**Kids College Online Learning Opportunities**

**Online Courses:** All courses run for six weeks with a two-week grace period at the end. Each course is composed of 12 lessons, representing 24 hours of instruction. You can ask questions and give or receive advice at any time during the course. A new section of each course starts monthly. These are not-for-credit classes, but upon successful completion, students will be able to download a certificate of completion from Ed2Go®.

**Summer Schedule:** Classes begin on May 19, June 16, August 18, and September 19.

**Fee:** $89 for most six-week online courses

**Basic Computer Requirements:** Students must have an e-mail address and Internet access (Netscape Navigator or Internet Explorer web browser).

**Other Requirements:** Students must have at least an 8th grade reading level.

---

Kids College, in association with Drivers Ed Online, is offering a California DMV-certified online driving education course that empowers teens and adults. This 30 hour course provides a comprehensive and effective learning experience that is 100% safe, convenient and secure. (Note: A student can take the course at any age, but cannot apply for a DMV driving permit until age 15 1/2 and needs the certificate from the course to apply.)

- Online registration and course participation is available 24 hours a day, 7 days a week: [www.kidscollege.driversedonline.com](http://www.kidscollege.driversedonline.com). Course Fee: $69.
- Have questions? Need additional information? Call the Drivers Ed Online toll free number: 866-836-8952
**ACADEMIC SKILLS & CREATIVE LEARNING**

### Mental Math
**Ages 5-9**

In this workshop, students will enhance their mental math skills which allows the students to focus more accurately and learn a more systematic approach to memorization. Class size is limited to 10 students.

**Workshop Requirements:** Students must bring a notebook and pencil for note taking.

June 12-July 24 (no class on 7/3), Saturdays (6 classes), 9:00-10:00 a.m., Shima 111, Code: 28746, Fee: $47

### Smarty Math
**Ages 5-9**

This workshop will help students think creatively, solve problems, and gain a deeper understanding of math concepts. Class size is limited to 10 students.

**Workshop Requirements:** Students must be able to add single digits, and must bring a notebook and pencil to each class.

June 12-July 24 (no class on 7/3), Saturdays (6 classes), 10:30-11:30 a.m., Shima 111, Code: 31936, Fee: $64 (includes all handouts)

### Reading Readiness
**Ages 4-6**

In this workshop students will learn the letters and the sounds they represent in an energetic, fun setting that is based on the phonics approach to reading.

**Workshop Requirements:** Students must bring a notebook and pencil for note taking.

June 12-July 24 (no class on 7/3), Wednesdays & Saturdays (8 classes), 10:00-12:00 noon, Holt 132, Code: 38683, Fee: $45

### Early Reading
**Ages 6-8**

This workshop is designed for students who know the alphabet and the letter sounds and are ready to take the next steps toward developing strong reading, comprehension, and vocabulary skills.

**Workshop Requirements:** Students must bring a spiral notebook and pencil to each class.

June 16-July 14 (no class on 7/3), Wednesdays & Saturdays (8 classes), 10:15-11:15 a.m., Shima 132, Code: 91660, Fee: $64 (includes all handouts)

### Pre-Algebra/Algebra I Skills
**Ages 11 and up**

This workshop will improve your student’s understanding of algebra concepts and will focus on the skills and habits needed to be successful Pre-Algebra or Algebra I students.

**Workshop Requirements:** Students must bring a notebook and pencil for note taking.

June 16-July 14 (no class on 7/3), Wednesdays & Saturdays (8 classes), 11:30 a.m.-12:30 p.m., Shima 132, Code: 19534, Fee: $64 (includes all handouts)

### What’s Next in Math?
**Ages 10-12**

This workshop will build on the basic math skills of addition, subtraction, multiplication, division, place value, fractions, geometry, and measurement as well as cover many more advanced math skills and their applications as well.

**Workshop Requirements:** Students must bring a notebook and pencil to each class.

June 16-July 14 (no class on 7/3), Wednesdays & Saturdays (8 classes), 1:00-2:00 p.m., Shima 132, Code: 82454, Fee: $64 (includes all handouts)

### Moving on with Math
**Ages 8-10**

This workshop will help students sharpen basic math skills and move forward with the following concepts: multiplication, short and long division, number families, regrouping and remainder problems, word problems, Roman numerals, fractions, equations, averaging, money, geometry, and measurement.

**Workshop Requirements:** Students must bring a notebook and pencil to each class.

June 16-July 14 (no class on 7/3), Wednesdays & Saturdays (8 classes), 2:15-3:15 p.m., Shima 132, Code: 31936, Fee: $64 (includes all handouts)

### Writing Reports: Trauma or Triumph?
**Ages 12 and up**

This workshop will cover topics ranging from writing great sentences to a complete research paper, as well as instruction in writing techniques, using reference materials and documenting their sources.

**Workshop Requirements:** Students must bring a notebook and pencil to each class.

June 16-July 14 (no class on 7/3), Wednesdays & Saturdays (8 classes), 3:30-4:30 p.m., Shima 132, Code: 37957, Fee: $64 (includes all handouts)

### Pre-Algebra/algebra I Skills
**Ages 11 and up**

This workshop will improve your student’s understanding of algebra concepts and will focus on the skills and habits needed to be successful Pre-Algebra or Algebra I students.

**Workshop Requirements:** Students must bring a notebook and pencil for note taking.

June 16-July 14 (no class on 7/3), Wednesdays & Saturdays (8 classes), 11:30 a.m.-12:30 p.m., Shima 132, Code: 19534, Fee: $64 (includes all handouts)

### Natural A’s
**Ages 10 and up**

This workshop makes note taking, reading, studying, memorizing, and test taking amazingly efficient. As students discover simple methods for understanding math and other subjects, optimizing focus and concentration, and preventing test anxiety.

