

San Joaquin Delta College Message Center

VOICEMAIL USER & LOGIN DIRECTIONS

Welcome

Our new voicemail system is called the Message Center. If you are accessing your voicemail for the first time since we changed over to the new system (July 21, 2004), you will enter the system using a default (temporary) passcode of 1234. Once you are inside your mailbox, the system will prompt you through a tutorial to do the following:

- Change your passcode
- Record a greeting
- Record your name

NOTE: Be sure to listen to the entire tutorial before hanging up or your mailbox setup will not be completed.

Accessing Voice Mail/Message Center

Reminder: If this is the first time that you have logged into voicemail since we changed to the new system, you must use passcode 1234 to get into the system. Once you are in your mailbox, it will prompt you to change your passcode, greeting, and name.

- From your desk, dial **8**:
 1. Enter your passcode when prompted.
- From another desk, dial **5885** for voicemail. You will hear the general college greeting, which begins, “Thank you for calling San Joaquin Delta College...” As soon as you hear that greeting:
 1. Press the star (*) key
Note: If you are calling from another desk that is not setup with voicemail, you may need to dial 8 first to access the Message Center.
 2. Enter your four digit mailbox number (example: 5054)
 3. Press the star (*) key, again, **immediately** after your extension number.
 4. Enter your passcode when prompted.
- From off-campus dial **(209) 954-5885**. You will hear the general college greeting, which begins, “Thank you for calling San Joaquin Delta College...” As soon as you hear that greeting:
 1. Press **8** and, after a pause, you will hear “Welcome to the Message Center”
 2. Enter your four digit mailbox number (example: 5054)
 3. Press the star (*) key, **immediately** after your extension number.
 4. Enter your passcode when prompted.
