## Kids College Fall 2013 Workshop Start Dates

### AUGUST
- 16 Suzuki Strings (Ages 3 & up)
- 19 Lodi Community Band (High School)
- 20 Stockton Concert Band (High School)

### OCTOBER
- 3 * Drawing & Custom Murals (Ages 8 & up)
- 4 * Beginning Tennis (Ages 8-14)
- 5 * 10 Cool Little Science Experiments (Ages 6-12)
- 8 Beginning Chess (Ages 8-12)
- 12 Clay Butterflies on Canvas (Ages 6-12)
- * Cooking Creations (Ages 7-10)
- * Crazy Creations (Ages 7-10)
- 14 Beginning Piano Keyboarding (Ages 8 & up)
- 15 * Nature’s Yucky (Ages 8-11)
- 17 Beginning Guitar (Ages 8 & up)
- 18 Suzuki Strings (Ages 3 & up)
- 21 Computer Game Programming (Ages 12 & up)

### NOVEMBER
- 2 Early Reading (Ages 6-8)
- Pre-Algebra/Algebra 1 Skills (Ages 11 & up)
- Language Arts: Reading & Writing Strategies (Ages 9-11)
- * Cake Pops (Ages 8-12)
- * CSI Detective Mystery (Ages 8-12)
- 9 * Water Wizards (Ages 8-12)
- 12 * Critter Crack-Up (Ages 8-11)
- 16 Little Chefs: Home for the Holidays (Ages 4-6)
- 10 * Animal Adaptations (Ages 8-11)

### DECEMBER
- * New Workshops
Online SAT/ACT Test Preparation Teens
This 6-week online course will prepare students for both the SAT and ACT test questions in the areas of reading, writing, English, and science. Fall 2013 Start Dates: August 21, September 18, October 16, November 13, and December 11. (Note: New classes begin each month all year long.)

Online High School Credit Recovery Program
High School
High school students in need of making up credits or retaking a course to improve their GPA can get back on track to earn their high school diploma with this accredited online program. Nine different courses will be offered in the areas of math, science, and language arts.

For more information, look under the “Online Learning” section in this catalog for more details about the above online learning courses and many more, as well as online registration.

Early Reading
Ages 6-8
Does your student already know the alphabet and the letter sounds? If so, this workshop is perfect for taking the next steps toward developing strong reading and vocabulary skills. Instruction will include group reading, flash cards, and hands-on activities. Emphasis will be on building vocabulary, blending the letter combinations together, and developing good comprehension skills.

Carole Matthews has taught Reading and Language Arts at the preschool, elementary, and high school levels.
Nov 2-23 9:00-11:00 a.m.
Sat (4 classes) Shima 205
Code: 92074 Fee: $68

Pre-Algebra/Algebra I Skills
Ages 11 and up
This workshop will improve your student’s understanding of algebraic concepts. It will focus on the skills and habits needed for successful Pre-Algebra or Algebra I students. A review of prime factorization, decimals, percentages, fractions, proportions, equations, factoring, and ratios will be provided.

Workshop Requirements: Students must bring a notebook and pencil for note taking.
Carole Matthews has over 20 years experience in education.
Nov 2-23 11:30 a.m.-1:30 p.m.
Sat (4 classes) Shima 205
Code: 92166 Fee: $68

Language Arts: Reading & Writing Strategies
Ages 9-11
This workshop will focus on teaching students how to improve their skills in the components of language arts, including word analysis, reading processes, and comprehension of both literature and informational texts. They will also learn to increase their writing skills in composition, mechanics, and the writing process.

Carole Matthews has taught English and Language Arts at both the elementary and high school levels and has over 20 years experience in education.
Nov 2-23 1:45-3:45 p.m.
Sat (4 classes) Shima 205
Code: 16210 Fee: $68

Drawing & Custom Murals
Ages 8 and up
In this unique drawing class, students will increase their knowledge of drawing methods. They will learn how to transform a collection of favorite pictures, based on a theme, into a poster-sized mural. Colored pencils and fine-tip pens will be used to create their drawings, which will cover the entire surface area of the poster board with a variety of patterns and textures.

Workshop Requirements: Students should have experience or a basic knowledge of drawing. $8 materials fee (cash only, exact change) is due to the teacher at the beginning of the first class.
Jessica Bernal Estavillo has been drawing all her life and enjoys sharing her passion for art. Her art has been featured in local art shows.
Oct 2-23 4:00-5:30 p.m.
Thur (4 classes) Shima 133
Code: 31167 Fee: $49

Clay Butterflies on Canvas
Ages 6-12
Students in this workshop will create a life-like clay butterfly. It is simple to learn and great for first-time clay sculptors. They will paint their butterflies using a variety of colors and add them to a canvas that they decorate. The finished product is a work of art that the student will be proud to hang or give as a gift. Class is limited to 10 students.

