Online SAT/ACT Test Preparation

Teens
This six-week online course will prepare students for both the SAT and ACT test questions in the areas of reading, writing, English, and science. Spring 2014 Start Dates: January 15, February 20, March 20, April 17, May 15, June 19. (Note: New classes begin each month all year long.)

Online High School Credit Recovery Program

High School
High school students in need of making up credits or retaking a course to improve their GPA can get back on track to earn their high school diploma with this accredited online program. Nine different courses will be offered in the areas of math, science, and language arts.

For more information, look under the “Online Learning” section in this catalog on page 34, or go to www.ed2go.com/sjdckids for more details about the above online learning courses and many more, as well as online registration.

Early Reading
Ages 6 to 8
Does your student already know the alphabet and the letter sounds? If so, this workshop is perfect for taking the next steps toward developing strong reading and vocabulary skills. Instruction will include group reading, flash cards, and hands-on activities. Emphasis will be on building vocabulary, blending area of the poster board with a variety of patterns and textures.

Workshop Requirement: Notebook and pencil for note taking.
Carole Matthews has over 20 years experience in education.

Workshop Requirements: Students must bring a notebook and pencil for note taking.
Carole Matthews has over 20 years experience in education.
Feb. 22, Mar. 1, 8, & 15 11:30 am – 1:30 pm
Sat (4 classes) Shima 207
Code: 58333 Fee: $68

Language Arts: Reading & Writing Strategies
Ages 9 to 11
This workshop will focus on teaching students how to improve their skills in the components of language arts, including word analysis, reading processes, and comprehension of both literature and informational texts. They will also learn to increase their writing skills in composition, mechanics, and the writing process.
Carole Matthews has taught English and Language Arts on both the elementary and high school levels and has over 20 years experience in education.

Workshop Requirements: Students should have a basic knowledge or experience of drawing. Materials fee of $8 (cash only, exact change) is due to the teacher at the beginning of the first class.
Carole Matthews has taught Reading and Language Arts at the preschool, elementary, and high school levels.

Workshop Requirement: Students must bring a notebook and pencil for note taking.
Carole Matthews has over 20 years experience in education.
Feb. 22, Mar. 1, 8, & 15 1:45 – 3:45 pm
Sat (4 classes) Shima 207
Code: 13471 Fee: $68

Language Arts: Reading & Writing
Ages 10 to 12
What’s Next in Math?
Ages 10 to 12
This workshop will improve your student’s understanding of algebraic concepts. It will focus on the skills and habits needed for successful Pre-Algebra or Algebra I students. A review of prime factorization, decimals, percentages, fractions, proportions, equations, factoring, and ratios will be provided.

Workshop Requirements: Materials fee of $5 (cash, exact change) is due to the teacher at the beginning of the class; all supplies will be provided. Students should dress for a mess or bring an apron.
Victoria Davila enjoys teaching children arts and crafts and likes to implement what she has learned in her design and sculpture classes at Delta College.

Workshop Requirement: Materials fee of $5 (cash, exact change) is due to the teacher at the beginning of the class; all supplies will be provided. Students should dress for a mess or bring an apron.
Victoria Davila enjoys teaching children arts and crafts and likes to implement what she has learned in her design and sculpture classes at Delta College.
Mar. 1 1:00 – 4:00 pm
Sat (1 class) Shima 133
Code: 54696 Fee: $29

3-D Clay Sculpture
Ages 6 to 13
In this hands-on workshop, students will learn about basic clay techniques and how to turn clay into three-dimensional animals and figures that they will paint. Class size is limited to 10 students.
Workshop Requirement: Materials fee of $5 (cash, exact change) is due to the teacher at the beginning of the first class; all supplies will be provided. Students should dress for a mess or bring an apron.
Victoria Davila enjoys teaching children arts and crafts and likes to implement what she has learned in her design and sculpture classes at Delta College.
Mar. 8 & 15 1:00 – 3:00 pm
Sat (2 classes) Shima 133
Code: 98100 Fee: $34

