet course should e-mail the instructor using their Delta College student e-mail address to request access to the class wait list. Include your name, Delta I.D. number, and course code. A response will be sent to your Delta College e-mail address.

Once access is granted, log into Online Registration and place yourself on the wait list using the new Add Procedure noted on Page 2.

Should I do anything before class(es) start?

Yes! Check the "Online Classes" information and:

- Review the Technical Requirements for Internet Courses.
- Familiarize yourself with the Sample Class information.
- Carefully review Frequently Asked Questions.
- Get class materials, including the textbook, in preparation for your first login.
- Identify the platform on which your class is taught.

* Oftentimes the course outline and specific log in instructions are included with the textbook.

How do I identify the platform on which my class is taught?

Internet classes are taught from several different platforms. To identify the platform for your Internet class, you must log into "Online Classes" from the Delta College homepage. Sign on with your Delta College I.D. number and date of birth entered as mmddyy. Each Internet class in which you are enrolled shows the "platform" on which it is taught.

Courses taught on e-College and ETUDES can be accessed by clicking on the course code. Login instructions for courses taught on "other" platforms are provided directly from the instructor. Please note that textbooks for classes taught on "other" platforms must be purchased prior to attempting login because the class materials contain codes required for login.

After registering, how do I know when to log in to my class?

The actual course material will not be available until the first day of class.

What is my login?

Classes taught on e-College or ETUDES platforms are accessed by using your Delta College I.D. number as the login. The password is the date of birth entered as mmddyy unless a PIN has been created. If you have created a PIN through online registration, the PIN is your password. Do not confuse your student e-mail login information with online class login. They serve two separate functions. Classes taught on "other" platforms are accessed by using codes provided in the course textbook and from the instructor.

To find out what your Delta College ID number:

1. Log on to the registration system as you normally would. You will see that you have the option of using your Delta ID number or your social security number. Use your social security number for the first log in.
2. Enter your password beneath the SSN block. Note that the password is the same for both types of log ins (Delta ID or SSN).
3. Once you have logged on, you will see the normal greeting with your name. Just below this, you will find your Delta ID number.

Please write down your Delta ID number and use it to access your records in the future.

What do I do if I'm having trouble logging on?

Assistance with login problems is provided in several ways. You must first identify the platform upon which your class is taught. Once you identify it, click on the related link for that platform. Specific platform information is listed below:

e-College Platform

You may request help from the Delta Online Helpdesk for technical problems. Questions concerning class assignments, due dates, etc. should be directed to the instructor. Contact information is available from the "Online Classes" link from the college homepage. E-mail the help desk at helpdesk@deltacollege.edu or phone (303) 873-0005.

ETUDES and ETUDES NG Platforms

You may request help from the Etudes Online Helpdesk for technical problems. Questions concerning class assignments, due dates, etc. should be directed to the instructor. Contact information is available from the "Online Classes" link from the college homepage. Follow this link to the help desk website: <http://otrs.deltacollege.edu/otrs/customer/pl> or phone (209) 954-5840.

Publisher Platform(s)

You must first purchase the textbook. Part of your login information is contained in the class materials. Without that information, you will not be able to login. Then you must check your student e-mail. Your instructor will provide login information at your student e-mail address. If you are still having problems logging in after you have read the instructor's e-mail and purchases the textbook, you must contact your instructor via e-mail.

Do I have to login the first day of class?

It is highly recommended that you log in on the first day of class.

Will my Internet instructor contact me?

Some Internet instructors contact their students via e-mail. Some do not. If you have not heard from your instructor by the first week of class, you should login and begin working. If you are having any problems, contact your instructor by e-mail for assistance.

HOW TO ADD/DROP A COURSE

ADD: There are two methods for adding classes:

Wait List Add Procedure: Log in to Online Registration and do the following:

- Enter the five digit course code and hit the ADD COURSE CODE button. (This is located at the bottom area of your Spring Class Schedule.)
- You will receive a message saying "*Class has already started*" and will be given the option of selecting the "*Put me on the Waiting list*" button.
- When you are successfully added to the Wait List, you get a message saying, "*You have been added to the Waiting List for Class Code XXXX.*"

Once you have been added to the Wait List be sure to **ATTEND THE NEXT CLASS MEETING AND REQUEST PERMISSION FROM THE INSTRUCTOR TO BE ADDED TO THE CLASS FROM THE WAIT LIST.**

Instructor Add Memo Procedure: Attend the class on the first day to request instructor permission to add the course. If permission is granted, complete the information requested on the Instructor Add Memorandum. This form will be available in class. The course will be added by the Admissions & Records Office within 24 hours of receipt of the Instructor Add Memorandum submitted by the faculty member. Students are notified via their student e-mail account when successfully added or when there is a problem that must be resolved.

Registration assistance is available by clicking the **LIVE SUPPORT** button at the top of the registration screen in Online Registration or by calling the Registration Operator at 476-7901 during regular business hours.

DROP: Use the STAR System or the Internet to drop a course. If a registration cycle is underway for a term other than the one for which you wish to drop a course, be sure to select option #2 (to select a term) before selecting option #5 to drop a course. If no registration cycle is underway for a term other than the one for which you wish to drop a course, select #2 (to drop course). Refer to refund policy.