**Workshop Requirement:** $30 materials fee is due to the teacher at the beginning of class (includes all classroom and take home materials).

June 18, Friday (1 class), 1:00-4:00 p.m., Locke 118, Code: 10958, Fee: $45

### Creative Writing by YOU!
**Ages 9-12**

This workshop will introduce forms of creative writing in a fun way, where students will learn to free up their mental imagery as they enhance their writing style and confidence. (Note: This workshop is based on the instructional concepts of the Amherst Writers and Artists model.) Class size is limited to 8 students.

**Workshop Requirements:** Students must be able to write a simple sentence. Students must bring a pencil, pen, and writing tablet to each class.

June 26-July 17 (no class on 7/3), Saturdays (3 classes), 10:00 a.m.-12:00 noon, Locke 105 (Locke Lounge), Code: 70783, Fee: $57 (includes all handouts)

### Geometric Geometry Camp
**Ages 12 and up**

This workshop will help students increase their understanding of the fundamental principles of geometry as they walk through the maze of geometry by introducing them to the ideas of deduction and logical consequences, concepts they will continue to use throughout their lives.

**Workshop Requirements:** Students need to bring a tablet of graph paper, pencils, eraser, and a calculator for problem solving. Students must also have completed Algebra I.

June 28-July 1, Monday-Thursday (4 classes), 10:00 a.m.-12:00 noon, Holt 132, Code: 38683, Fee: $62

### Writing for Rookies Camp
**Ages 6-10**

This fun, hands-on workshop is designed for beginning writers who are struggling with the fundamentals and will focus on basic writing skills and improvement techniques. Class size is limited to 10 students.
Academic Skills & Creative Learning / Arts & Crafts

June 28-July 1, Monday-Thursday (4 classes), 1:00-3:00 p.m., Shima 127, Code: 98778, Fee: $62

**Mystery of Math**
Ages 8-12
This workshop will help unlock the mysteries of mathematics and will focus on the basic skills students need in order to be successful in this area as they explore fractions, decimals, variables, negative numbers, ratios, estimation, rounding, converting, and logical reasoning.

Workshop Requirement: $4 materials fee is due to the teacher at the beginning of the first class.

June 29-July 7, Tuesdays, Wednesdays, & Thursday (5 classes), 12:30-2:30 p.m., Shima 126, Code: 43698, Fee: $77

**Reading Comprehension**
Ages 8-12
This non-tutorial based program will introduce students to the enjoyment of reading, improve comprehension, and is designed to encourage strong reading skills as they participate in activities that will include vocabulary building, group activities, and individual practice.

Workshop Requirement: $4 materials fee is due to the teacher at the beginning of the first class.

Mandatory Testing prior to the start of the workshop on Monday, June 28, 3:00-4:00 p.m. in Shima 126.

June 29-July 7, Tuesdays, Wednesdays, & Thursday (5 classes), 3:00-4:30 p.m., Shima 126, Code: 32480, Fee: $65

**ARTS & CRAFTS**

**Picture Painting Camp**
Ages 10 and up
Students will mix and explore color through the medium of acrylic paints as they explore the fine art of painting. Class size is limited to 10 students.

Workshop Requirements: Students must bring a photo or picture of something they would like to paint (i.e., their pet or favorite character)

June 14-17, Monday-Thursday (4 classes), 10:00 a.m.-12:00 noon, Shima 314, Code: 71590, Fee: $67 (includes materials)

**Creative Clay Sculpture Camp**
Ages 8-12
In this beginning hands-on workshop, students will use air-dry clay to open the door to creative possibilities through sculpture. Class size is limited to 10 students.

June 14-17, Monday-Thursday (4 classes), 1:00-2:30 p.m., Shima 314, Code: 32286, Fee: $57 (includes materials)

**Messy Art**
Ages 4-6
Young children love to paint! In this creative workshop, little fingers will participate in a variety of hands-on art projects and activities that use paint, food, cutting, and pasting. Class size is limited to 8 students.

Workshop Requirements: Parents, if your child has a food allergy, please call 209-954-5015 no later than April 1 so an adjustment can be made. Students should “dress for a mess.”

June 19-July 17 (no class on 7/3), Saturdays (4 classes), 10:00-11:00 a.m., Shima 142, Code: 11861, Fee: $45 (includes all supplies and materials)

**Adventures in Art**
Ages 4-6
In this imaginative workshop, the creative process of telling a story and capturing the magic of remembering it will be explored through songs, puppets, painting, and other forms of art. Class size is limited to 8 students.

June 19-July 17 (no class on 7/3), Saturdays (4 classes), 11:30 a.m.-12:30 p.m., Shima 142, Code: 14600, Fee: $45 (includes all supplies and materials)

**Intermediate Drawing**
Ages 10 and up
This workshop will build on basic drawing and sketching techniques as students further their understanding of the process of seeing the world around them and capturing it on paper with pencils.

Workshop Requirements: Students must have drawing experience and completed a beginning drawing class. They must bring the following materials to class: 2 regular pencils, a pink eraser, 9 X 12 drawing or sketch pad, and a small set of colored pencils.

