Description of New Courses Spring 2001

AGEGR 20A Agriculture and Natural Resource Shop Skills **Units 2**

Prerequisites: None.

Limitations on Enrollment: None.

Advisories: None.

This course is an introduction to basic agricultural and natural resources skills required in shop practices including proper selection and care of tools and equipment. Skills are developed in the area of wood working, metal working, welding, electrical and plumbing, including the selection, use, care, and safety of tools and equipment. (CSU)

COMM 5 Communications Disorders: Materials and Procedures **Units 3**

Prerequisites: None.

Limitations on Enrollment: None.

Advisories: None.

This course is a survey of materials and procedures found in Speech Language Pathology Aide (SLPA) clinical programs in public schools, hospitals, and skilled nursing facilities. Topics include record keeping, report writing, behavior modification techniques, computer assisted programs, International Phonetic Alphabet (IPA), American Speech-Language Hearing Association (ASHA), Code of Ethics, and state and national guidelines for speech therapy. (CSU)

COMM 7 Communication Disorders: Service Delivery Issues **Units 3**

Prerequisites: None.

Limitations on Enrollment: None.

Advisories: None.

This course is a survey of speech and language therapy delivery systems and state and national regulations, laws, and professional organizations for Speech Language Pathology Aides (SLPA) that control the delivery of speech and language therapy services in public schools, clinics, hospitals, and skilled nursing facilities. (CSU)

COMM 9 Communication Disorders: Assessment and Remediation **Units 3**

Prerequisites: None.

Limitations on Enrollment: None.

Advisories: None.

This course is a survey of communication disorders related to articulation, voice, and language. The course includes the assessment and remediation of communication disorders including, dysfluency, aphasia, dementia, and dysphagia. (CSU)

C S 56 Networking Essentials **Units 3**

Prerequisites: None.

Limitations on Enrollment: None.

Advisories: None.

This course is a general introduction to current network technologies for local area networks (LANs), wide area networks (WANs), and the Internet. The course includes an introduction to the hardware, software, terminology, components, design, and connections of a network, as well as the topologies and protocols for LANs. This course includes LAN-user concepts and the basic functions of system administrations and operation. (CSU)

P E 70 Introduction to Sport Management **Units 3**

Prerequisites: None.

Limitations on Enrollment: None.

Advisories: None.

This course is designed to orient the beginning student to the academic and professional field of sport management.