Prerequisites, Corequisites, Limitations on Enrollment

Refer to the College Catalog for latest requisite changes and for Definition of Terms.

DECLARING EQUIVALENCY

Any student who does not meet a class pre or corequisite, but who believes that he/she has completed the equivalent of the course at another institution or through some other means, may seek entry into a class by filing a *Petition for Declaration of Equivalence*. The student will be allowed to enroll in the class if space available, pending the disposition of the petition. Petitions are available in Holt 101.

CHALLENGING PRE/COREQUISITES

A student may challenge a pre/corequisite by obtaining a petition from the Admissions and Records Office, Holt 101. The completed petition, along with supporting documentation, should be submitted to Holt 101 and will be reviewed by the Matriculation Appeals Committee. This committee's decision will be final.

Refer to College Catalog for:

- Grounds for Challenge
- Appeals Process

Petitions and Documentation

- All petition forms can be picked up and submitted to the Admissions and Registration Office, Holt 101.
- Students are responsible for providing completed petitions and all supporting documentation.

HELPFUL HINTS for REGISTRATION

- ✓ Students must be admitted to the College and have met the assessment test requirements prior to registration. A registration appointment is required to use the STAR system and online registration except during open enrollment and after the term has begun.
- ✓ To obtain registration appointment information, call (209) 476-7997, or access the college web site: www.deltacollege.edu.
- ✓ To protect confidentiality, it is best that each student conduct his/her own registration.
- ✓ Be prepared for registration. A first choice may be full. Therefore, select two or three more sections of the same course before registering.
- ✓ Use only a touchtone telephone to access the STAR system. Use any computer with Internet capability to access the online registration system: www.deltacollege.edu.
- ✓ All administrative and/or academic holds that prevent enrollment must be cleared prior to registration. To check holds, view the academic history available in the online registration and contact the appropriate office.
- ✓ The registration system will prevent time conflicts, multiple registrations in the same course, and placement on multiple waiting lists.
- ✓ Maximum unit enrollment prior to the beginning of the fall or spring term is **18 units** and summer is **9 units**. Additional units may be added after the term begins.
- ✓ During registration, open class lists are available in the Counseling Office, Danner 205, and on the College Web site: www.deltacollege.edu.
- ✓ If the telephone or online registration systems are busy, the best times to access the systems are Monday - Thursday 6 p.m. - 9 p.m., Saturday and Sunday, 8 a.m. - 9 p.m.
- ✓ After a student's registration appointment has passed, courses can be ADDED or DROPPED as often as necessary while the registration system is available and after fees have been paid.

HOW TO GET GRADES

Student Telephone Assisted Registration (STAR)

To protect confidentiality, it is best that each student obtain his/her own grades. Listen carefully to the voice response which will explain the process.

- STEP 1** Call (209) 476-7997
- STEP 2** Enter social security number or Delta ID number using nine digits.
Example: 123 45 6789. Press 1 if correct, press 2 if incorrect. If incorrect, enter Delta identification number again.
- STEP 3** Enter birth date or PIN (Personal Identification Number) using six digits.
Example: 01 01 76. Press 1 if correct, press 2 if incorrect. If incorrect, enter birth date or PIN again.
- STEP 4** PRESS 5 to select the term for which grades are desired.
- STEP 5** PRESS 3 to hear grades.
- STEP 6** PRESS # to exit the touch-tone registration system.

OR Online www.deltacollege.edu

- STEP 1** Click Online Registration.
- STEP 2** Read all information and instructions carefully. To protect confidentiality, it is best that each student obtain his/her own grades.

Reading, English Composition Requirements

English Composition

Students are strongly urged to enroll in the appropriate English composition class as soon as possible.

COMPOSITION

Level III	ENGLISH 1A
Level II	ENGLISH 79 (Prepares for entry into ENG 1A and satisfies the Associate Degree requirement.)
Level I	ENGLISH 70 (Prepares for entry into Eng 79 or Eng 87 with successful completion.)

Reading

Students who place at Level I in reading and wish to enroll in a course with a corequisite of reading must enroll in reading. Students who score Level I in reading and wish to enroll in a course with a prerequisite of reading Level II must reach Level II before they will be allowed to enroll.

READING

Level I	READING 98 and READING 90 or READING 91 A, B, C, D, E, F or READING 97A-I
----------------	--

English As A Second Language (ESL)

ESL students who do not have a United States of America high school diploma and foreign students will be placed based upon an ESL assessment. ESL students who do have a United States of America high school diploma may either use the ESL assessment or the reading section of the assessment/placement assessment and the reading requirements above.

ESL (Fulfills the Reading requirement)

Level I	ENG 86 G ENG 85 program ENG 84 program ENG 83 program ENG 82 program ENG 80/81 program
----------------	---

Level II and III courses are Associate Degree appropriate. Level I courses do not count toward the Associate Degrees. Students who believe their initial assessment levels are incorrect may request a retake or apply for review through the Appeal Process. Appointments for retake may be arranged through the Assessment Center in Goleman 122, (209) 954-5535. Appeals may be made through Admissions and Records Office, Holt Center 101.