June 19-July 17 (no class on 7/3), Saturdays (4 classes), 2:00-4:00 p.m., Shima 314, Code: 15784, Fee: $62

**DSCED**

**Drawing Methods & Paper Maché Camp**
Ages 9-12
This beginning drawing workshop focuses on different elements of drawing and will explore shading, perspective, and contour as students learn to draw faces and bodies, show hand and facial gestures, and draw landscapes, as well as the basics of paper maché.

Workshop Requirements: Students must bring a sketch pad or 8" X 11" plain white paper, several #2 lead pencils, 2" pink eraser, and optional colored pencils.

June 21-24, Monday-Thursday (4 classes), 1:00-2:30 p.m., Shima 142, Code: 16058, Fee: $50 (includes paper maché materials)

**Masters Art Camp**
Ages 6-10
Students will learn to use art supplies and techniques with “The Masters” as their guide to inspire them as they create personal masterpieces.

Workshop Requirements: Students must bring drawing experience and completed a drawing class. They must bring the following materials to class: 2 regular pencils, a pink eraser, 9 X 12 drawing or sketch pad, and a small set of colored pencils.

June 28-July 1, Monday-Thursday (4 classes), 9:00 a.m.-12:00 noon, Shima 127, Code: 70040, Fee: $82

**Stained Glass**
Ages 12 and up
In this hands-on workshop, students will explore the basic techniques, safety of stained glass, and will have the opportunity to make a stained glass creation to take home. Enrollment is limited to 10 students. (Note: Students who have already taken Kids College Stained Glass for Kids or Simulated Stained glass are welcome to take this workshop as the project is new)

June 28-July 1, Monday-Thursday (4 classes), 1:00-2:30 p.m., Shima 127, Code: 70040, Fee: $82
**Workshop Requirement:** $10 materials fee is due to the teacher at the beginning of the first class.

**July 6-8, Tuesday, Wednesday, & Thursday (3 classes), 1:00-3:00 p.m., Shima 142, Code: 23619, Fee: $47**

**Simulated Stained Glass**
Ages 8-11
This hands-on workshop will expose young students to the beauty of light reflecting through colored glass and they will make a simulated window (no soldering) that looks real, which will be ready to hang, and enjoy in a window. Enrollment is limited to 10 students.

**Workshop Requirement:** $10 materials fee is due to the teacher at the beginning of the first class.

**July 7 & 8, Wednesday & Thursday (2 classes), 3:30-4:30 p.m., Shima 142, Code: 65290, Fee: $15**

**Paper Quelling**
Ages 7 and up
In this unique workshop, students will learn the basics of shaping paper into strips of coil which can be rolled, scrolled, fringed, and then arranged on their edge to create beautiful designs. Class size is limited to 10 students.

**Workshop requirement:** $8 materials fee is due to the teacher at the beginning of the first class.

**July 10-24, Saturdays (3 classes), 12:00-1:30 p.m., Shima 111, Code: 64111, Fee: $35**

**Drawing on Art Camp**
Ages 8 and up
Through a creative process, students will increase their understanding of the elements of art, principles of design, technique, and style in art, as well as improve their drawing skills and techniques through analysis and experimentation. Class size is limited to 10 students.

**Workshop Requirements:** $5 materials fee is due to the teacher at the beginning of the first class.

**July 12-15, Monday-Thursday (4 classes), 10:00 a.m.-12:00 noon, Shima 128, Code: 87091, Fee: $62**

**Art of Computer Game Design Camp**
Ages 10 and up
Students will study and practice basic art techniques and flow chart as they apply to the creation of a Computer Game Design Book. (Note: Students will use art supplies, not computers, to create their illustrated Computer Game Design Book.)

**Workshop Requirements:** $12 materials fee is due to the teacher at the beginning of the first class.

**July 6-8, Tuesday, Wednesday, & Thursday (3 classes), 1:00-3:00 p.m., Shima 142, Code: 23619, Fee: $47**

**Beginning Origami Camp**
Ages 8-12
In this workshop, students will enjoy learning the art of origami as they create fun and useful objects as they transform a flat piece of paper into a three dimensional figure which is a unique exercise in spatial reasoning, as well as fun!

**July 12-15, Monday-Thursday (4 classes), 1:00-3:00 p.m., Shima 128, Code: 33292, Fee: $62**

**Microsoft Publisher**
Ages 11 and up
In this fun, creative workshop, students will explore the possibilities that Publisher offers: Letterhead, Newsletters, Postcards, Menus, Gift Certificates, Business Cards and much more.

**June 30, Wednesday (1 class), 2:00-5:00 p.m., Shima 237, Code: 84170, Fee: $25**

**WebWise**
Ages 8 and up
This timely workshop will explore safe electronic and internet practices through victims stories, interactive games, and video clips, students will explore the right answers and the consequences of poor choices and can learn to be a “cyber bully buster!”

**July 1, Thursday (1 class), 2:00-5:00 p.m., Shima 237, Code: 29095, Fee: $25**

**Creative Computer Craft Camp**
Ages 8-11
This workshop blends the world of computers and crafts, and promotes critical thinking and creative skills as students use their imagination and expand their technological awareness to create fun projects using the computer. Class size is limited to 10 students.

**July 6-15, Tuesdays, Wednesdays, & Thursdays (6 classes), 10:30 a.m.-12:00 noon, Cunningham 205, Code: 67027, Fee: $75 (includes all materials)**

**“Mousing Around” Computer Camp**
Ages 3-6
In this fun, informative workshop, students will learn about the different parts of a computer, how to make it work, and explore age appropriate software and safe Internet sites. Class size is limited to 6 students.

