NURSING SUCCESS! SEMINAR 2015

June 10, 2015-June 12, 2015
Samuel Merritt University
Oakland, CA

Samuel Merritt University is honored to sponsor a three day nursing seminar that provides participants from underrepresented groups with the opportunity to explore the nursing profession. The Seminar is presented via two simultaneous tracks:

Track 1 BSN Direct-Entry: Open to participants currently completing pre-nursing coursework at California’s Community Colleges or 4 year institutions. This track is only available to prospective participants who have not yet earned a bachelor’s degree and who is interested in SMU’s direct entry transfer BSN program.

Track 2 ABSN/ELMSN: Open to participants who already have (or will have) a bachelor’s degree in a non-nursing field and who are interested in SMU’s the Accelerated Bachelor of Science in Nursing (ABSN) or Entry Level Master of Science (ELMSN) program.

During the Nursing Success Seminar you will:

- Have an invaluable learning experience and opportunity to explore the profession of Nursing
- Participate in organized lectures covering relevant topics in nursing such as: Reducing Health Disparities, International Nursing, and the Nursing Profession Today
- Learn about the SMU admission process, Financial Aid, and preparation for the TEAS exam
- Tour and demonstration of SMU’s state of the art Health Sciences Simulation Center
- Meet and speak with SMU nursing students, faculty, and University staff

Applications for the 2015 Seminar are due April 30, 2015