PRIORITY REGISTRATION SYSTEM

The objective of priority registration is to give preference to students based on the variables listed below. The priority system gives a "weighted count" to each student. This is calculated automatically at the time a student is assigned a registration appointment.

Priority registration appointments are based on the following factors:

<p>1. Number of Delta AA-Appropriate Units Completed:</p> <p>00 - 15 = +1 16 - 30 = +2 31 - 45 = +4 46 - 60 = +6 61 - 75 = +8 76 - 90 = +5 91 - 100 = +3 101 - 110 = +1 More than 110 Units Completed = 0</p>
<p>2. Highest Degree Earned or Eligible for: Lower Priority will be assigned to students who have received a BA/BS or higher degree at any accredited institution: BA/BS Degree = -1</p>
<p>3. Declared Goal: Priority for declaration of an AA/AS, transfer, certificate, or retraining as one of top four educational goals = +1</p>
<p>4. Assessment Requirements Met: Priority for completion of the Matriculation Assessment requirements = +1</p>
<p>5. Cumulative Grade Point Average (GPA): Priority for cumulative Grade Point Average (GPA) of 2.0 or greater over a cumulative GPA below 2.0. Additional priority for a cumulative GPA of 3.0 or greater GPA will be based on AA/AS Degree - applicable courses and priority for GPA will be given only to those students whose GPA is based on 15 or more units: 2.0 to 2.99 of AA/AS units = +1 3.0 or better of AA/AS units = +2</p>
<p>6. Student Education Plan Completed: Preference will be given to students who have filed a Student Education Plan (SEP) = +1</p>
<p>7. Academic Rehabilitation: Priority for completion of the rehabilitation process = +1</p>
<p>8a. Progress Probation: Lower priority if more than 50% of grades are "W", "I", or "NC" in consecutive semesters. Two consecutive semesters = -2 Three consecutive terms = -3</p>
<p>8b. Academic Probation: Lower priority for students who are recorded as being on academic probation = -1</p>
<p>9. Guidance Orientation and Study Skills Classes: Priority will be given to students who complete any of the following guidance/orientation or study skills courses: GUID 10, 11, 12, 14, 16, 75, 75A, 85 or English 33A = +1 Priority will be given to students who complete a Guidance 100 course. This priority will be given only for the first semester after the credit has been recorded = +1</p>
<p>10. Registered EOPS Student In Good Standing = +1</p>
<p>11. Identified Veteran or Verified Veteran Dependent = +1</p>

COLLEGE FEES

Enrollment Fee:

An enrollment fee is charged for all credit courses. This enrollment fee is not established by Delta College. This fee is approved by the California State Legislature. **All fees are subject to change without notice.**

California Residents:

Students who are California residents will be charged **\$20 per unit** regardless of the number of units. (e.g., 3 units = \$60, 12 units = \$240, etc.) Enrollment fees charged for courses with fractional unit value shall be rounded to the nearest dollar.

Non-Resident Tuition:

Non-resident students, those from other states or foreign countries, will be charged **\$160 per unit for tuition, plus \$20 per unit enrollment fee.**

A student who has recently moved to California, or moved from California and returned, should check the specific residency requirements which are described in the College Catalog and on the College Web site: deltacollege.edu.

U.S. citizens, permanent residents, undocumented persons, and persons holding a visa which allows for the establishment of residency may qualify for an Exemption from Nonresident Tuition if the following criteria is met:

- Three years of attendance in a California high school (documentation required).
- Graduation from a California high school or award of G.E.D or C.H.S.P.E. in California (documentation required).
- Application to INS for change of status (if applicable).

There are a number of fee exemptions that are available. See the information on Financial Aid Web site: www.finaid.deltacollege.edu.

Non-Resident Classification:

A student, previously classified as a non-resident may request a review of his/her residency status by filing a Residency Reclassification Petition in the Admissions and Records Office located in Holt 101. Written documentation is required to support a reclassification request.

Residency Reclassification Petitions must be submitted prior to the semester for which reclassification is to be effective. Extenuating circumstances may be considered in cases where a student failed to petition for reclassification prior to the residency determination date. Students may file Residency Reclassification Petitions through the third week of the semester to request a review of their residency status if extenuating circumstances exist. The residency determination date is the day immediately preceding opening day of instruction for any session the student proposes to attend. Final residency determination is made by the Director of Admissions & Records.

Student Representation Fee:

The Student Representation Fee of **\$1.00 per semester** will provide support for students or representatives who state positions and viewpoints before the city, county, and district governments, and before offices and agencies of the state and federal government. A student may, for religious, political, financial, or moral reasons, decline to pay the \$1.00 fee.

Credit by Examination:

A fee equal to the per unit fee will be paid in advance to the Cashier's Office upon approval of the credit by exam petition.

Parking Permit Fee:

Parking permits are required for on-campus parking except in marked 30 minute visitor spaces and free parking lots B2 and B3. Parking permits may be purchased in the Bookstore. Vehicles will be ticketed commencing **January 30, 2007.**

Parking Fees*	Semester Fee	Summer Fee
Automobiles/Trucks	\$20	\$10
Two-wheeled Motor Vehicles	\$16	\$ 8
Bicycle Lockers**	\$10	\$ 5

*Parking fees may be increased due to actions of the state.