**July 6-15, Tuesdays, Wednesdays, & Thursdays (6 classes), 1:00-2:00 p.m., Cunningham 205, Code: 83077, Fee: $25**

**Create Your Own Book**
Ages 10 and up
Students will create and publish bookstore quality books using free software for PCs or Macs. As they learn how to add photos, artwork, and text to create Team Memories, Poetry Collections, or Special Event books.
International Cooking Camp
Ages 10 and up
In this cooking camp, students will explore the cuisines of Italy, Mexico, and France, will be exposed to the history, culture, and music of the various countries as they are involved in the preparation and tasting of the dishes. Class size is limited to 10 students.

Workshop Requirements: Students should bring an apron, wear sturdy closed-toe shoes, and for sanitary purposes, please tie hair back, or wear a hat. Parents must call 209-954-5015 if their child has any food allergies or restrictions.

June 22-24, (Tuesday-Thursday) (3 classes), 10:00 a.m.-12:00 noon, Shima 301, Code: 81706, $55 (fee includes all materials, food, and recipes)

Got Brownies? Come Decorate!
Ages 8-12
Bring your brownies to this fun decorating workshop and learn how to embellish them with different shapes, forms, and colors, how to make icing and use pastry decorating bags.

Workshop Requirements: $6 material fee due to the teacher at the beginning of class. Students must bring a 13 X 9 X 2 pan of pre-made, un-iced brownies, an apron, large container to transport the brownies home (so they will not get squished). Parents must call 209-954-5015 if their child has any food allergies or restrictions.

June 26, Saturday (1 class), 1:00-4:00 p.m., Shima 301, Code: 19244, Fee: $23

Pizza Galore Camp
Ages 8-12
Each student will make individual pizzas with different toppings, from tropical chicken and pineapple to savory Italian salami and sausage as they explore the differences between deep dish pizzas and thin crust, and practice how to make the crusts and sauce from scratch. Enrollment is limited to 10 students.

Workshop Requirements: Students should bring an apron, wear sturdy closed-toe shoes, and for sanitary purposes, please tie hair back, or wear a hat. Parents must call 209-954-5015 if their child has any food allergies or restrictions.

July 12-15, Monday-Thursday (4 classes), 1:00-3:00 p.m., Shima 301, Code: 41675, Fee: $75 (fee includes all materials, food, and recipes)

DANCE & MOVEMENT

Funky Fresh
Ages 10 and up
In this lively dance students will learn different body rhythms, some hip-hop and break dancing techniques, and will choreograph their own routines, which will result in the opportunity to participate in a classroom competition.

Workshop Requirements: Students should bring a bottle of water, wear comfortable clothes and soft-soled shoes (no tennis shoes).

June 21-July 19 (no class on 7/5), Mondays (4 classes), 3:00-4:30 p.m., Budd 402, Code: 67506, Fee: $47

Dancing 2 Musicals: “Annie”
Ages 8-11
Students will learn the basics of dance to songs from the exciting musical “ANNIE”, and will perform a recital for family and friends on June 24 at 2:30 p.m.

Workshop Requirements: Students should bring a bottle of water, wear comfortable clothes and soft-soled shoes (no tennis shoes).

June 22-24, Tuesday - Thursday (3 classes), 1:00-3:00 p.m., Budd 402, Code: 70793, Fee: $50 (includes CD of songs and set)

Have questions?
Please call 209-954-5015

Computers & Photography / Cooking / Dance & Movement

Workshop Requirements: Students must have basic computer skills and bring 20 JPEG photos on a Flash Drive to class.

July 6, Tuesday (1 class), 2:00-5:00 p.m., Shima 237, Code: 50886, Fee: $25

Website Design
Ages 10 and up
In this workshop, students will learn how create a Web Page, explore the terminology, functions, and the source code behind the page, and add color, text, radio buttons and images to their web page they will be ready to publish.

Workshop Requirements: Students must bring a memory device such as a Flash Drive to save their creation.

July 7, Wednesday (1 class), 2:00-5:00 p.m., Shima 237, Code: 11404, Fee: $25

PowerPoint
Ages 10 and up
Students will learn how to create dazzling slide presentations with multimedia, charts, outlines, graphs, clip art, and hypertext links that engages their audience and keeps them riveted to the story they need to tell.

July 8, Thursday (1 class), 2:00-5:00 p.m., Shima 237, Code: 61190, Fee: $25

COOKING

Basic Baking & Measurements
Ages 9-12
Come and learn the fundamentals of baking a cake and making frosting (from scratch… no mixes or canned products!) and the proper measurements of three elements: ingredients, time, and temperature. Class size is limited to 8 students.

Workshop Requirements: $6 materials fee is due to the teacher at the beginning of the class. Each student needs to bring on 8" X 8" OR 9" X 9" sturdy cake pan and two potholders. Students should bring a snack or sack lunch and a beverage. Parents must call 209-954-5015 if their child has any food allergies or restrictions.

June 17, Thursday (1 class), 10:00 a.m.-1:00 p.m., Shima 301, Code: 71037, Fee: $32

Camp Sushi
Ages 10-14
In this fun workshop, students will learn to make tasty sushi rolls with their favorite colorful vegetables, along with dipping sauces, will work with sticky rice to create both sweet and savory dishes, and will have the opportunity to master the art of eating with chopsticks (or, simply use their fingers). Class size is limited to 10 students.

Workshop Requirements: Students should bring an apron, wear sturdy closed-toe shoes, and for sanitary purposes, please tie hair back, or wear a hat. Parents must call 209-954-5015 if their child has any food allergies or restrictions.