Workshop Requirements: $10 materials fee (cash, exact change) is due to the teacher at the beginning of the class for all art supplies.
Victoria Davila enjoys teaching children arts and crafts and likes to implement what she has learned in her design and sculpture classes at Delta College.
Oct 12 10:00 a.m-1:00 p.m.
Sat (1 class) Shima 133
Code: 44936 Fee: $29

Computer Game Programming
Ages 12 and up
This is THE workshop students have most requested! Students will design, develop, and write a PC game using Microsoft Small Basic on a Windows-based computer. An introduction to computer programming will be taught with an emphasis on creating a PC game.

Workshop Requirement: Students must bring a memory device such as a Flash Drive to save their creations.
Lisa Perez is a full-time professor of Computer Science at San Joaquin Delta College.
Oct 21-Nov 4 4:00-5:30 p.m.
Mon (3 classes) Shima 408
Code: 47309 Fee: $39

Cooking Creations
Ages 7 to 10
In this hands-on culinary workshop, students will learn to create foods that they can make again and again on their own. They will learn math and science skills in a fun way. Class size is limited to 10 students.

Workshop Requirements: $10 materials (cash only, exact change) fee is due to the teacher at the beginning of the first class. Parents must call 209-954-5015, no later than 7 days prior to the start of the workshop if their child has any food allergies or restrictions. Students should bring an apron or “dress for a mess.”
Alicia Delgado has over 6 years experience in early childhood education and enjoys providing learning opportunities that stimulate young minds.
Oct 12-26 11:00 a.m.-12:30 p.m.
Sat (3 classes) Shima 301
Code: 77493 Fee: $37
**Cooking / Music**

**Cake Pops**
Ages 8-12
Cake Pops are a popular fun dessert! Come and learn how to make them the real way starting with a homemade cake, adding frosting covered in a chocolate shell. Students will be able to take a few cake pops and recipe home to share and recreate them for their family and friends. Class is limited to 10 students.

**Workshop Requirements:** $7 materials fee (cash, exact change) is due to the teacher at the beginning of the class, for all the art supplies.

Desiree Aguirre has been an early childhood educator for over twenty years, a mentor teacher, and loves to inspire young children to have fun while learning.

True Love: Beginning students will meet the first hour; intermediate and advanced students will meet the second hour. This workshop is ongoing; thus registration is open ended. There are a limited number of violins available for a $2.50 maintenance fee per section. Every student must have a violin.

**Workshop Requirements:** Parents of pre-fourth grade students who want to enroll their children in Beginning Suzuki must first take the workshop themselves, as the Suzuki method requires the parent to help their child during home practice sessions. Before a pre-fourth grade student can register, the parent must have attended the workshop, completed the required reading, and must be able to play simple songs at the required level. Parents of pre-fourth grade students must attend each class with their child. The first two-hour class of each section is mandatory for new beginning students. New students must purchase a recording of Suzuki Vol. 1 for Violin, available at local music stores. New violins brought to class MUST be tuned and adjusted in advance, so as not to take away the teacher’s attention from other students. *(Note: Other requirements will be covered in class).*

Rita Wilcox and Barbara Martinez have taught Suzuki Violin at Delta College for over 30 years. Parents of pre-fourth grade students who want to enroll their children in Beginning Suzuki must first take the workshop (8 classes) themselves, as the Suzuki method requires the parent to help their child during home practice sessions. Before a pre-fourth grade student can register, the parent must have attended the workshop, completed the required reading, and must be able to play simple songs at the required level. Parents of pre-fourth grade students must attend each class with their child. The first two-hour class of each section is mandatory for new beginning students. New violins brought to class MUST be tuned and adjusted in advance, so as not to take away the teacher’s attention from other students. *(Note: Other requirements will be covered in class).*

**Stockton Concert Band**
High School
This workshop is dedicated to the rehearsal and performance of concert literature with emphasis on sight-reading and public performance. Students will have an opportunity to be a part of a large concert band and play a variety of music from classical to pop.

**Workshop Requirements:** Musicians must have at least two years of experience as a band performer and must demonstrate their ability through an audition before full acceptance into the band.

**Attention:** Beginning students will meet the first hour; intermediate and advanced students will meet the second hour. This workshop is ongoing; thus registration is open ended. There are a limited number of violins available for a $2.50 maintenance fee per section. Every student must have a violin.

Rita Wilcox and Barbara Martinez have taught Suzuki Violin at Delta College for over 30 years.
class session, as well as have access to a piano or keyboard at home for daily practice.

