CAMPUS SPECIFIC REQUIREMENTS:

COLUMBIA	MERCED	MODESTO	SJ DELTA	CSU STAN
Courses listed are articulated for entrance to HECCC college nursing programs. Columbia does not have a nursing program.	Offers generic ADN program and LVN to ADN. REGN 19 and FCSC 9/PSYC 9 are additional prerequisites for LVN to RN applicants.	Offers generic ADN program only.	Offers NLN generic ADN program. Students who wish to transfer to a 4 year BSN program should consult Delta catalog and counselor.	Offers BSN for ADN graduates only.

CAMPUS SPECIFIC NOTES:

CSU, STANISLAUS:

Minimum Admissions Requirements to the Upper-Division Nursing Major:

Students seeking to enter the program must have:

1. completed 60 semester units of baccalaureate-level transferable college credit,
2. completed an AD or Diploma in nursing with a minimum of 30 semester units of nursing course work, earning a "C" or better in each course,
3. completed at least half of the University's General Education breadth requirements, including oral and written communication, critical thinking (at least 9 semester units), and the requirement in mathematics (statistics) or quantitative reasoning (usually 3 semester units),
4. completed an acceptable college-level chemistry course, equivalent to CHEM 1000, of at least 3 semester units with a grade of "C" or better,
5. a current license as a Registered Nurse in California,

6. file an application to the University, *and*
7. file an application to the Department of Nursing.

Merced: Applications are accepted throughout the year and enrollment is determined on a first come-first served basis. The date of submission on the required application determines the order in which qualified students are accepted. Merced College District residents may be accepted for admission prior to nonresidents. Additional requirements: HIST 17A, 17B or POSC 1; FCSC 9/PSYC 9 (prior to or concurrent with REGN 11); 2 units of PHED; any humanities course - Area C; reading competency met by English 41 or all AS Breadth courses completed with “C” or better; Math A or higher level course for math competency. Minimum cumulative GPA of 2.5 required in prerequisite science courses. Complete information, selection process and enrollment forms are contained in the RN Application Handbook, available in the Merced College Bookstore, or through the web site:
www.merced.cc.ca.us/alliedhealth/regnurshp.htm.

Modesto: Applications to the program are accepted every semester. High school graduate or equivalent: Reading assessment with minimum score of 12 (50%) within 5 years of application to program; Math assessment with recommendation for MATH 90 within completion of MATH 70 with C or higher. Completion of ANAT 125 or (AP 132 if completed by Spr 96); MICRO 101 or (MICRO 110 if completed by Spr 96); PHYSIO 101 (within 5 years of application), Modesto requires a Physiology course which is not combined with any other subject. A point system is used to establish priority for admission. Some admission slots are determined by lottery. Variable points are assigned depending on the grades earned in the following courses completed at the time of application: anatomy, physiology, microbiology, ENGL 101; PSYCH 101; ANTHR 102, or SOCIO 101, 125, 150, 154 or 156; SPCOM 100 or 102. GPA of 2.67 required in science prerequisites: ANAT 125; PHYSO 101; MICRO 101. GPA of 2.5 or higher in all courses included in point system with minimum grade of C in all courses. Suggest completion of graduation requirements. Accepted applicants must submit proof of: 1) a physical completed by a physician within 3 months of start of program and required immunizations. 2) CPR certification issued within 6 months prior to start of program. A negative PPD skin test or negative chest x-ray with positive PPD.

San Joaquin Delta: Applications to the ADN program accepted February 1 - March 30 for entry into the following fall semester and September 1 - October 31 for entry into the following spring semester. Qualified applicants must have completed or be “in progress” of program prerequisites. All prerequisite courses must be completed during the semester of application and prior to entry into the program.

All prerequisite courses must be completed with a grade of “C” or better and the cumulative GPA on prerequisite courses must be at least 2.0. Admission is by random selection of qualified applicants from two applicant pools. 20% of admitted students are selected from the prerequisite GPA pool of 2.0-2.49 and 80% of the applicants are selected from the prerequisite GPA pool of 2.5-4.. General education courses required to earn the Associate of Science Degree in Nursing may be taken concurrently or prior to entry into the program. These courses include: PSYCHOLOGY 1, SOCIOLOGY 1B, SPEECH 1A, and POLI SCI or HIST course which meets the college social science requirement; and one of the following courses, ANTHRO/HUM4 OR FOREIGN LANG 1 OR FOREIGN LANGUAGE 51 & 52 OR PHILO 6.

Applications for admission into the Vocational Nursing Program are accepted September 1 - October 31. The program admits students once a year with the program beginning in January and ending in December of each calendar year. Students attend classes during the spring, summer, and fall terms.

The prerequisite courses, BIOLOGY 33 OR BIOLOGY 31 OR BIOLOGY 11, HS 36, PSYCH 1, and HS/FCS 19, must be completed prior to application. Each course must be completed with a grade of “C” or better AND the cumulative GPA on prerequisite courses must be 2.5 or greater. In addition, each applicant must provide documentation that they are at least 17 years of age and have completed

high school as a graduate, successful completion of the GED or HS Proficiency Certificate.

Admission into the program is by random selection of qualified applicants.