Kiln-Fused Glass: Jewelry & Egg Ornaments
Ages 8 to 12
Come and learn about the art and science of glass-fusing! You will learn to fuse glass to produce your choice of two pieces, either a “channel” pendant or an egg ornament. You will learn two different methods of making a pendant, including a “glass channel” technique. Tips and techniques for fusing will be shared during this hands-on class, and each student will leave with two glass art pieces. Class size is limited to 10 students.
Workshop Requirement: Materials fee of $10 (cash only, exact change) is due to the instructor at the beginning of the class; all supplies will be provided. Students should dress for a mess or bring an apron.
Victoria Davila enjoys teaching children arts and crafts and likes to implement what she has learned in her design and sculpture classes at Delta College.
Mar. 8 & 15 1:00 – 3:00 pm
Sat (2 classes) Shima 133
Code: 54696 Fee: $29

3-D Clay Butterflies on Canvas
Ages 6 to 13
Students in this workshop will create a “life-like” clay butterfly. It is simple to learn and great for first-time clay sculptors. They will paint their butterflies using a variety of colors and add them to a canvas that they decorate. The finished product is a work of art that the student will be proud to hang or give as a gift.

Workshop Requirement: Materials fee of $5 (cash, exact change) is due to the teacher at the beginning of the class; all supplies will be provided. Students should dress for a mess or bring an apron.
Victoria Davila enjoys teaching children arts and crafts and likes to implement what she has learned in her design and sculpture classes at Delta College.
Mar. 17 & 19 4:00 – 6:00 pm
Mon/Weds (2 classes) Shima 133
Code: 54970 Fee: $34

Kiln-Fused Glass: Jewelry & Egg Ornaments
Ages 8 to 12
Come and learn about the art and science of glass-fusing! You will learn to fuse glass to produce your choice of two pieces, either a “channel” pendant or an egg ornament. You will learn two different methods of making a pendant, including a “glass channel” technique. Colors on Canvas
Ages 7 to 12
In this beginning class, students will learn the step-by-step process of painting with acrylics. They will be exposed to the elements of painting, will gain a greater understanding of art, and will learn how to apply colors on canvas. Class size is limited to 10 students.
Workshop Requirement: Materials fee of $15 is due to the teacher at the beginning of the first class; all supplies will be provided. Students should dress for a mess or bring an apron or smock.
Kelley Williamson has been painting for more than 20 years and has shown her art in several art shows. She loves teaching and sharing her knowledge of painting with her students.
Apr. 2, 9, 16, & 23 4:00 – 5:30 pm
Thurs (4 classes) Shima 133
Code: 37920 Fee: $49

COMPUTERS & PHOTOGRAPHY

Computer Game Programming
Ages 12 and up
This is THE workshop students have most requested! Students will design, develop, and write a PC game using Microsoft Small Basic on a Windows-based computer. An introduction to computer programming will be taught with an emphasis on creating a PC game.
Workshop Requirement: Student must bring a memory device such as a Flash Drive to save his/her creation.
Lisa Perez is a full-time professor of Computer Science at San Joaquin Delta College.
Mar. 3, 10, & 17 4:00 – 5:30 pm
Mon (3 classes) Shima 408
Code: 56434 Fee: $39

FOREIGN LANGUAGE

Spanish: Las Americas
Ages 7 to 11
In this beginning workshop, students will have fun learning some basic Spanish vocabulary and phrases, counting, and the alphabet. They will explore the cultures of Spain and Latin America and develop an understanding of the different cultures.
Note: Students who took this class before are welcome to take it again. The teacher will feature different countries than in the class last summer. Humberto Beas grew up in a Spanish-speaking home, has a B.A. degree in Spanish, studied abroad in Chile, and taught Spanish at the International School in Nevada.
Feb. 19 – Mar. 19 4:00 – 5:30 pm
Wed (5 classes) Locke 108
Code: 70939 Fee: $47