Julie Dollahite has taught private piano lessons for over 20 years. Oct 14-Nov 13 4:30-6:00 p.m.
Mon & Wed (10 classes) Holt 109 Code: 99746 Fee: $115

Beginning Guitar

Ages 8 and up

Students will enjoy this enriching workshop as they develop their musical skills. This workshop will focus on the basic guitar fundamentals, including tuning of the instrument and basic chords. Students will be exposed to both English and Spanish rhythms. No guitar experience is needed. (Note: The first portion of each class will focus on the critical element of tuning of guitars.)

Workshop Requirements: Students MUST bring a six-string acoustic guitar (preferably with nylon strings), tablet of paper, and pen to each class. Must purchase the guitar textbook at the Delta College Bookstore. Guitars should be tuned in advance of each class.

Mike Torres is a professional musician and has 30 years of experience teaching guitar.

Oct 17-Nov 21 4:00-5:00 p.m.
Thu (6 classes) Shima 127 Code: 82330 Fee: $49

ONLINE LEARNING

Online Learning Courses

Learn from home this fall! Looking for a way to brush up on your academic skills or want to pursue a new interest? Kids College has partnered with ed2go® to offer a variety of not-for-credit online learning courses. The following is just a sample of available classes:

- **Academics**: Math, Languages, Grammar, Science, SAT & GED Test Prep
- **Computers**: Programming, Networking, Web Technology, Graphic & Multimedia Design
- **Arts**: Digital Photography, Creative Writing, Guitar, Drawing
- **Career**: Job Search, Start a Pet Sitting Business, Resume Writing
- **Personal Enrichment**: Dealing with Difficult People, Communication, Leadership, Get Assertive!

All courses run for six weeks with a two-week grace period at the end. Each course is composed of 12 lessons, representing 24 hours of instruction.

Requirements: Students must have at least an 8th grade reading level, an e-mail address, and Internet access (Netscape Navigator or Internet Explorer web browser).

Fall 2013 Start Dates: August 21, September 18, October 16, November 13, and December 11. (Note: New classes begin each month all year long.)

Fees: Most six-week online courses are $95. For details about the online courses and how to register, visit the website: www.ed2go.com/sjdckids.

**Online High School Credit Recovery Program**

At a time when many districts have cut summer school or eliminated other options, there is now an affordable, flexible, and accessible alternative to summer school. High school students in need of making up credits or retaking a course to improve their GPA can get back on track to earn their high school diploma with this accredited online program. Kids College has partnered with ed2go® to offer the online Summer School Credit Recovery Program. Both semester 1 and semester 2 are offered for each of the following courses: **MATHMATICS**: Algebra I, Geometry, Algebra II; **SCIENCE**: Biology, Chemistry; **LANGUAGE ARTS**: English I, II, III, IV. These courses are self-paced, meet all state standards, and support is available from qualified, certified instructors to answer questions by phone or email.

**Registration is open enrollment.** Students should complete the Credit Transfer Pre-Approval and gain approval from their guidance counselor prior to registration. Length of course: approximately 4 weeks (per semester course). Course Fee: $299 for each semester course. For details about the online High School Credit Recovery Program and other online courses and how to register, visit the website: www.ed2go.com/sjdckids.

**Online Driver’s Education**

Are you ready to get your driver’s license? Why spend time in class when you can do it online during your spare time? Kids College offers a 30-hour online driver’s education class in association with OnlineDriversEd.com. This is a California DMV-certified driving education interactive course that blends reading, flash animation, and video with study questions. Students can take the quizzes and the online driver’s education test as many times as it takes to successfully complete the online driver’s education course. Practice permit tests are available upon successfully passing the course. For details and registration, visit the website: http://onlinedriversed.com/?lcode=4272. Course fee: $29.50. Have questions? Call 866-836-8952 (Remember to mention Kids College and Code # 4272).

**SCIENCE & ENGINEERING**

**Nature’s Yucky**

Ages 8-11

Did you know that owls throw up every day, or that eagles eat rotting fish? As yucky as it sounds, this gross stuff keeps nature working! Students will uncover the importance of animals with unusual habitats and those that make people say, “Ick!”

This includes experiments, making observations, and getting your hands in the “ick.”

**Workshop Requirements**: $5 material fee (cash only, exact change) is due to the teacher at the beginning of class.

**Kristy Benner** is an Educational Specialist for the Micke Grove Zoological Society, which is committed to the instruction throughout the San Joaquin County.

Oct 15 4:00-5:30 p.m.
Tue (1 class) Shima 133
Code: 26346 Fee: $15

**Critter Crack-Ups**

Ages 8-11

Come and discover more about the world of animals. Students will learn that birds aren’t the only animals to lay eggs. This workshop will include story time, games and crafts, and a live owl encounter.

