

San Joaquin Delta College Committee Book 2002 - 2003

Committee Summary

Campus Health and Safety Committee

Committee Responsibilities:

Develop and recommend health, wellness, and safety related educational programs for staff and students. The Campus Health and Safety Committee shall develop and monitor college policy and procedure related to the maintenance of a safe campus environment and review matters related to health and wellness of students and staff of the college. The committee shall regularly gather input from students and staff on the status of the college with respect to health and safety issues and propose changes in policy/procedure consistent with the maintenance of a safe and healthy campus environment. The committee will also develop annual plans for in-service training and other staff and student development activities, which support a safe campus.

Committee Membership:

Vice President of Student Services, Dean for Instructional Development and Regional Education, Campus Police Chief, Director of Facilities Management, Family, Consumer, and Health Sciences Assistant Division Chairperson, Director of Disabled Students Programs and Services (DSPS), Risk Manager, two faculty members, Health Unit Clerk, two other classified staff members (one appointed by the Classified Senate and one appointed by the California School Employees Association), two students.

Executive Secretary: Vice President of Student Services

Advisory Relationships:

Advisory to the President's Council for policy recommendations.