July 12-15, Monday-Thursday (4 classes), 10:00 a.m.-12:00 noon, Shima 301, Code: 92010, Fee: $75 (fee includes all materials, food, and recipes)
Beginning Chinese
Ages 5 and up
This workshop will increase the students’ awareness of the rich Chinese language and culture, including counting, greetings, and basic words and phrases. Class size is limited to 10 students.

Workshop Requirements: This workshop has an optional $10 fee (payable to the teacher at the beginning of class) for a Chinese book and two workbooks that the students can use in class and take home.

June 12–July 24 (no class on 7/3), Saturdays (6 classes), 2:00–3:30 p.m., Shima 111, Code: 18321, Fee: $69

Joy of Japanese
Ages 8–12
In this interactive workshop, students will have the opportunity to learn basic Japanese phrases and vocabulary and explore the culture through activities.

June 15–July 1, Tuesdays & Thursdays (6 classes), 10:30–12:00 noon, Shima 126, Code: 40753, Fee: $79 (includes all language, craft, and food materials)

Spanish: ¡Ole, Ole, Ole!
Ages 8–12
In this fun, interactive workshop, students will pick up some practical Spanish: catch words, key vocabulary, questioning techniques, use of “to be,” and the present progressive.

June 21–24, Monday–Thursday (4 classes), 1:00–3:00 p.m., Shima 127, Code: 15157, Fee: $62

Beginning Piano Keyboarding
Ages 8 and up
Join this 16-hour fun piano workshop and obtain the basic skills needed to read music and play the piano!

Workshop requirements: Purchase Alfred’s Basic Piano Library All-in-One Course (Book 1), available at the Delta College Bookstore. Students must bring the piano book, a tablet, and pen to each class session, as well as have access to a piano or keyboard at home for daily practice.

June 21–July 19 (no class on 7/5), Mondays & Wednesdays (8 classes), 9:30–11:30 a.m., Holt 109, Code: 52606, Fee: $109

Introduction to Voice
Ages 10 and up
This enriching 10-hour workshop will teach some fundamental techniques for singing, cover proper posture for supporting your voice, correct breathing, and other anatomical support systems, as well as some vocal exercises for strengthening the singing muscles. Class size is limited to 10 students.

Workshop Requirements: Continuing students must have completed the Kids College Beginning Piano Keyboarding workshop. Bring the same book: Alfred’s Basic Piano Library All-in-One Course (Book 1). Students must bring the piano book, a tablet, and pen to each class session, as well as have access to a piano or keyboard at home for daily practice.

June 21–July 19 (no class on 7/5), Mondays & Wednesdays (8 classes), 12:30–2:30 p.m., Holt 109, Code: 31907, Fee: $109

Jazz Studies & Improvisation
Ages: High School
In this 9-hour workshop, high school musicians will have the opportunity to improve their musical skills through practicing/performing music in class and will learn to improvise at a higher level. Class size is limited to 10 students.

Workshop Requirements: Students must have a minimum of three years of playing experience and must audition at the beginning of the first class.

June 17–July 22, Thursdays (6 classes), 5:00–6:30 p.m., Holt 113, Code: 83517, Fee: $69

Suzuki Violin
Ages 3 and up
Students will learn the Suzuki method, developed by Dr. Shinich Suzuki and they will develop their concentration, motor skills, musical skills, memory powers, and self-confidence.

Beginning students will meet the first hour; intermediate and advanced students will meet the second hour. Parents of pre-fourth grade students who want to enroll their children in beginning Suzuki must first take the workshop (8 classes) themselves, as the Suzuki method requires the parent to help their child during home practice sessions. This workshop is ongoing, thus registration is open ended. Violins are available for a $2.50 maintenance fee per section.

Workshop Requirements: The first two-hour class of each section is mandatory for new, beginning students. New students must purchase a recording of Suzuki Vol. 1 for Violin, available at local music stores. New violins brought to class MUST be tuned and adjusted in advance, so as not to take away the teacher’s attention from other students.

Section I: -June 4–July 23, Fridays (8 classes), 4:00–6:00 p.m., Holt 213, Code: 61080, Fee: $40

Section II: September 10–October 29, Fridays (8 classes), 4:00–6:00 p.m., Holt 213, Code: 33686, Fee: $40

Chamber Music Performance Camp
Ages 11 and up
This 14-hour individualized camp will provide experienced string players a unique opportunity to engage in sight-reading sessions, intensive coaching sessions, and master classes. Enrollment is limited to 10 students.

Workshop Requirements: Students must have at least three years of playing experience and must provide their own instruments. $5 materials fee is due to the teacher at the beginning of class. Participation in mandatory performance.

June 14–18, Monday–Friday (5 classes), 1:00–3:30 p.m., Holt 213, Code: 32176, Fee: $109
(Note: Mandatory performance on June 19 at the Haggin Museum in Stockton - Warm Up: 2:30–3:00, Performance: 3:00–4:00 p.m.)
they can learn three magic chords that can apply to play up to 100 songs.

Workshop Requirements: Purchase the Mel Bay Modern Guitar Book-Grade 1. Students must bring the textbook and a 6-string acoustic guitar to each class. Supplies are available at The Music Box on Pacific Avenue (mention this workshop for a student discount).

June 22-July 8, Tuesdays & Thursdays, (6 classes), 1:00-2:00 p.m., Locke 105 (Locke Lounge), Code: 26532, Fee: $47 (Note: another class may be added from 4:00-5:00 p.m.)

