It is equally committed to providing students a general education, which will provide a cultural context for their knowledge and expand their intellectual horizons.

To assist in the fulfillment of the District mission the Board of Trustees of San Joaquin Delta Community College recognizes the fundamental right of employees, students, and the public to a safe environment. Violence or the threat of violent activity shall not be tolerated. The college administration enforces this basic right at all levels per Board Policy, 1700.

The Police Department contributes to the District mission by providing services that assist in maintaining a safe and secure environment. Safety at the college campuses is the primary concern of the District Police Department.

All College District Police Officers are armed. They conduct foot, bicycle and vehicular patrol on and around campus 24 hours a day, 365 days a year. The department enjoys a professional working relationship with all local law enforcement agencies. When warranted, campus police officers work with outside agency officers to facilitate investigations that require multi-agency collaboration. The department prides itself in offering intensive, individualized quality service to those it serves.

Timely Warning Policy

On occasion, one may see timely warning notices describing recent crime trends or dangerous incidents. It is the Department's policy to post these notices on the exterior or doors of all campus buildings to provide the community with information about incidents and crime prevention recommendations. Once all relevant information is received, these notices will be posted within 24 to 48 hours. This information may also be disseminated via e-mail, the student newspaper and other media.

Bulletins shall include, but are not limited to, those crimes that are listed in the Clery Act.

It includes crime data on and around the main Stockton Campus, South Campus at Mountain House and the Manteca Farm Center and is prepared in cooperation with the Office of the Vice President of Student Services, the Stockton Police Department and the San Joaquin County Sheriff's Office. A copy of the report is obtainable at the District Police Department, or, on-line at <http://police.deltacollege.edu>.

Report all suspicious or criminal activity

All suspicious, criminal, violent or potentially violent activity on campus should be reported to the District Police Department by college emergency phone, dialing 911, or extension 5000 (from classrooms and offices), or 954-5000 from campus pay phones. For off campus emergencies dial 911 for your local municipal or county police agency.

Confidential Reporting of Crime

The District Police Department accepts reports of criminal activity in confidence. This particularly applies to crimes of sexual violence and allows the victim to report through a third party and/or remain anonymous. We accept reporting anywhere on campus you feel comfortable, such as the Office of the Vice President of Student Services or any campus administrative office. It is our goal to provide assistance wherever the report is made and to ensure that we include the appropriate crime information in our annual security report.

Safe environment action team

Board Policy 1700 and Procedure 1701 provides for the maintenance of a safe environment and establishment of a Safe Environment Action Team. This group serves as the immediate support team to staff and students who encounter situations that may be potentially violent. Each incident is evaluated on its own merit. The team is composed of the Vice President of Student Services, the Director of Police, the Director of Human Resources and Employee Relations, the Risk Manager and other support personnel. The purpose of the Team is to resolve issues that may become violent. The Director of Police serves as the manager responsible for hearing concerns and coordinating actions related to the threat of violence at District facilities or activities. Employees, students, or other individuals who believe they have reason to feel fear or intimidation by a co-worker, supervisor, student, or other person should report this immediately to the Director of Police at 209-954-5000.

Policy and procedures concerning security, access, lighting, visibility and maintenance of facilities

The Stockton and South Campus are open to the general public during normal business hours. Classes begin at 6:00 A.M. and end at 10:00 P.M., during the week. Utility workers unlock gates and open the campus at 5:30 A.M., Monday through Friday. District Police personnel secure and lock gates at 11:00P.M. Monday through Friday. District Police personnel open and secure various centers and doors on weekends to accommodate college classes and special events. The Police Department recognizes that there is a need for after hour and weekend access to buildings and offices. Anyone working late or on weekends should notify the District Police Department. Students are discouraged from utilizing buildings after hours without supervision by college personnel.

Lighting improvements are continuously being evaluated. Parking lots, pathways and some interior locations have been upgraded to a high intensity, metal halide lighting system. The college landscape is continuously monitored to provide the greatest amount of visibility by keeping the canopy (tree line) high and ground cover low.

Surveillance cameras provide the District Police Department with the ability to monitor specific locations, such as walkways, parking lots, cafeteria, and bookstores, which greatly assist with overall student safety.

Physical structures of the campus are continually monitored to maintain a safe environment. Staff members of the Office of Maintenance and Operations engage in the observation, renovation and repair of facilities, equipment and other objects that may pose a threat to the physical safety of members of the campus community.

The Board has authorized the Superintendent/President to establish procedures for the imposition of discipline on students in accordance with the requirements for due process of federal and state laws and regulations.

The procedures identify potential disciplinary actions, including, but not limited to, the removal, suspension, or expulsion of a student and are available through the College Catalog, Schedule of Classes, Student Handbook and Internet (See Board Policy, 5470).

