Charge:

This ad hoc committee, during the 2006-07 year, will respond to legislation affecting intersegmental transfer and articulation, will assist the ASCCC Executive Committee and its Standing Committees in evaluating the implications of ongoing transfer and articulation initiatives, will provide the Executive Committee and community college faculty updated information on these matters, and will support the furtherance of the Academic Senate's adopted resolutions and the System's Strategic Plan. To do so, this committee will undertake the following actions:

- Monitor, comment upon, and coordinate CCC faculty responses to legislation affecting transfer and articulation;
- Coordinate responses to segmental and intersegmental policies and initiatives;
- Advise the Academic Senate on positions it should take or resolutions it should consider.