Drums and Rhythm
Ages 8-13
In this 6-hour workshop, students will learn to read and play drum notation, as well as the six most important rudiments of drumming, develop their rhythm and time, and learn to create their very own beat. Class size is limited to 10 students.

Workshop Requirements: Purchase and bring to each class-1 pair of drumsticks (5A or 2B), 1 practice pad, and Rubank Elementary Method: Drums Book by Paul Yonder. Supplies are available at The Music Box on Pacific Avenue (mention this workshop for a student discount).

June 22-July 8, Tuesdays & Thursdays (6 classes), 2:30-3:30 p.m., Locke 105 (Locke Lounge), Code: 98743, Fee: $47

Beginning Guitar
Ages 8 and up
This workshop will focus on the basic guitar fundamentals, including tuning of the instrument and basic chords and both English and Spanish rhythms. (Note: first portion of each class will focus on the critical element of tuning of guitars.)

Workshop requirements: Students MUST bring a six-string acoustic guitar (preferably with nylon strings), tablet of paper, and pen to each class and purchase the guitar textbook in the Delta College Bookstore. Guitars should be tuned in advance of each class.

July 6-22, Tuesdays & Thursdays (6 classes), 2:00-3:00 p.m., Shima 127 Code: 33371, Fee: $47

Harp For Kids
Ages 8 and up
In this beginning workshop, students will find that playing the harp is easier than it looks and will be exposed to the basics of the harp and learn to play simple melodies and accompaniment on the Celtic harp. (Note: Each student will be provided a harp for use at class.)

July 24, Saturday (1 class), 1:30-3:00 p.m., Holt 113, Code: 32268, Fee: $20

Drivers Education-Online
Kids College offers online drivers education classes in association with Drivers Ed Online.com. This 30 hour course (California DMV-certified driving education course) provides a comprehensive and effective learning experience that is 100% safe, convenient and secure. For details and registration, visit the website: www.kidscollege.driversedonline.com. Have questions? Call 866-836-8952. Course fee: $69.

Make-Over Magic for Teens
Ages 13 and up
In this workshop, students will learn how to start taking proper care of their skin, how to apply make-up appropriate for their age, learn about a variety of skin types, and color analysis. Class size is limited to 10 students.

Workshop Requirement: $25 materials fee is due to the teacher, which includes handouts and a professional set of make-up brushes.

June 19, Saturday (1 class), 12:00-3:00 p.m., Shima 127, Code: 17872, Fee: $25

Pet Care for Kids
Ages 5-9
This fun, interactive workshop will help teach children about basic anatomy, preventative care, safety, and basic needs for their furry family companions. (Note: Bailey (yellow Labrador Retriever) and Biscuit (orange kitty) are coming to help students learn about basic pet care)

June 19 & 26, Saturdays (2 classes), 12:30-2:30 p.m., Shima 116, Code: 31554, Fee: $32

Go to Court!
Ages 12 and up
Join this fun camp to explore the criminal justice system, participate in a pretend trial from beginning to end, and discover what happens in the courtroom and the role of each participant.

July 6-8, Tuesday-Thursday (3 classes), 10:00 a.m.-12:30 p.m., Shima 306, Code: 45501, Fee: $63 (includes sewing supplies and embellishments for T-shirts)

Dining Etiquette & Manners Camp
Ages 8-12
In this fun, interactive camp, students will learn the power and value of proper manners, etiquette, and appropriate communication skills, highlighted by a “tutorial” luncheon for practicing formal dining and conversation skills learned held on the last day of class.

Workshop Requirement: $4 materials fee is due to the teacher at the beginning of the workshop (includes supplies, handouts, and prizes).

June 21-24, Monday-Thursday (4 classes), 10:00 a.m.-12:00 noon, Workshop Location: Upper Danner 108 (Student Chef), Code: 36381, Fee: $72 (includes $10 luncheon)

Costume Tea Party/soirée
Ages 4-7
Inviting children to dress as their favorite prince, princess, knight, or in any other chivalrous or polite costume and let the “Queen of Mannerly Hearts” teach them social manners through a creative role playing party that includes music, games, take-home favors and refreshments they help create! (Note: A parent may accompany a registered student)

June 26, Saturday (1 class), 10:00 a.m.-12:00 noon, Upper Danner 108 (Student Chef), Code: 65904, Fee: $23 (includes light refreshments and a take home favor)

“Project Runway”
Ages 10-14
Students will learn from a real fashion designer how to sketch their own designs and work with a variety of fabrics to construct fashion accessories, transform their plain t-shirt into a fashion design using scissors, needle and thread, embellishments, and other methods taught in the class. (Note: Parents and friends are invited to a fashion show at 12:00 p.m. on July 8.)

Workshop Requirements: Students must bring sharp scissors (able to cut T-shirt fabric), ruler, measuring tape, and a T-shirt (preferably plain).

