# MyDelta Dashboard

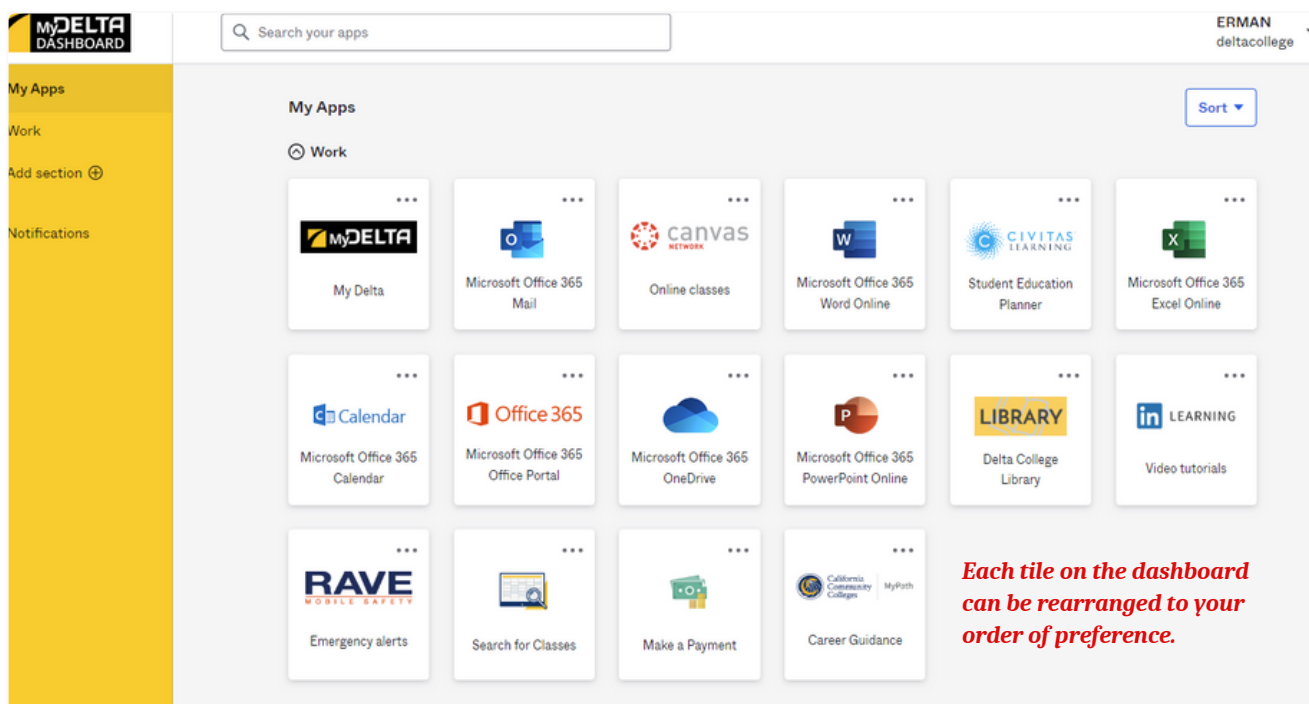

## Your One-Stop Shop for Student Apps

After applying to Delta College, an email will be sent to you with your Delta ID number and student email address along with a link prompting you to activate MyDelta Dashboard. MyDelta Dashboard offers a convenient way to access multiple student apps in one place. With a single login, you can gain access to apps such as Office 365, Student Email, Canvas, MyDelta Portal, and more. All currently enrolled students have access to MyDelta Dashboard.

### TO GET STARTED:

- **Go to** <https://deltacollege.okta.com>
- **Enter** Your Username and Password  
Example, if your Delta Student Email Address is [jsmith123@mustangs.deltacollege.edu](mailto:jsmith123@mustangs.deltacollege.edu), your username will be: [jsmith123](mailto:jsmith123@mustangs.deltacollege.edu) and the password is what was created upon activation of your account
- **Click Sign in** and you will be directed to your student dashboard \*see image below or reference New Student Checklist

## MyDelta Portal

### Register and View Class Schedule

MyDelta Portal allows students to plan and register for classes, view academic records, apply for graduation, check grades, view Financial Aid status, see billing information and more.