**Bicycle lockers require \$5 lock deposit.

Please note that your ID number is required when purchasing a semester permit at the Bookstore.

Payment of Fees:

Fees are due at the time of registration and payments should be mailed to the Admissions and Records Office (5151 Pacific Ave. Stockton, CA. 95207) by calling the STAR System (209) 476-7997 or by logging into "online registration." Credit Card payments are not available in the Admissions & Records Office. Access to student records and future registration is prohibited until fees are paid in full.

Refund Policy:

If a student drops a class or withdraws from San Joaquin Delta College, the student is not necessarily entitled to a refund. Refunds will be given for classes dropped by the published deadlines. For late-starting and short-term classes, see the refund date printed in the Schedule of Classes or on the student registration receipt. Refunds are subject to a **\$10.00 processing fee.**

•Procedure for Requesting Refunds:

1. Obtain a "Refund Request" form from the Admissions & Records Office, Holt Room 101 or from the Delta College Web site (Student Resources-A & R Forms).
2. Submit the completed "Refund Request" form to the Admissions & Records Office, Holt Room 101. For parking permit refunds, attach the unused parking permit to the "Refund Request" form. Parking permit refunds will be granted only if all classes are dropped no later than the published refund date.
3. All "Refund Request" forms must be submitted and received no later than the final date to qualify for a refund. (Qualifying date is generally two weeks after the refund date.)
4. Refunds are processed by the Business Office. All disbursements will be mailed.

Limitation on Enrollment

A condition of enrollment, which limits how students qualify for a particular program. Limitations apply to courses that include public performance or intercollegiate competition where a tryout or audition is necessary. Some courses require formal admission to a particular program in order to enroll (e.g., Apprenticeships, Associate Degree Nursing, Caterpillar Dealer Service Technology Apprenticeship, Fire Academy, Peace Officer Academy, Psychiatric Technician, Radiologic Technology, Speech-Language Pathology Assistant, and Vocational Nursing). Refer to the College Catalog for more information.

Refer to Catalog for specific requirements of the A.S. Degree Majors.

Certificate Programs

This section includes all certificates offered currently by San Joaquin Delta College. The certificates are designed to provide applied training in specific occupational areas that will prepare students with employable skills in the prescribed certificate area. The certificates are recognized favorably by business and industry, and they are often required for job classification advancement. Refer to the 2005-06 Catalog for changes effective Summer 2005 (AP 4100.1).

Certificate Requirements

- A. Certificate of Completion (less than 18 units)
1. Completion of not less than the number of units of course work as listed in the college catalog.
 2. "C" or better each course in which the certificate is based.
 3. All units must be completed at San Joaquin Delta College.
 4. Units earned through Credit by Examination do not apply.
- B. Certificate of Achievement (18 units and over)
1. Satisfactory completion of not less than the number of units of course work as listed in each certificate description.
 2. "C" or better each course in which the certificate is based.
 3. The student must complete a minimum of 12 units or two-thirds of the certificate course work (whichever is the greater number) at San Joaquin Delta College from the requirements and within the specific subject matter areas in which the certificate is granted.
4. Units earned through Credit by Examination do not apply.
- C. Evaluation of Certificate Completion
1. The Registrar certifies that a student has completed the requirements for the certificate.
 2. The Discipline Group may waive a portion of the certificate requirement if the student has met the requirement in the alternate manner. Total unit requirements must be satisfied. Residency requirements cannot be waived.

Application Procedure for Certificates

1. During the completing semester of the certificate program, file the Application for Certificate form with the Evaluations Office (Holt 101).
2. Applications must be filed by the deadline date as announced in the College's Academic Calendar. The Academic Calendar is published in the College Catalog.

INTERSEGMENTAL GENERAL EDUCATION TRANSFER CURRICULUM (IGETC)

UC/CSU General Education Pattern

Completion and certification of the Intersegmental General Education Transfer Curriculum (IGETC) permits students to transfer from San Joaquin Delta College to a campus of either the California State University or the University of California without the need after transfer to take additional lower division general education courses to satisfy the campus' general education requirements. Students may also opt to fulfill the general education requirements by completing the specific lower division general education requirements of the school or college of the campus to which the student intends to transfer.

Both the California State University and the University of California have a specific American Institutions requirement that is separate from their general education requirements. Completion of the Intersegmental General Education Transfer Curriculum will not satisfy the American Institutions requirement. Associate Degree General Education Pattern

The Chancellor's Office for the California Community Colleges deems that the governing board of community colleges shall establish a general education program which symbolizes a successful attempt on the part of the college to lead students through patterns of learning experiences designed to develop certain capabilities and insights.

Among these are the ability to think and to communicate clearly and effectively both orally and in writing; to use mathematics; to understand the modes of inquiry of the major disciplines; be aware of other cultures and times; to achieve insight gained through experience in thinking about ethical problems; and to develop the capacity for self-understanding. In addition to these accomplishments, the student shall possess sufficient depth in some field of knowledge to contribute to lifetime interest.