MUSIC

Suzuki Violin
Ages 3 and up
Students will learn the Suzuki method, developed by Dr. Shinich Suzuki. In this ongoing string instrument workshop, which requires parent participation/involvement, students can develop their musical abilities, concentration, motor skills, memory powers, and self-confidence.
Attention: Beginning students will meet the first hour; intermediate and advanced students will meet the second hour. This workshop is ongoing; thus, registration is open-ended. There are a limited number of violins available for a $2.50 maintenance fee per section. Every student must have a violin.
Workshop Requirements: Parents of pre-fourth-grade students who want to enroll their children in Beginning Suzuki must first take the workshop (8 classes) themselves, as the Suzuki method requires the parent to help their child during home practice sessions. Before a pre-fourth-grade student can register, the parent must have attended the workshop, completed the required reading, and be able to play simple songs at the required level.
Rita Wilcox and Barbara Martinez have taught Suzuki violin at Delta College for more than 30 years. (Note: Other requirements will be covered in class).
Art Holton is the Director of Bands at Delta College and has 38 years of experience teaching band from junior high to college students.
Jan. 13 – May 26 6:30 – 9:30 pm
Mondays  Millswood School*
Code: 22251 Fee: $60
(no class on Jan. 20, Feb. 17, & Mar. 24; performance on May 26)
*Millswood Middle School is located at 233 N. Mills Ave., Lodi
Note: Class will meet at the American Legion Hall on Mar. 17.

Stockton Concert Band
High School
This workshop is dedicated to the rehearsal and performance of concert literature with emphasis on sight-reading and public performance. Students will have an opportunity to be a part of a large concert band and play a variety of music from classical to pop.
Workshop Requirements: Musicians must have at least two years of experience as a band performer and must demonstrate their ability through an audition before full acceptance into the band. Students must participate in their school band, if one exists at their site. All rehearsals and performances required unless excused through conductor permission.
Art Holton is the Director of Bands at Delta College and has 38 years of experience teaching band from junior high to college students.
Jan. 21 – May 27 6:30 – 9:30 pm
Tuesdays Holt 113
Code: 60458 Fee: $60
(No class on Mar. 25)

Beginning Piano
Ages 8 and up
Would you like to learn to play the piano? Join this fun piano workshop and obtain the basic skills needed to read music and play the piano! Through music, students can learn important life skills, like increasing attention span and acquiring greater discipline. No prior knowledge of music is necessary. Students may continue in this workshop each term; the teacher works individually with each student and also with the group. This workshop may be repeated multiple times to finish the text and to continue with additional study books to accommodate the student’s growing knowledge (i.e., new texts for
**Music / Online Learning**

continuing students will be recommended by teacher based on review of student’s abilities). Note: At the beginning of the last class, students will participate in a piano recital, and families are encouraged to attend.

**Workshop Requirements:** Purchase Alfred’s Basic Piano Library All-in-One Course (Book 1), available at the Delta College Bookstore. Students must bring the piano book, a tablet, and pen to each class session, as well as have access to a piano or keyboard at home for daily practice.

Gay Goaslind is a former concert pianist and continues to entertain at eight different rest homes. She has been teaching piano for over 30 years.

**Section 1:**
- Feb. 24 – Mar. 26: 4:15 – 5:45 pm
- Mon & Wed (10 classes): Holt 109
- Code: 30645 Fee: $115
- (Note: Class WILL meet during spring break, Mar. 24 & 26)

**Section 2:**
- Apr. 7 – May 7: 4:15 – 5:45 pm
- Mon & Wed (10 classes): Holt 109
- Code: 90847 Fee: $115

**Beginning Guitar I**
**Ages 8 and up**
Students will enjoy this enriching workshop as they develop their musical skills. This workshop will focus on the basic guitar fundamentals, including tuning of the instrument and basic chords. Students will be exposed to both English and Spanish rhythms. No guitar experience is needed. (Note: The first portion of each class will focus on the critical element of tuning of guitars.)

