HOW TO CLEAN UP YOUR BACKGROUND

TUESDAY, SEPTEMBER 21, 2010

Your criminal background report may be hindering your ability to secure employment or even to obtain credit. It is important to clean up your record in order to ensure there is nothing holding you back from your goals. An attorney from the San Joaquin County Public Defender's Office will present information on the legal process of dismissing criminal records (known as expungement), reducing charges, correcting errors and obtaining a Certificate of Rehabilitation.

Note: Not all "offenses" are eligible for these legal proceedings.

COMMUNITY SERVICE AVAILABLE TO WORK OFF MINOR LEGAL OFFENSES

TUESDAY, OCTOBER 19, 2010

Did you know that individuals with minor traffic, moral offenses, bench warrants or failures to appear can resolve these issues without the threat of incarceration and additional fines? Learn how sentences can be served with volunteer work and participation in programs. Discover how credit may be given for community service in lieu of jail and fines.