### Scan to access video tutorials on:

- Class Registration
- Student Education Planner
- Registration Calendar

## Student Education Planner

### Register and View Class Schedule through Student Planner

The Student Education Planner (CIVITAS) tile is where an Education Plan will be created by a Delta Counselor and yourself to map out courses needed to achieve your educational goals while at Delta. By utilizing this tool, students can plan their academic progress, improve communication with their counselor, and know which courses to register for. While you can use the planner independently, we strongly recommend contacting your counselor to construct your plan and ensure that you select the appropriate classes.

# Transfer and Career Pathways (TrACs)

Discover Delta College's revamped approach to simplify your academic journey. Our aim is to empower you to decide your objectives, complete your courses without delay, and either transfer to universities or land high-paying careers in our community.

Enter TrACs (Transfer and Career Pathways) – our solution to your academic concerns. Explore topics that pique your interest, and you'll find that each TrAC boasts a "success team" comprised of professors, counselors, librarians, and support staff. These experts will guide you every step of the way.

Financial Aid, scan QR code

## Our Commitment to Providing Financial Support for Students

We believe that expensive tuition and associated costs should not prevent students from receiving a quality education. Our Financial Aid & Scholarships Department is dedicated to helping students access grants, scholarships and other resources to make college affordable.

The **Free Application for Federal Student Aid (FAFSA)** is a federal application and the primary means of applying for financial aid at colleges and universities in the United States. It is completed by students each year they want to be considered for financial aid. California uses information entered on the FAFSA to award state grants like Cal Grant.

### CHECKING FINANCIAL AID STATUS:

MyDelta Dashboard

MyDelta Portal

Financial Aid

## Types of Aid

**Grants:** Students are eligible for grants based on their demonstrated financial need, which is determined by their FAFSA application. Grants are free money and do not require repayment.

**Loans:** Loans must be repaid. Students who are eligible may borrow loans from either the government or a private source.

**California College Promise Grant (Formerly BOG Fee Waiver):** Eligible students can apply for this state-sponsored program to have their enrollment fees waived. This grant is an excellent option for students who are not eligible for federal financial aid.

**Federal Work Study (FWS):** The Federal Work Study (FWS) program provides part-time jobs to undergraduate students with financial need, allowing them to earn money and gain work experience while receiving pay for educational expenses.

**Scholarships:** Delta offers a variety of scholarships every academic year, both campus-issued and outside-issued. Requirements for each scholarship may vary.

**Students in Health Professions:** The Health Professions Education Foundation is a nonprofit 501(c)(3) public benefit corporation that provides financial assistance to health professional students throughout California who are willing to practice in medically underserved areas.

### IMPORTANT NOTE!

The **2024-2025 FAFSA and CA Dream Act** applications will open **December 31, 2023** while the California Priority Deadline has been extended to April 2, 2024.

# Learning Communities & Support Programs

Learning communities offer a unique learning experience by bringing together courses with a common theme or context. This approach promotes a sense of community among students and faculty, creating a cohesive learning environment. In a learning community, students enroll in all classes within the community, fostering camaraderie within the group. The assignments and activities in one class are interconnected with other classes in the curriculum, creating a cohesive learning experience.

**Here are a few examples:**

## **BLACK EXCELLENCE & ENRICHMENT (BEE) ACADEMY:**

Looking to connect with a community where you can just BEE? Well, the Black Excellence and Enrichment Academy strives to provide just that! Designed to increase the matriculation, retention, and graduation rates of students of African descent, this program's unique structure and cultural enrichment offerings will provide you with the Valley's Own HBCU Experience. Students will be enrolled in two 8-week courses at a time while still completing 12-units per semester. Whether you are a first-time college student, a current high school student or a working adult, this program is for you!

## **EMPOWERING POSITIVE INITIATIVES & CHANGES (EPIC):**

The EPIC Learning Community supports college success for Asian American and Pacific Islander (AAPI) students, with a focus on exploring topics related to self-awareness, personal growth, cultural identity, written and oral communication through the lens of the AAPI experience.

## **PUENTE: BUILDING BRIDGES FOR TRANSFER:**

Puente is a nationally-recognized program that provides academic support to first-generation, low-income college students in calculus-based fields in Mathematics, Engineering and Sciences. This Learning Community consists of three interrelated components: writing, counseling/personal development, and mentoring.

## **MATH ENGINEERING SCIENCE ACHIEVEMENT (MESA):**

Delta's MESA program provides academic support to first-generation, low-income college students in calculus-based fields in Mathematics, Engineering and Sciences. The program is part of a statewide continuum of services that work with students from 6th grade through to their Bachelor's degree.