**Workshop Requirements:** Students MUST bring a six-string acoustic guitar (preferably with nylon strings), tablet of paper, and pen to each class. Student must also purchase the guitar textbook at the Delta College Bookstore. Guitars should be tuned in advance of each class.

Mike Torres is a professional musician and has over 30 years of experience teaching guitar.

**Harp for Kids**
**Ages 8 and up**
In this beginning workshop, students will find that playing the harp is easier than it looks. They will be exposed to the basics of the harp and will learn to play simple melodies and accompaniments on the Celtic harp. Each student will be provided with one of several harps that the teacher provides for use at class.

As a performing artist and teacher for over 30 years, Margie Butler has taught hundreds of students and inspired thousands more. Margie graduated from the United States International University of Performing Arts. Since 1980, she has performed, recorded, and toured with the internationally acclaimed Celtic music group, Golden Bough, at thousands of venues throughout North America, Europe, and Asia.

**Workshop Requirements:** Students must purchase the harp at the Delta College Bookstore. Each student will be provided with one six-string acoustic guitar (preferably with nylon strings), tablet of paper, and pen to each class.

**Spring 2014 Start Dates:** January 15, February 20, March 20, April 17, May 15, June 19. (Note: New classes begin each month all year long.) Fees: Most six-week online courses are $95. For details about the online courses and how to register, visit the website: www.ed2go.com/sidckids.

**Online Drivers Education**
Are you ready to get your driver’s license? Why spend time in class when you can do it online during your spare time? Kids College offers a 30-hour online driver’s education class in association with OnlineDriversEd.com. This is a California DMV-certified driving education interactive course that blends reading, flash animation, and video with study questions. Students can take the quizzes and the online driver’s education test as many times as it takes to successfully complete the online driver’s education course. Practice permit tests are available upon successfully passing the course. For details and registration, visit the website: onlinedriversed.com/?lcode=4272.

Course fee: $29.50. If you have questions, call 866-836-8952 (Please remember to mention Kids College and Code # 4272).

**Questions? Please call (209) 954-5013.**
**SCIENCE & ENGINEERING**

**Symbiotic Nature**
Ages 8-11
Students will learn about many of the living things in this world that must live together to survive. Whether it is a lichen (fungus and algae), a clown fish and an anemone, or a honey bee and a flower, this cool dependent relationship shows just how incredible the natural world can be. Students will have the opportunity to collect facts and fun trivia and will take home models.

*Workshop Requirements: Materials fee of $5 (cash only, exact change) is due to the teacher at the beginning of class.*

Kristy Benner is an Educational Specialist for the Micke Grove Zoological Society, which is committed to instruction throughout San Joaquin County.

- **Feb. 18**
  - Time: 4:00 – 5:30 pm
  - Location: Shima 127
  - Code: 12233
  - Fee: $15

---

**10 Cool Science Experiments**
Ages 6 to 12
In this hands-on class, young scientists will explore science through a variety of experiments! They will engage in fun activities and make sticky ice, measure pH, make bubble sculptures, create glitter slime, form a glow-in-the-dark ball, make elephant tooth paste, blow up a balloon using chemistry, and more.

*(Note: This class will include some different experiments than the experiments in the fall class.)*

*Workshop Requirements: Materials fee of $5 (cash only, exact change) is due to the teacher at the beginning of class.*

Tina Bruno has a degree in Chemistry and Natural Science, is an after-school tutor, and enjoys providing students with fun science activities.

- **Mar. 8 & 15**
  - Time: 10:00 am – 12:00 noon
  - Location: Shima 133
  - Code: 65122
  - Fee: $34

---

**Fur, Feathers, Skin, & Scales**
Ages 8 to 11
This hands-on class introduces children to intriguing facts about animal coverings and textures. It includes experience with the real things!

*Workshop Requirements: Materials fee of $5 (cash only, exact change) is due to the teacher at the beginning of class.*

Kristy Benner is an Educational Specialist for the Micke Grove Zoological Society, which is committed to instruction throughout San Joaquin County.