General education is designed to introduce students to the variety of means through which people comprehend the modern world. It reflects the conviction of colleges that those who receive their degrees must possess in common certain basic principles, concepts and methodologies both unique to and shared by the various disciplines. College educated persons must be able to use this knowledge when evaluating and appreciating the physical environment, the culture and the society in which they live.

Important Date — April 13, 2007

COLLEGE CREDIT FOR HIGH SCHOOL COURSES

Students who have completed articulated courses in high school may receive college credit at San Joaquin Delta College. The College is committed to comprehensive articulation of instructional programs with both secondary and post secondary education institutions, usually referred to as "2 + 2 + 2" articulation. The "2 + 2" articulation links the high school program, adult school and ROP with San Joaquin Delta Community College programs. These articulated programs lead to an Associate Degree. The "2 + 2 + 2" articulation adds a four-year college or university program leading to a Baccalaureate Degree where appropriate.

The articulation process is a system designed to help students to advance from one course program, or educational level to the next without unnecessary repetition of essentially similar course for which credit has been received.

If you have taken any of the courses listed below, you may wish to exercise your right to obtain college credit by completing the following steps.

- Step 1.** Apply for credit within 2 years of high school graduation.
Step 2. Complete the San Joaquin Delta College Application for Admission located online at www.deltacollege.edu.
Step 3. Print out and complete the San Joaquin Delta College/Secondary School Application for College Credit, located on the SJDC Admissions page.
Step 4. Obtain a copy of your high school transcript from your high school reflecting the articulated course you took and the grade you received. Bring the transcript and the completed SJDC/Secondary Application for College Credit to the Admission office in Holt 101.

If you have any questions, please contact the Admissions Office at (209) 954-5625, or the College Articulation Officer at (209) 954-5248.

Math Course Sequence

High School Algebra I - Completed with a "C" or better is equivalent to Delta College
MATH 80 or MATH 83A/B.

High School Algebra II - completed with a "C" or better
is equivalent to Delta College
MATH 82 or MATH 84A/B

* These "optional" Workshops supplement the lecture course.

MATH 30 & 31 can be taken in either order, but **both are needed for MATH 1; alternatively, MATH 36 can be used for MATH 1.

Math Skills Requisite Levels

MATH LEVEL I

- *DV ED 77 Applied Mathematic Laboratory
- *DV ED 79 Applied Mathematic Laboratory
- *DV ED 86A-D Applied Math
- *DV ED 78 Applied Math Lab
- *DV ED 87 Survival Math

MATH LEVEL II REQUIRED

- MATH 80 Elementary Algebra
- MATH 82 Intermediate Algebra
- *MATH 88 Pre-Algebra

(Some of the above courses may have requirements other than test scores. Previous course work may qualify for some math classes.)

*Units earned in these courses do not count toward the Associate Degree.

TRANSFER TO A FOUR-YEAR INSTITUTION

If you are planning to transfer to a four year institution from San Joaquin Delta College, you should consult with a Delta College counselor, a representative of the campus to which you plan to transfer, and refer to the college catalog for that campus in order to obtain the most current information.

Additional information is available on the world wide web. You are encouraged to visit the web sites published in this article.

There are four things to research when planning the courses you will need to transfer:

- 1) Admission requirements for the university you plan to attend.
- 2) General education requirements. Consult with your counselor to select a general education pattern that best meets your transfer goals.
- 3) Major preparation courses which meet pre-requisites for upper division coursework. Consult with your counselor to determine which lower division courses and major preparation courses you should complete at San Joaquin Delta College before you transfer.
- 4) Other requirements that can be completed at the community college, e.g., foreign language, diversity requirement, computer literacy.

ADMISSION REQUIREMENTS

Transfer to a California State University (CSU):

- 1) Admission requirements for students who have completed fewer than 60 transferable units at the time of entry to the CSU:
 - a. have a college grade point average of 2.0 or better in all transferable college units attempted;
 - b. be in good standing at the last college or university attended (eligible to re-enroll);
 - c. meet the admission requirements for a first-time freshman or successfully complete necessary courses to make up the deficiencies;
 - d. meet the eligibility index required of a freshman (you may need SAT or ACT test scores, depending on your grade point average and the requirements for the campus you wish to attend);
 - e. contact the campus you wish to attend to determine whether there are limits on admission as a lower division transfer. Some campuses may require completion of English composition and general education mathematics.
- 2) Admission requirements for students who have completed 60 or more transferable units at the time of entry to the CSU:
 - a. have a college grade point average of 2.0 or better in all transferable college units attempted;
 - b. be in good standing at the last college or university attended (eligible to re-enroll);
 - c. complete 30 semester units of courses equivalent to general education requirements with a grade of C or better. The 30 units must include all of the general education requirements in communication in the English language (English composition, oral communication, and critical thinking) and at least one course in college level mathematics.

For more information visit www.csumentor.edu or obtain printed materials in the Career Transfer Center, Danner 202-203, San Joaquin Delta College.