## **DIRECTING ADULTS ON THE RIGHT TRAC FOR EMPLOYMENT (DARTE):**

DARTE's cohort model is designed for working adults. Students can earn high school diploma credits and college units at the same time while learning about career options and developing lifelong skills.

**Joining a learning community provides an enriching opportunity for students to connect with others while pursuing their academic goals. Scan the QR code to find contact info & more on each learning community here at Delta.**

Office of Student  
Activities

## Enhancing Student Life at Delta College

The Office of Student Activities at Delta College offers a range of services and activities to support the growth and development of students. From overseeing Student Clubs and Associated Students, to managing the Delta Pride Center, they also provide practical student services such as room & table reservations for student club events and book and bike lockers.

## Student Clubs & Organizations

Students can create networks, friendships, and explore interests by joining one of the 20+ active clubs on campus related to education, career, recreation, leisure, and service. Can't find a club you like? We'll help you start a new one! Scan QR Code to see a current list of student clubs.

## Basic Needs Center: Food Pantry, Laundry Services, etc.

Delta College understands that meeting basic needs is crucial to the overall success of students. Access to basic necessities such as food and housing directly impacts their mental, emotional, physical health, academic performance, and professional development. The District is committed to ensuring that all students have equitable access to these needs through community collaboration, student empowerment, advocacy, and institutional integration. Delta College firmly believes that every person has the right to access food and housing, and is determined to eliminate hunger, malnourishment, and homelessness.

# NEW STUDENT CHECKLIST

## 1. Apply for Admission

Students can start by visiting [deltacollege.edu](http://deltacollege.edu). In the upper right-hand corner, click the yellow "APPLY" icon and then the "Start Your Application" icon to begin. Be sure to create the CCCApply account *and* complete the application. After submitting the application, students should receive a welcome email with their student ID number within 2 business days.

## 2. Access Your MyDelta Dashboard

Students will receive a series of emails after applying to Delta College. One of those emails will provide students with their **Delta ID number**, **Delta College email address**, and a **link** prompting them to activate their MyDelta Dashboard. Students need to activate their account and set a password. For assistance accessing the account or resetting the password, students can use the Delta College LiveChat feature on the bottom right corner by visiting [deltacollege.edu](http://deltacollege.edu) or visit the Delta Connect Center located on the first floor of the DeRicco Student Services Building.

## 3. Apply for Financial Aid

Students can complete the FAFSA at <https://studentaid.gov/h/apply-for-aid/fafsa> or the California Dream Act Application at <https://dream.csac.ca.gov/landing>. For questions or assistance with these applications, students can reach out to the Delta College Financial Aid Department by visiting [https://bit.ly/DC\\_FIN\\_AID](https://bit.ly/DC_FIN_AID).

## 4. Complete New Student Orientation

Students can access New Student Orientation through their "TASKS" tile in their MyDelta portal. There are multiple ways to complete the orientation. Completing the New Student Orientation is required to meet priority registration criteria.

## 5. Meet with a Delta College Counselor

To complete priority registration criteria, meeting with a counselor is required. Here are ways to schedule a meeting with a Counselor and create a Student Education Plan (SEP): Visit 2nd floor of the DeRicco Student Services Building Room 234, call 209-954-5151 ext. 6276, or use the LiveChat feature at [deltacollege.edu/department/counseling-center](http://deltacollege.edu/department/counseling-center).

## 6. Register for Classes

Course registration is only available online through the MyDelta portal. Students should reference their SEP by selecting "Student Education Planner/Civitas" tile in their MyDelta Dashboard. For assistance with registration, please review the registration tutorial information by visiting [https://bit.ly/DC\\_REG\\_T](https://bit.ly/DC_REG_T).

*Reference Page 1 of this Guidebook to see the SEP tile on the dashboard.*

## 7. Helpful Tips

- To avoid being dropped from a course, students need to attend the first day of class and complete required assignments
- It is strongly recommended that students submit an official copy of their high school transcript and any AP/IB exam results as soon as possible
- When contacting a Delta College instructor or employee via email, use the format `firstname.lastname@deltacollege.edu` and include your Student ID number in the message
- Students can visit the Delta Connect Center or connect with a Resource Specialist for additional support