**Workshop Requirements**: $5 material fee (cash only, exact change) is due to the teacher at the beginning of class.

**Kristy Benner** is an Educational Specialist for the Micke Grove Zoological Society, which is committed to the instruction throughout the San Joaquin County.

Nov 12 4:00-5:30 p.m.
Tue (1 class) Shima 133
Code: 66720 Fee: $15

**Animal Adaptions**

Ages 8-11

This engaging class walks students through the animal world where having a tail can save your life and spots can make all the difference in survival. Questions like, “Why do skunks smell so bad?” get answered while the children design new animals with amazing adaptation abilities.

**Workshop Requirements**: $5 material fee (cash only, exact change) is due to the teacher at the beginning of class.

**Kristy Benner** is an Educational Specialist for the Micke Grove Zoological Society, which is committed to the instruction throughout the San Joaquin County.

Dec 10 4:00-5:30 p.m.
Tue (1 class) Shima 133
Code: 15878 Fee: $15
10 Cool Little Science Experiments

Ages 6 to 12

In this hands-on class, young scientists will explore science through a variety of experiments. They will engage in fun activities and make sticky ice, use litmus paper, measure pH, make bubble sculptures, create slime, form a bouncy ball, wake up fungus, and more.

**Workshop Requirements:** $5 material fee (cash only, exact change) is due to the teacher at the beginning of class.

Tina Bruno has a degree in Chemistry and Natural Science and is an after-school tutor. She enjoys providing students with science activities.

Oct 5 9:00 a.m.-12:00 noon
Sat (1 class) Shima 133
Code: 42030 Fee: $29

CSI Detective Mystery

Ages 8-12

Case of the Diamond Maker: Student detectives will gather evidence at various stations to decide which of the suspects stole the “goods.” This class includes hands-on study and observation of various forensic methods, including fingerprinting, chromatography, and pH testing, to solve an imaginary crime.

**Workshop Requirements:** $3 material fee (cash only, exact change) is due to the teacher at the beginning of class. Students must bring a notebook and pencil to class and must wear closed-toe, closed-heel shoes.

Tina Burno has a degree in Chemistry and Natural Science and is an after-school tutor. She enjoys providing students with science activities.

Nov 2 9:00 a.m.-12:00 noon
Sat (1 class) Shima 133
Code: 38656 Fee: $29

Water Wizards

Ages 8-12

Does water have skin? Can it power a wheel? Did you know that water is the universal medium for all biological activity? Come and discover answers to these questions and explore the magic of H2O.

Class size is limited to 10 students.

**Workshop Requirements:** $2 materials fee (cash only, exact change) is due to the teacher at the beginning of the first class.

Charles Stevens is an engineer and a teacher who loves science and explaining some of its mysteries.

Nov 9 9:00 a.m.-12:00 noon
Sat (1 class) Shima 127
Code: 21057 Fee: $29

Crazy Creations

Ages 7-10

Calling all curious scientists! In this hands-on workshop, students will explore scientific concepts in a fun, educational way as they learn to observe, measure, and experiment. They will make a variety of things, including a tornado. Class size if limited to 10 students.

**Workshop Requirements:** $6 materials fee (cash only, exact change) is due to the teacher at the beginning of the first class. Parents must call 209-954-5015, no later than 7 days prior to the start of the workshop if their child has any food allergies or restrictions.

Alicia Delgado has over 6 years of experience in early childhood education and enjoys providing learning opportunities that stimulate young minds.

Oct 5-26 9:00 a.m.-12:00 noon
Sat (3 classes) Shima 301
Code: 86709 Fee: $37

Beginning Chess

Ages 8-12

Chess: The game of champions! Did you know that chess can help your child grow mentally and develop analytical and decision-making skills? This beginning class will cover the basic techniques and strategies of chess. Class size is limited to 10 students.

Aarian Imada has over 10 years of experience in playing chess as well as 5 years of experience competing in mini tournaments.

Oct 8-29 4:00-5:30 p.m.
Tue (4 classes) Locke 105
Code: 97719 Fee: $49

Beginning Tennis

Ages 8-14

While learning an active, new hobby, students will have fun through teamwork and competition and will make new friends. This workshop will cover the basic techniques of hitting ground strokes (forehand and backhand), volley, serve, scoring, and playing the game of tennis. Drills will be orchestrated to help the students control the placement of the ball.

Class size is limited to 8 students.

**Workshop Requirements:** Students must bring a tennis racquet, water, and head covering.

Cy Clays has been an active tennis player for over 30 years and has taught tennis at a local tennis club for more than 10 years.

Oct 4-Nov 8 4:00-5:00 p.m.
Fri (6 classes) Tennis Courts
Code: 87441 Fee: $62

For detailed workshop descriptions, information about the teacher, and online registration, visit the web: www.adultedreg.com/deltakidscollege