Transfer to a University of California (UC):

- 1) Admission requirements for students who have completed less than 60 transferable units at the time of entry to the UC:
 - a. meet the admission requirements for a first-time

freshman (A-G subjects, grades, and test requirements) or successfully complete courses to make up any subject deficiencies;

- b. have a college grade point average of 2.0 or better in all transferable college units attempted;
 - c. contact the campus you wish to attend to determine whether there are limits on admission as a lower division transfer.
- 2) Admission requirements for students who have completed 60 transferable units at the time of entry to the UC:
 - a. have a college grade point average of at least a 2.4;
 - b. complete two transferable college courses in English composition, one transferable college course in mathematical concepts and quantitative reasoning, and four transferable college courses chosen from at least two of the following subject areas: arts and humanities, social and behavioral sciences, and physical and biological sciences.

For more information visit www.universityofcalifornia.edu or obtain printed materials in the Career Transfer Center, Danner 202-203, San Joaquin Delta College.

Transfer to a California Independent College or University:

Each of these campuses maintain different admission requirements. To begin exploring and identifying the campus suited to your needs, you should:

- 1) visit www.aicumentor.org. This web site provides more information about California's 77 independent colleges and universities;
- 2) visit www.aiccutransfer.dagsoft.com. This web site for California Community College transfer students and counselors provides important articulation information for many independent colleges and their community college partners;
- 3) visit the campuses you have selected, see for yourself;
- 4) learn how to apply for financial aid in California.

GENERAL EDUCATION REQUIREMENTS

The California State University (CSU) and the University of California (UC) campuses have different general education requirements. Depending on your choice of campus and major, you may be advised to complete minimum general education courses or an entire general education pattern. Consult with a counselor or university representative or university website to determine which GE pattern will satisfy the general education requirements needed at the institution you wish to attend.

MAJOR PREPARATION

Each four-year institution has a specific list of courses required to prepare a student for a major. You should

- 1) meet with a counselor to discuss which courses are appropriate for the major you wish to pursue at a particular school;
- 2) visit the web site www.ASSIST.org to learn more about the preparation for the major at a UC/CSU you would like to attend. Visit the website for the school you would like to attend;
- 3) visit the campus you would like to attend. Talk to an advisor in the department of your major to learn more about the specific preparation that is required. Meet with a representative from that school in the Delta College Transfer Center.

OTHER REQUIREMENTS

You may be able to satisfy additional campus-specific requirements before transferring. Requirements may include

a foreign language, diversity or a literacy. Consult with a counselor to determine if the campus you are planning to attend has any special requirements you can satisfy before transferring.

GENERAL EDUCATION CERTIFICATION

After you have been admitted to a four-year institution that you wish to attend and during your last semester of enrollment at Delta College, request partial or full certification of your general education courses. If you have been following the CSU general education pattern, partial or full certification is available. If you have been following the IGETC general education pattern, only full certification is available. The certification process can help you avoid having to take additional lower division courses for general education after transferring to the four-year institution. The forms to apply for general education certification are available in the Evaluations Office, Holt 101, or in Guidance and Counseling, Danner 205.

GUARANTEED TRANSFER ADMISSION PROGRAMS (TAA, TAG, GATE)

Several Universities provide the student the opportunity to develop a Transfer Admission Agreement, (TAA) or a Guaranteed Admission for Transfer Entry, (GATE). These agreements, developed in conjunction with your Delta College Counselor, will guarantee your admission to the university for which the agreement is written. With your counselor, you will develop a Student Education Plan, (SEP), which will ensure that you are taking the proper courses to become eligible for admission. Your SEP will include the courses necessary to complete your general education and major preparation requirements. If you fulfill your obligation as outlined in the TAA, the Transfer institution will fulfill its obligation, and you will be automatically admitted upon your completion of the formal admissions process. To determine which Colleges and Universities are offering a Guaranteed Transfer Admission Agreement and to develop your TAA, you should see a counselor as soon as possible during your first semester at Delta College. To see a counselor and find out more about the TAA, you may call the Counseling Office for an appointment at (209) 954-5650.

The Central Valley Higher Education Consortium, (CVHEC) has developed a Guaranteed Transfer Admission Agreement in conjunction with UC Merced, CSU-Stanislaus, CSU-Fresno, CSU-Bakersfield, and University of the Pacific designed specifically for San Joaquin Valley Community College Students. As a San Joaquin Delta College student, you are eligible to participate in the CVHEC agreement, and receive guaranteed admission to the above 4-year Colleges and Universities located in the San Joaquin Valley. Consult with a Delta College Counselor at (209) 954-5650 for additional information.

At the time of publication of this schedule, Guaranteed Transfer Admission Agreements were also available with CSU-Sacramento, UC Davis, UC Riverside, UC Santa Barbara, and UC Santa Cruz. Consult with a Counselor (209) 954-5650 for additional information.

ASSOCIATE OF ARTS TRANSFER MAJOR

You may earn an associate of arts degree in liberal arts and sciences by completing the CSU general education pattern or the IGETC CSU general education pattern and completing the following additional requirements: A minimum of sixty (60) transferable units with a 2.0 or higher grade point average, meet the residence requirement of completing the last twelve (12) semester units at Delta College; and attend during the semester of qualification for graduation or complete a total of at least twenty-four (24)

COURSES AND PROGRAMS OFFERED AT DELTA COLLEGE

(FOR SPECIFIC REQUIREMENTS, SEE THE COLLEGE CATALOG)

This Schedule of Classes is alphabetically arranged under Code Letters. When you locate a subject on this index in which you are interested, note the Code Letters in the next column. Then turn to the Code Letters in the body of the Schedule. Example: You will find Accounting in the BUS (Business) section.

