Step 3: Orientation & Counseling

Veteran Service Team Contact:

Dr. Cheuyengther Xiong, (209) 954-5151 ext. 6276, cxiong@deltacollege.edu

It is advised that you make an appointment with Dr. Xiong, if he is available, as he is the designated veteran counselor. Be sure to indicate your "veteran status" because you need a full hour in order to certify your Student Educational Plan (SEP). Without the SEP, Veteran's Affairs will be unable to authorize your Montgomery GI or Post 9/11 benefits. If Dr. Xiong is unavailable, other counselors can help you, but he is the preferred counselor for veterans.

Should you need to make adjustments to your SEP, another full hour appointment will be necessary, so think carefully about your educational goals before your appointment with a counselor.

During peak registration periods, counseling is available on a walk-in basis. However, same day appointments are given to students present at the office when it opens at 8:00 a.m., or if you have a simple question/issue use the "Ask a Counseling Question" option.

CHECKLIST:

Students may apply for grants, student loans, employment programs and scholarships. Dollar amounts for individual aid programs vary from a minimum of \$200 to a \$5,500 maximum.

All students are encouraged to submit a FAFSA even if you will receive GI benefits. This allows us to maximize your financial aid benefits.