Alcohol, Drugs and Weapons Policies

The unlawful manufacture, distribution, dispensing, possession or use of illegal drugs on campus, or property maintained by the District, or any District sponsored event off campus is prohibited. The use of illegal substances or abuse of legal substances, including alcohol, in a manner that impairs performance of assigned tasks is not allowed. All students, faculty members, staff members and administrators are subject to local, state and federal laws that regulate illegal substances.

The Department educates the campus community that excessive use of alcohol and other drugs creates a serious health problem. Moreover, alcohol and drug abuse may also contribute to other physical and mental health problems including, but not limited to, unwanted pregnancy, violent behavior, HIV infection and other sexually transmitted diseases and psychological depression.

The use of alcoholic beverages must be in compliance with California state law and is strictly limited to persons 21 years of age or older. Alcoholic beverages may not be consumed in public areas. No alcoholic beverages may be served on the San Joaquin Delta Community College campus or at other college facilities except as authorized by the Board of Trustees for an individual event as provided by law (Please see Board Policy, 9061).

The District Police Department strictly enforces federal, state and local laws, as well as the college's zero tolerance policy for the use and sale of illegal drugs. Violators are subject to college discipline, criminal prosecution and suspension and expulsion from the campus.

Firearms and other dangerous weapons of any kind are not permitted on campus or any other location or event sanctioned by the college. State law strictly prohibits intentional use, possession, or sale of firearms or any other dangerous weapons on campus. All violators will be prosecuted to the fullest extent of the law.

Sexual Assault Policy

It is the policy of San Joaquin Delta Community College District to provide a campus environment in which individuals can interact freely without fear of experiencing sexual assault. The college recognizes that awareness is the best tool for avoidance of sexual assault. Seminars, student and employee orientations, announcements, staff meetings, classroom discussions, and other means will be utilized periodically to inform students and staff of this issue (Please see Sexual Assault Policy, 1412).

All allegations of sexual assault occurring at college controlled facilities and/or activities should be immediately reported to the District Police. The Police Department, with the victim's consent, will immediately conduct a criminal investigation of a reported assault. Missing Persons

Missing Students who reside in on-campus housing (Manteca Farm Center Campus):

The District Police Department will take any missing persons report which is reported to them without delay regardless of jurisdiction. A missing person report will be given investigative priority over non-emergency property crimes.

When an officer receives a report of a missing person, the officer will determine the category of missing person and complete a report. The reporting officer will ensure that the appropriate information is entered into the California and National Missing Persons data base. If the missing person is under 18 and not emancipated, police officer will notify a custodial parent or guardian.

Counseling and Psychological Services

Board Policy charges the Guidance and Counseling Division with responsibility for providing academic, career, and personal counseling services. Personal counseling services include support for students who are in crisis. Students, whose short or long term mental health becomes a barrier to successful completion of their educational goals, may find support through one-to-one counseling services. Often, this help is provided during times of crisis involving such issues as: physical/emotional abuse; health; relationship difficulties; chronic depression or stress, etc.

Crisis counseling is most often short term. Counselors may refer students to Mental Health Services in acute crisis situations involving the health and safety of students and others. Counselors refer students to other mental health professionals in the community for longer-term therapeutic support.

Students in crisis should be referred immediately to: Guidance and Counseling Office, De Ricco Building second floor, 954-5652. The referring staff member should clearly state that the student is in need of 'crisis counseling'.

Escorts for Students and Staff (Stockton and South Campus)

Students, Staff and Visitors may request a safety escort by dialing extension 5000 from any campus phone, Emergency/Blue phone or (209) 954-5000 from other phones.

Provide the dispatcher with your current location and intended destination. If there are special circumstances or risks that you know about, be sure to share them with the dispatcher and officer. Subject to availability, an officer will be dispatched to your location to walk with you to your destination. An officer may wish to transport you in a vehicle if it is more practical based on conditions.

Hate Crimes

Hate violence as defined by law means “any act of physical intimidation or physical harassment, physical force or physical violence, or the threat of physical force or physical violence, that is directed against any person or group of persons because of the ethnicity, race, national origin, religion, sex, sexual orientation, disability, or political/religious beliefs of that person or group.” Incidents of hate violence should be immediately reported to the District Police Department. The College is charged with ensuring that the rights guaranteed by state law and the United States Constitution are protected for all people regardless of their ethnicity, race, national origin, religion, sex, sexual orientation, disability, or political/religious beliefs.

Emergency Response Plan

San Joaquin Delta Community College District has adopted a Contingency Plan to facilitate the management of critical incidents that occur on campus. Every classroom and office contains an Emergency Procedures flip chart. Please take time to familiarize yourself with this document. Should a building, center or the entire campus need evacuation, you will be directed to a safe location to facilitate your exit. Always remain calm and follow the directions of college and emergency personnel to assure your safety. You may determine the date and time to return to campus by calling 209-954-5000.