Work Experience Program

Delta College recognizes the value of learning experiences that enhance formal college studies. A student may earn (elective) units towards an A.A. and/or A.S. degree for on-the-job employment experience if they are also enrolled in a course directly related to their employment. Students must be enrolled in at least seven units of course work including Work Experience units. Students enrolling in summer intersession must be enrolled in one course directly related to their employment (no minimum unit requirement).

Cooperative Work Experience Education is supervised employment, extending classroom based occupational learning to on-the-job experience. The student may qualify by using either the Parallel or the Alternate Plan.

1. **Parallel Plan:** Specifically designed for students who are working and attending classes during the same semester. Up to 4 units of Work Experience credit may be earned per semester. The combined total number of units a student may take in internship and work experience may not exceed a maximum of 16 units.
2. **Alternate Plan:** Specifically designed for students who attend classes full time one semester (12 or more units) and work full time the next semester. Up to 8 units of Work Experience credit may be earned per semester. The combined total number of units a student may take in internship and work experience may not exceed a maximum of 16 units.

Students must be enrolled in the Work Experience program before the census date for full term classes for each semester. The class code numbers are available only from the Internship/Work Experience office. For more information, contact the **Internship/Work Experience office, Holt 140, or phone (209) 954-5269.**

Apprenticeship

San Joaquin Delta College provides related courses of instruction in accordance with the California Apprenticeship Law. Courses cover related and supplemental instruction in related technical areas of the trades and are intended to complement the skills learned on the job. Information on how to become an apprentice may be obtained from the Division of Apprenticeship Standards, 2424 Arden Way, Suite 160, Sacramento, CA 95825 or San Joaquin Delta College, Apprenticeship Office, Holt Center, room 140, 5151 Pacific Avenue, Stockton, CA, 95207. Internship Program

Delta College recognizes the value of learning experiences that enhance formal college studies. A student attending Delta College may earn units towards an A.A. degree, A.S. degree, or transfer to a four year college. The internship with business or industry requires the student to be enrolled in a course directly related to their internship. Each student shall be engaged in a specific research project or on-the-job learning activities under the supervision of a worksite supervisor and college internship instructor. Students must be enrolled in at least seven units of course work including Internship units. Students enrolling in summer intersession must be enrolled in one course directly related to their employment (no minimum unit requirement).

Internships extend classroom based occupational learning to work-based learning activities at the work site. The student may qualify by using either the **Parallel** or the **Alternate Plan**.

Parallel Plan: Specifically designed for students who are working and attending classes during the same semester. Up to 4 units of Internship credit may be earned per semester. The combined total number of units a student may take in internship and work experience may not exceed a maximum of 16 units.

Alternate Plan: Specifically designed for students who attend classes full time one semester (12 or more units) and enroll in an internship the next semester. Up to 8 units of Internship credit may be earned per semester. The combined total number of units a student may take in internship and work experience may not exceed a maximum of 16 units.

Students must be enrolled in the Internship program before the census date for full term classes for each semester. For more information, contact the **Internship/Work Experience office, Holt 140, or phone (209) 954-5269.**

LEARNING COMMUNITIES, FALL 2006

MAKING THE MOST OF YOUR COLLEGE EDUCATION!

A Learning Community is a group of linked courses focusing on a common theme through team learning.
 Why Enroll In A Learning Community?

Learning Communities help students:

- Learn more and earn better grades
- Coordinate homework between classes
- Make friends through small group interaction
- Enjoy closer interaction with faculty
- Earn credit in two or more courses through common assignments
- Get extra help that is really geared to your needs
- Succeed in college!

Weekend College

You may enroll in an intensive approach to higher education by attending Delta College's WEEKEND COLLEGE. This program is designed for those persons who want to focus on a single subject in a concentrated format. Courses offered in the WEEKEND COLLEGE format allow students an opportunity to enroll in lower-division general education courses applicable for university transfer as well as meeting the general education requirements for the Associate Degree. Classes are conducted weekly on Friday evenings and Saturday mornings.

Students may complete an A.A. Degree by combining Weekend College with On-line course offerings.

See page 4 for Drop and Refund Dates.

Distance Learning and Regional Education

Take Delta College courses at home or in your community!

The San Joaquin Delta College **Distance Learning and Regional Education** program offers options for students who prefer to take courses near where they live or "on-line." Students may complete most or all of their coursework through Internet classes or through off-campus regional education classes held in communities served by the College.

The Distance Learning and Regional Education program offers convenience and accessibility to Delta College courses and assessment/placement testing.

