

The mission of San Joaquin Delta College is to provide excellent post-secondary education that serves the needs of students, the College District and the community through continuing, transfer, career and technical education, and economic development. To achieve this objective, the faculty and staff are committed to providing comprehensive instructional programs, student services and public services that are high quality.

In fulfilling its mission, San Joaquin Delta College acts upon the following principles:

- Commitment to excellence requires effective collaboration, respect for cultural diversity, appreciation of historical perspective, open communication, high academic standards, a vital connection to the arts and cultures of the community, and competitive athletics.
- Student success and equity are founded on a well-coordinated and institutionally-integrated developmental education program.
- Educational resources are available to all students regardless of age, disability, gender, or ethnicity.
- Institutional renewal must include continuous improvement through new and revised curricula; the use of student learning outcomes to enhance student performance; new and effective technologies; and ongoing faculty and staff professional development.

All aspects of the College encourage good citizenship, responsible leadership, ethical behavior, and the appreciation of lifelong learning.

Committee Book 2008 - 2009

Standing Committees

Campus Health and Safety Committee

Committee Composed of: Vice President of Student Services, Dean of Planning, Research and Regional Education, Chief of Police, Director of Facilities Management, Dean/Director of Nursing and Health Sciences, Director of Disability Support Programs and Services (DSPS), Director of Employee Services and Loss Control, two faculty members, Health Unit Clerk, two other classified members (one appointed by the Classified Senate and one appointed by the California School Employees Association), two students. **Executive Secretary:** Vice President of Student Services

Committee Responsibilities: Develop and recommend health, wellness, and safety related educational programs for staff and students. The Campus Health and Safety Committee shall develop and monitor college policies and procedures related to the maintenance of a safe campus environment and review matters related to the health and wellness of students and staff of the college. The committee shall regularly gather input from students and staff on the status of the college with respect to health and safety issues, and propose changes in policy/procedure consistent with the maintenance of a safe and healthy campus environment. The committee will also develop annual plans for in-service training and other staff and student development activities, which support a safe campus.

Advisory Relationships: Advisory to the President's Council for policy recommendations.
