

San Joaquin Delta College

Speech Language Pathology Assistant Program

5151 Pacific Avenue, Stockton, CA 95207 (209) 954-5454

The application process for the SLPA program is being developed at this time. Currently there is not a separate program application process. Students need to apply to San Joaquin Delta College and then register for classes. We highly recommend following the suggested course sequence listed in the catalog.

Thank you,

A handwritten signature in cursive script that reads "Susan M. Kidwell".

Susan M. Kidwell M.A., CCC-SLP

SLPA Program Director