July 6-8, Tuesday-Thursday (3 classes), 10:00 a.m.-12:30 p.m., Shima 306, Code: 45501, Fee: $63 (includes sewing supplies and embellishments for T-shirts)

Kids College
Creating a Money-Smart Child  
Ages 7-9  
This mini workshop is designed to teach young children the basics of handling money, including the four categories of savings, investment, donations, and spending. Class size is limited to 10 students.  
July 8 & 15, Thursdays (2 classes), 2:30-3:30 p.m., Locke 118, Code: 35961, Fee: $32 (includes $15 worth of materials)

Financial Savvy “Boot Camp”  
Ages 11-13  
This workshop goes beyond “Creating a Money Smart Child”, where tween savers will learn about the world of finance and money: the banking system; saving, spending, and debt; doing a budget; and the Stock Market, as well as the history and respect of money.  
July 8 & 15, Thursdays (2 classes), 3:45-5:45 p.m., Locke 118, Code: 10064, Fee: $37 (includes all materials)

Customer Service Skills for Teens  
Ages 14 and up  
This workshop will cover building rapport with customers, communication skills, professional appearance, dealing with irate customers, and responding to customer requests and students will learn ways to handle problem situations through role playing activities. A Certificate of Achievement will be given upon completion of this workshop.  
Workshop Requirements: $5 materials fee is due to the teacher at the beginning of the first class. Students should bring a snack and a beverage or money to purchase snacks from a vending machine.  
July 10, Saturday (1 class), 10:00 a.m.-2:00 p.m., Shima 122, Code: 76961, Fee: $32

Teen Dating Violence Prevention  
Ages 13 and up  
This workshop will explore the areas of teen dating violence and the warning signs of potentially dangerous relationships where students will learn to how to define boundaries in teen dating relationships, develop safety plans, and learn about resources available. Parents and guests are welcome to register for this workshop also. (Note: Scholarships will be available to qualifying students)  
July 15, Thursday (1 class), 2:00-4:00 p.m., South Forum, Code: 99392, Fee: $15

CSI Chemistry  
Ages 9-12  
In this hands-on workshop, students will become forensic lab assistants and use chemistry to solve the crime as they learn the chemical principles behind investigative techniques and apply them to other problems.  
Workshop Requirements: $2 material fee is due to the teacher at the beginning of the first class. Students must bring a notebook and pencil to class.  
June 14 & 16, Monday & Wednesday (2 classes), 1:00-2:30 p.m., Cunningham 305, Code: 41086, Fee: $25

Life and Earth Science Camp  
Ages 5-7  
In this 16-hour workshop, young students will learn about the human body and the five senses; the planets in our solar system; plant life; insects, animals and their environment through hands-on interactive games, craft projects, and storytelling. Class size limited to 10 students.  
Workshop Requirements: $2 material fee is due to the teacher at the beginning of the first class. Students should bring a small flashlight, pencil to class.  
July 14-17, Tuesday, Wednesday, & Thursday (3 classes), 10:00 a.m.-12:00 noon., Budd 221 G, Code: 47693, Fee: $62 (includes $15 of materials and robot kit)

Beginning Robotics  
Ages 10 and up  
This hands-on workshop will cover the basics of robotics, how they work, and the importance their role plays in our lives and for possible careers and students learn safety procedures and techniques while working with electronics tools and equipment.  
June 15-17, Tuesday, Wednesday, & Thursday (3 classes), 10:00 a.m.-12:00 noon., Buddha 221 G, Code: 47693, Fee: $62 (includes $15 of materials and robot kit)

SCIENCE & ENGINEERING

Astronomical Wonders  
Ages 9-12  
In this fun, hands-on workshop, they will build their own planetarium as they learn about orbits and planets. Class size is limited to 10 students.  
Workshop Requirements: $2 materials fee is due to the teacher at the beginning of the first class. Students must bring a small flashlight,
shoebox, and a pair of scissors to class.

June 26, Saturday (1 class), 9:00 a.m.-12:00 noon, Shima 127, Code: 88047, Fee: $25

Dino-mite!
Ages 6-10
In this workshop, young “archeologists” will explore the magnificent world of dinosaurs and will experience a mini “excavation” using archeologist-type tools.

Workshop Requirement: $5 materials fee is due to the teacher at the beginning of the first class.

June 26, Saturday (1 class), 1:30-4:30 p.m., Shima 127, Code: 78099, Fee: $25

Ingenious Engineering Camp
Ages 9-13
This 10-hour workshop will introduce students to the basic principles of engineering in a college laboratory setting and will involve them in designing, building, and testing their hands-on projects. Class size is limited to 10 students.

Workshop Requirement: $5 materials fee is due to the teacher at the beginning of the first class.

Section I: June 28-July 1, Monday-Thursday (4 classes), 1:00-3:00 p.m., Holt 132, Code: 70664, Fee: $62

Section II: July 12-15, Monday-Thursday (4 classes), 1:00-3:00 p.m., Holt 132, Code: 88999, Fee: $62

Science Theatre
Ages 7-11
This unique 12-hour workshop integrates science and theatre as students exercise all their multiple intelligences and explore core science concepts, then sing, rap, dance, paint, and act them out. Parents and friends will be invited to a brief musical performance on July 1 at 3:45 p.m.

Workshop Requirement: $5 materials fee is due to the teacher at the beginning of the first class.

June 29-July 8, Tuesdays, Wednesdays, & Thursdays (6 classes), Danner 107 (Mustang Room), 2:00-4:00 p.m., Code: 58858, Fee: $93

Fun with Physics Camp
Ages 10-13
In this hands-on workshop, students will explore the basics of Physics and engage in enriching and competitive activities concepts as they learn about force, motion, density and buoyancy. (Note: a limited number of scholarships will be available to qualifying students.)

July 6-8, Tuesday-Thursday (3 classes), 10:00 a.m.-12:00 noon, Budd 106, Code: 96618, Fee: $52 (includes all materials)

Solar Powered: Speed Car
Ages 12 and up
In this hands-on workshop, students will explore the basics of solar energy and technology, learn about the mysteries of fuel cells and other renewable energy, and will manually assemble a solar speed car kit that they can take home. Class is limited to 10 students.