- **Apr. 8**
  - Time: 4:00 – 5:30 pm
  - Location: Shima 127
  - Code: 17887
  - Fee: $15

---

**CSI Detective Mystery: Who Dunnit?**
Ages 8 to 12
Who took a bite out of the candy? Answering questions is what forensic science is all about. Learn how to be a crime-solver by exploring the world of the forensic scientist. Before studying a crime scene, we must practice the skills needed to analyze the evidence. After students have completed the skill-building assignments, students will try to solve the crime!

*Workshop Requirements: Materials fee of $3 (cash only, exact change) is due to the teacher at the beginning of class.*

Tina Bruno has a degree in Chemistry and Natural Science, is an after-school tutor, and enjoys providing students with fun science activities.

- **Apr. 12**
  - Time: 9:00 am – 12:00 noon
  - Location: Shima 133
  - Code: 20260
  - Fee: $29

---

**BEGINNING JUDO**
Ages 8 to 12
If you want to try something new, think Judo! In this workshop, students will learn techniques, history, and the etiquette of Kodokan Judo. Class will cover the techniques of throwing, hold-downs, and escapes as students gain physical and mental strength, as well as self-confidence and respect.

*Class size is limited to 10 students.*

*Workshop Requirements: Students should wear loose, comfortable clothing that allows them to move.*

Aarian Imada has 15 years of experience doing Judo in practice and competition, and four years involved in teaching Judo.

- **Mar. 15 – Apr. 12**
  - Time: 10:00 – 11:30 am
  - Location: Shima 133
  - Code: 16983
  - Fee: $49

---

**SPORTS & FITNESS**

**Beginning Chess**
Ages 7 to 17
Chess: the game of champions! Did you know that chess can help your child grow mentally and develop analytical and decision-making skills? This beginning class will cover the basic techniques and strategies of chess. Class size is limited to 10 students.

*Aarian Imada has over 10 years of experience in teaching Judo.*

- **Mar. 15 – Apr. 12**
  - Time: 12:30 – 2:00 pm
  - Location: Locke 105
  - Code: 40598
  - Fee: $49

---

**Up Close Magic**
Ages 8 to 12
Come and explore the mystery of magic, focusing on up close tricks! Students will be provided with “gimmicks” that will allow them to make coins disappear, cards change colors in a flash, and even levitation. These easy-to-learn tricks can be performed for family and friends. Class size is limited to 8 students.

*Workshop Requirements: Materials fee of $3 (cash only, exact change) is due to the teacher at the beginning of the first class.*

- **Feb. 25, Mar. 4 & 11**
  - Time: 4:00 – 5:00 pm
  - Location: Shima 133
  - Code: 20260
  - Fee: $31

---

**THEATRE, ACTING, & PERFORMING**

**Beginning Tennis**
Ages 8 to 14
While learning an active new hobby, students will have fun through teamwork and competition while making new friends. This workshop will cover the basic techniques of hitting ground strokes (forehand and backhand), volley, serve, scoring, and playing the game of tennis. Drills will be orchestrated to help the students control the placement of the ball.

*Class size is limited to 8 students.*

*Workshop Requirements: Students must bring a tennis racquet, water, and head covering.*

Cy Clays has been an active tennis player for 30 years and has taught tennis at a local tennis club for over 10 years.

- **Apr. 1 – May 16**
  - Time: 4:00 – 5:00 pm
  - Location: Tennis Courts
  - Code: 73892
  - Fee: $62

---

**Awesome Animal Groups**
Ages 8 to 11
Students will learn the six different animal classifications and how each group is unique. They will learn facts, challenge myths, and meet and touch live animal ambassadors.

*Workshop Requirements: Materials fee of $5 (cash only, exact change) is due to the teacher at the beginning of class.*

Kristy Benner is an Educational Specialist for the Micke Grove Zoological Society, which is committed to instruction throughout San Joaquin County.

- **Mar. 11**
  - Time: 4:00 – 5:30 pm
  - Location: Shima 127
