

KIDS COLLEGE

Spring 2010 Workshop Listing (Age Ranges)

Kids College offers not-for credit academic and enrichment workshops for children and teens on the Delta College Campus in Stockton. A new schedule of workshops is provided each fall, spring, and summer term. High quality workshops are designed to provide educational opportunities for students to learn new skills, develop other areas of interest, and explore possible careers. (*Kids College is a vendor for Connecting Waters, Fame, Vision in Education, & Heritage Peak*)