July 6-8, Tuesday, Wednesday, & Thursday (3 classes), 4:00-5:30 p.m., Budd 106, Code: 51433, Fee: $55 (includes $20 of materials and kit)

Crystal Exploration
Ages 9-12
In this hands-on workshop, students will explore the world of crystals and learn why they are not only beautiful, but DELICIOUS!!! Class size is limited to 10 students.

Workshop Requirement: $3 materials fee is due to the teacher at the beginning of the first class.

July 10, Saturday (1 class), 9:00 a.m.-12:00 noon, Shima 127, Code: 85949, Fee: $25

Beginning Drafting Camp
Ages 10 and up
This 8-hour workshop will provide an introduction to mechanical drafting and a foundation of skills and understanding that are essential for CAD (Computer Aided Design) and students will learn sketching, proper use of drafting tools, and geometric construction. Class size is limited to 10 students.

Workshop Requirement: $8 materials fee is due to the teacher at the first class.

July 12-15, Monday-Thursday (4 classes), 10:00 a.m.-12:00 noon, Danner 107 (Mustang Room), Code: 19559, Fee: $35

Biodiversity Camp
Ages 8-11
Students will explore the adaptations that led to the amazing diversity of the animal kingdom starting with one-celled organisms, will tour the history of life on earth, examine and even dissect examples of animals from different phyla. (Note: This workshop includes the content from Vertebrates workshop offered during Spring 2010 term.)

Workshop Requirement: $5 materials fee is due to the teacher at the beginning of the first class.

July 12-15, Monday-Thursday (4 classes), 1:30-4:00 p.m., Shima 142, Code: 81289, Fee: $77

Electron Microscopes
Ages 12 and up
This hands-on workshop will provide students the opportunity to explore electron microscopes which have the ability to magnify things a million times and more. Class size is limited to 10 students.

Workshop Requirements: Students must bring a portable storage device (Flash Drive) to download any images they may want to take home.

July 13 & 14, Tuesday & Wednesday (2 classes), 10:00 a.m.-12:00 noon, CMAS 102, Code: 87870, Fee: $50 (includes all materials) (Note: A new afternoon class may be added. Please call 209-954-5015 to be placed on the list)

Wonders of Water
Ages 9-12
Through hands-on activities, games, video, and map interpretation, participants will discover both the scientific and practical concepts relating to Earth’s most precious resource: water.

Note: The generosity of the sponsor, Stockton Area Water Suppliers, makes it possible to provide four scholarships to qualifying students.

July 13 & 15, Tuesday & Thursday (2 classes), 10:00 a.m.-12:00 noon, Danner 107 (Mustang Room), Code: 19559, Fee: $35

Electronics
Ages 12 and up
In this hands-on workshop, students will learn about the basics of electronics, soldering skills, and manual assembly of an alarm kit they build and they will take home. Class is limited to 10 students.

Workshop Requirement: Students must bring a sack lunch or snack and beverage.

July 17, Saturday (1 class), 9:00 a.m.-1:00 p.m., Budd 106, Code: 77329, Fee: $45 (includes all materials and kit)
**SPORTS & FITNESS**

**Basic Aikido**  
Ages 8-16  
Aikido is a nonviolent, noncompetitive martial art offering a model for conflict prevention, management, and safe resolution where students learn about safety, fitness, self-discipline, respect, and well-being.  

*Workshop Requirement: Students should wear loose, comfortable clothing.*  
June 15–July 22 (no class on 7/6 & 7/8), Tuesdays & Thursdays (10 classes), 3:30–4:30 p.m., Budd 210, Code: 79859, Fee: $77

**Beginning Tennis**  
Ages 8-14  
This workshop will cover the basic techniques of hitting ground strokes (forehand and backhand), volley, serve, scoring, and playing the game of tennis and students will have fun through teamwork and competition. Class size is limited to 8 students.  

*Workshop Requirements: Students must bring a tennis racquet, water, and head covering.*  
June 18–July 23 (no class on 7/2), Fridays (5 classes), 11:00 a.m.–12:30 p.m., Delta College Tennis Courts, Code: 87424, Fee: $77 (Note: A new Wednesday class may be added. Call 954-5015 to be placed on the list)

**Bass Fishing 1-2-3**  
Ages 10 and up  
This workshop will provide hands-on activities, such as: knot tying, rigging lures, one-on-one casting techniques, and safety. Parents (or other relatives) are welcome to register also with their child.  

*Workshop Requirements: Students should bring a fishing pole and reel (optional), and must bring a notebook, pencil, sack lunch, and beverage.*  
June 19, Saturday (1 class), 9:00 a.m.–2:00 p.m., Shima 122, Code: 99912, Fee: $45

**Yoga for Kids**  
Ages 5-10  
In this workshop children will learn techniques to help keep their bodies healthy, flexible, and strong through yoga, a fun way to exercise which helps children develop positive self-esteem, as well as improves their ability to focus and concentrate. Class size is limited to 10 students.

*Workshop Requirement: Students should wear comfortable clothing and bring a bottle of water.*  
June 21–July 7 (no class on 7/5), Mondays & Wednesdays (5 classes), 3:30–4:30 p.m., Budd 210, Code: 26776, Fee: $38

**NEW**  
**A “Need for Speed”**  
Ages 7-10  
This active workshop is designed to promote exercise and good health habits in our young aspiring student athletes and the benefits and techniques specific to track and field training. Class is limited to 10 students.  

June 21–24, Monday–Thursday (4 classes), 12:30–1:45 p.m., Location: Track Field (in the football stadium), Code: 34082, Fee: $42
