

MEDICAL CLAIMS RELEASE FORM

I understand there are risks inherent in participating and/or receiving instruction in a volleyball clinic. I also understand that in order to be allowed to participate and/or receive instruction in the clinic, I must give up my rights to hold San Joaquin Delta College liable for injury or damage which my child may suffer while participating and/or receiving instruction in the clinic. In case of an injury, I authorize the staff of Delta College to render first aid and/or obtain whatever medical treatment deems necessary for the welfare of my child listed on this application.

**Open to high school and entering
high school athletes**

**Get Ready to Make your
High School Team!**

**Hosted by the coaches and players
from the #1 Northern
California Community College
Volleyball Staff**

Message to Parents:

With high school volleyball tryouts fast approaching, Delta Volleyball would like to invite you to get ready and have your best tryout ever.

You will have an opportunity to sharpen your skills in order to shine at your high school tryouts. This clinic will provide you with a jump start over other athletes and teams not taking advantage of this clinic. Our staff will include both Delta College coaches and past scholarship players.

Your fee will include a t-shirt, gifts, a great volleyball environment and fun. We look forward to seeing you at our clinic.

Mary Ann Paz, Program Director
Delta Women's Volleyball

San Joaquin Delta College

Mary Ann Paz Program Director

Mary Ann returns as program director after retiring from the Delta College Volleyball program where she guide it to become one of the most successful and prestigious programs in the State. Her experience spans 33 years, 25 of which were at Delta College. In conference, Mary Ann was Coach of the Year over 10 times. In 2001 and 2003 she was named Junior College/Community College Southwest Region Coach of the Year and in 2002 was inducted into the Stockton Athletic Hall of Fame. She is the originator of the Delta College Youth Volleyball Clinics and looks forward to contributing to their continued success.

Molly Mordaunt Assistant Coach

Molly enters her third year of coaching at Delta College. From 2007-2008 she coached at the University of the Pacific. After playing volleyball at the University of the Pacific for four years, she immediately began her coaching career. Her first coaching job was at powerhouse St. Mary's High School, leading her freshman squad to an undefeated league title. She then moved on as the varsity girls volleyball coach at her alma mater, Lincoln High School where her team placed first in the league during the 2005 season. Molly was the assistant coach at Delta during the 2006 season where she helped lead the Mustangs to a fifth place finish at the State Tournament. In returning to Delta for the 2009 season, she again helped guide the Lady Mustangs to another California State Championship appearance. Along with her experiences in coaching and running youth volleyball camps, Molly brings an intense love of the game and a passion to teach young athletes the fundamentals of the game. Molly is a welcomed addition to the staff and is excited to have an impact on the college level as a coach.

Michaela Reyes Head Coach

Michaela is entering her fifth season as the head volleyball coach for the Delta Lady Mustangs. As a first year coach, she enjoyed a high level of success after guiding the Lady Mustangs to another Big 8 Conference Championship. They entered the State Volleyball Tournament as the number one seed, having won all of their games up to the state tournament. They were ranked #1 in Northern California after beating all of the top teams in the north and winning all of the tournaments they participated in, including the prestigious San Diego Mesa Invitational. She was named Coach of the Year for the Big 7 Conference and later named Coach of the Year for Northern California.

In her first four seasons, Coach Reyes has enjoyed the competition of the tough Big 8 Conference. All four of her teams have advanced to the Northern California Volleyball Championships. All four years her teams won the first round of the Northern California Volleyball Championships. Three teams advanced to the Elite 8, California Community College State Championships. Two of her players have achieved All American status. As a result of a strong academic emphasis in her program, her athletes have a high transfer and graduation rate and numerous players have earned scholarships.

Before coming to Delta, Michaela enjoyed a high level of success at her previous stops. She coached high school volleyball at St. Mary's High School in Stockton for the 2004 and 2005 seasons where her teams were undefeated in their conference play. She also enjoyed success at the club level both in Stockton and in San Diego.

Michaela began playing at the age of 10 on a 14 and under club in Stockton. Having been a 4 year varsity starter on her Tokay High School volleyball team, she earned a Division I scholarship to San Diego State University where she played 4 years including one in which her team qualified for the sweet 16 of the NCAA tournament. While at San Diego State, she was involved in developmental clinics with the San Diego youth in the off season. In 2004, Michaela moved back to Stockton to take a teaching position at St. Mary's High School, and she coached the Sophomore volleyball team. The two seasons she coached at St. Mary's, her sophomores were undefeated in their conference.

Coach Reyes believes that sports in general and volleyball in particular provide opportunities that have a positive effect on the academic progress of those who participate. Her goal as a coach is to help develop her student-athletes on and off the court. Her focus is to prepare her athletes for transfer and assist them towards earning an athletic scholarship.

Sam Surnip Assistant Coach

Sam has developed a tremendous understanding for the game both technically and tactically and continues to be an asset to the Delta Volleyball Program. Sam teaches volleyball clinics for the City of Lodi and assists at Delta in all clinics they run.
