Secretary Ratto requested fall office hours by August 8, 2008. As well as requested Committee Commitments ASAP remember you are required to serve on 2 committees.

Treasurer Orona congratulated President Novak, and thanked the audience and Mrs. Giron for attending. The current board and the future board will be able to grow and push the bar higher than previous boards.

President Novak congratulations to Senator Drummond and ICC Chairperson Kennedy on the Oath of office. She is honored to be serving as president, and takes this opportunity seriously, this is a position that comes with large responsibilities, and we serve 20,000 students on 3 different campuses as well as online are a daunting task. Once again she is honored delighted to be of service. Thanked everyone in attendance for coming on a lovely day in August, it is great to see. Next meeting will be August 18, 2008.

#### 6. Comments from the Advisor

Mrs. Giron stated that this is her last ASBG meeting. It was really nice to work with each and every one of you even the newbie's. She has grown as an individual from this and last years experiences. She will only be one building over in EOPS, if you need her please stop by and see her. We are to receive a new interim advisor which could be here for a few months to a semester. The position will then be replaced with a new hire. There was a standing ovation for Mrs. Tina Giron.
