Strategic Goal 1
Develop and implement effective strategies and appropriate policies and procedures to ensure adequate funding and effective planning in support of the college's fundamental mission and goals.

Strategic Goal 2
Increase student access, student success, and the number of students who successfully achieve positive student learning outcomes.

Strategic Goal 3
In order to provide adequate facilities, update the Facilities Master Plan and complete the remaining Measure L Bond projects in a timely manner.

Strategic Goal 4
In order to improve the effectiveness of college operations, develop and implement a communication plan that provides regular, timely, open, and transparent communication among all internal and external stakeholders.

Strategic Goal 5
Develop and implement an integrated, college-wide staff development program with the mission of providing all employees an array of required and elective training and development opportunities so as to make them more effective as employees and as members of a diverse college community.
