Logistics & Transportation Supervision CERTIFICATE

San Joaquin County offers prime location and services for the logistics industry. Major interstate highways, rail systems, a deep water port, and air service attract businesses that offer a variety of careers in the logistics and transportation industry.

With a rapidly growing number of logistic businesses in the area, the San Joaquin Valley is quickly becoming a logistics and transportation hub.

San Joaquin Delta College provides opportunity to become a part of this growing field by preparing individuals for logistics related careers:

- Logistics
- Warehousing
- Transportation
- Distribution

The Logistics & Transportation Supervisor certificate is designed for employees, part-time and full-time students.

Program benefits:

- Increased skills
- Promotion potential
- Viable career paths
