Welcome to **California**

**Employment Development Department**

**Labor Market Information**

**Employment Projections by Occupation**

**Short-Term Projections (Two years):**

Developed to help job seekers or labor force reentrants that need information about the immediate job market (requires [Adobe Reader](#) to view).

**LMI by Customer:**

- [California \(2004\)](#)
- [Los Angeles-Long Beach MSA, San Jose MSA, and Sacramento MSA \(2004\)](#)

**Long-Term Projections (Statewide - ten years; Counties - seven years):**

**three components per area:**

- Occupations with Greatest Growth ("Demand Occupations")
- Occupations With the Most Openings/Declines
- Occupational Projections for all occupations (This table is available both as an HTML document that you can view online and as a Microsoft Excel document that can be downloaded.)

**United States, 2000-2010**

[U.S. Bureau of Labor Statistics](#)

**All Areas (excluding United States)**

[Occupational Projections Table](#) - for download only  
(A self-extracting, compressed collection of the Excel version of the Occupational Projections tables, below, for all areas. This file is 1.4MB, and is for PC users only.)

**State of California, 2000-2010**