OFF-CAMPUS ASSESSMENT/PLACEMENT TESTING

Parking Information

Parking permits are required for on-campus parking except in marked 30 minute visitor spaces and free parking lots B2 and B3. There are two options which can be used: full semester permits which can be purchased and displayed on the vehicle; or, one day use permits which can be purchased for 50¢ from dispensers located at various points within the parking lots and displayed on the vehicle dashboard. These permits must be purchased in the Bookstore located in Danner Hall for ALL vehicles, including those displaying handicapped plates and/or placards for special parking spaces. Please see section on "Parking for Disabled Students," below for more information. Vehicles will be ticketed commencing **January 30, 2007**. Semester long parking permits may be purchased in the Bookstore located in Danner Hall. Please note that ID number is required when purchasing a semester permit at the Bookstore.

Enforcement Hours. Parking permits are required 24-hours a day Monday through Thursday and Friday until 6 p.m. Parking is free on Friday after 6 p.m. and on Saturday and Sunday. All other vehicle codes are enforced 24 hours each day.

Notice: This is a contract. This contract limits Delta College's liability. Parking permits entitle the holder to the rental of space only. No bailment is created. San Joaquin Delta College District is not responsible for loss of, or damage to, the vehicle or any of its contents.

Free Parking Lots. The Board of Trustees has authorized free parking in parking lots B2 and B3. These lots are located in the southwest corner of the campus. Spaces in these lots are available on a "first-come, first-served" basis. If no space is available in either of these two lots, other lots where permits are required must be used to park on campus. The fact that the "free lots" are full will not constitute a valid excuse for parking without a permit elsewhere on campus. Parking in lots B2 or B3 only waives the requirement to display a valid parking permit. All other traffic and parking regulations are enforced in these lots.

Parking for Students with Disabilities

Students who require handicapped parking will need to purchase a College Parking Permit from the Bookstore and apply for disabled person plates or placards at the Department of Motor Vehicles office 710 N. American Street. **Only vehicles with state issued "DP" plates or placards will be allowed to park in handicapped parking slots. All other vehicles will be cited. City ordinance requires a \$275 fine for such violations.** These vehicles are subject to the same parking fees/permit regulations as all other vehicles. Please see section on "Parking Fees" for more information.

DMV applications include a physician's certification. A service fee of \$6 will be charged for placards. For further information, contact your local DMV office or stop by the Disabled Student Programs and Services office, Cunningham 120, or call (209) 954-5330 (Voice/TDD). Policies

Attendance Regulation

Regular attendance in class and laboratory sessions is an obligation assumed by every student at the time of registration.

Regular attendance is necessary for satisfactory academic progress. Any student who fails to attend a class during the first three sessions of the class at the beginning of a term may be dropped unless the student has advised and obtained an absence approval from the instructor.

An instructor may dismiss a student from class when absences become excessive. See the Student Handbook for procedures concerning attendance irregularities.

Course Numbering

- 1-69** Baccalaureate courses, which are transferable to California State University (CSU) and the University of California (UC) are noted at the end of the catalog statement.
- 70-99** Non-baccalaureate courses may count for community college credit. Some courses do not count toward the associate degree and have the statement: "Units earned in this course do not count toward the associate degree."
- 100-199** Non-credit courses do not require Assessment/Placement testing. The student does not earn grades and no credit, and pays no fees.
- A or T** Apprenticeship and Trade Extension courses are preceded by the letter A or T and department designation. See apprenticeship/trade extension coordinator for registration information.
- CAN** California Articulation Number System is a state-wide system designed to identify the transferable, lower division courses commonly taught at the community college.

Grade Options

Every course in the College is placed, by the division/department offering it in one of the following grade categories:

- 0 Letter grade only
- 1 Credit/No credit
- 2 Letter grade only; No incomplete allowed
- 3 Letter grade or Credit/No credit
- 4 [NO GRADE] - Ungraded
- 5 Letter grade or Credit/No credit for out-of-term class
- 6 Letter grade only for out-of-term class
- 7 Credit/No credit for out-of-term class
- 8 Letter grade only; No incomplete allowed for out-of-term class

Waiting Lists

Waiting lists are maintained for all full classes. The student must be eligible for the class before being placed on the waiting list. This means that the student must have met the class prerequisites and not be enrolled in a class which conflicts in time with the one that is being requested. To be placed on the waiting list for a full class, the student must attempt to enroll in the class during registration. The student will be permitted the option of being assigned to a "waiting list" seat. Students cannot be placed on multiple waiting lists for the same course.

The instructor admits students to the class based upon their position on the waiting list unless an administrative hold prevents it. The student must also attend class meetings and be present if the instructor accepts additional students from the waiting list. If a student is not present, the instructor admits the next student on the waiting list. If there are no students on the waiting list or all waiting list students have been admitted, then the instructor may admit other students who attend the first class meeting.

Open Entry/Open Exit

Open Entry/Open Exit simply means that students may enroll in classes throughout the semester and choose from more flexible time frames.

Advantages of OE/OE Courses:

- Work at one's own pace
- Set one's own schedule
- Work in a less stressful setting
- Complete more than one course a semester
- Individualized help available

For students who are motivated, able to follow instructions, and are trying to juggle multiple responsibilities, these courses provide the opportunity for college credit in a more flexible format. For examples, please refer to BIM 80 or CS 95 series courses.
