Department Number: Spanish 2  
Title of Course: Elementary Spanish  
Section: 63709  
Lecture Hours: 5  
Time: Mondays through Fridays 11:00 to 12:00  
Location: CUNN 119  
Instructor: Dr. Isabel C. Anievas Gamallo  
Office hours: Mondays and Tuesdays from 12:00 to 1:00, Wednesday through Friday from 10:00 to 11:00 in CUNN 228.  
E-mail: ianievas@deltacollege.edu  
Extension: 5603

Goals and objectives:

Spanish 2 is designed to continue to develop basic communicative proficiency in listening, reading, speaking and writing. You will actively learn further Spanish vocabulary and structures, you will listen to a great deal of real/life spoken Spanish and will learn cultural information about the different Spanish speaking countries. However, these objectives can only be realized through your active participation, both in and out of the class.

Required Materials:

- *Caminos*. Second edition. *Student Audio Program and Expanded Audio Program*  

Optional Material:

*English Grammar for Students of Spanish* by Emily Spinelly.  
Spanish/English Dictionary.
Material Description:

Textbook. *Caminos*. Second edition:
For in class use and daily study.

Activities Manual with Answer Key:
For daily at-home practice to be completed as soon as possible after class. I will collect the assigned sections of your *Manual* every Monday. You need to complete all the activities on a timely manner and correct your own answers with a pen or pencil of a different color to get full credit for it.

Student Audio Program:
The Audio Program packaged with the textbook provides focused listening practice that further develops pronunciation and speaking skills. These materials are necessary for completing the exercises in the Vocabulary sections of the textbook. The program is available also as MP3 files on the *Caminos* student web site.

Expanded Audio Program/Lab Tapes:
Not included in your package. They correspond to exercises in the *Laboratory Manual*. Available online at [http://fl.deltacollege.edu](http://fl.deltacollege.edu). You will need to use:
Id: foreign
Password: language
You can use the computers in CUNN 220 to acces the virtual foreign language lab. You will need to bring your own headphones though. You can buy some inexpensive ones at the bookstore.

CD-ROM:
Use at home if you have access to a computer with a CD drive or on campus. The *Caminos* CDROM offers full-motion video clips from the *Caminos del Jaguar* video program and interactive transcripts, as well as extra practice for each chapter (vocabulary and grammar exercises, and additional opportunities to practice reading, listening and speaking).

Caminos website:
Includes exercises, maps, review quizzes, and links to websites through the Spanish speaking world. The web site may be accessed through the Houghton and Mifflin site ([http://college.hmco](http://college.hmco)). The full address is:
http://college.hmco.com/languages/spanish/burgy/caminos/2e/students/index.html
How to approach each lesson:

1. Always begin with the assigned sections in the Textbook before coming to class. Prepare for them so you can discuss, ask questions and participate.

2. After the class review the materials covered and go to the Workbook/Laboratory Manual. Complete all the activities in the assigned section for the day and then go back over them with a different colored pen and correct your work using the Answer Key. Some of these activities will require the lab tapes. You can go to the language laboratory (Holt 310) to listen to them, or get them to copy them for you, if you bring your own tape.

3. Finally, explore the extra stuff that will make this language fun and interactive—the CD ROM, the Caminos online learning center, other Spanish web sites, etc. Do not forget to print (or e-mail me) your cd-rom report after completing each chapter.

Evaluation:

- Partial Exams (4 x 15%) 60%
- Final Exam 15%
- Class Participation and quizzes 10%
- Workbook/Laboratory Manual, and Homework 15%

Grade Cutoffs:

90%-100% = A
80%-89% = B
70%-79% = C
60% to 69% = D
below 60% = F

Class participation

Class attendance and regular participation are essential to succeed in this class. Attendance is essential in learning a language! And, remember that, in accordance with college policy, you can be dropped for “excessive absence” (15 lecture hours or more).
**Academic Honesty:**

According to new college policy, if a student is discovered cheating the instructor has the right to file an academic dishonesty report and fail that exam or assignment or even the entire course for everyone involved in the incident.

**Extra Credit:**

To get extra credit you can email me the ACE self tests that you will find in the Caminos web site at the following web address:  
http://college.hmco.com/languages/spanish/burgy/caminos/2e/students/index.html

You can also choose to do a class presentation on a cultural topic of your choice or you can watch a movie in Spanish and answer some questions in writing. Ask me for the assignment if you are interested in doing it.

**Tips:**

- Come to class every day and be as well prepared as possible.
- Keep up with the exercises in the *Workbook/Laboratory Manual*. Do all the assigned section on a daily basis. Study the corresponding section in your textbook first, then move on to the exercises in your workbook and do them without referring to the answer key and, finally, correct your answers against the key using a different color pen. If you do not understand why you got it wrong, mark it and don’t forget to ask me in class.
- Don’t hesitate to ask questions in, before, or after class and visit me during office hours.
- Make friends with your classmates and exchange phone numbers. Learning Spanish will be more fun and you will have somebody to help you catch up if you have to miss a class.
- Explore radio, television, music, movies, and magazines in Spanish, try to select topics that interest you, and enjoy learning a new language.

¡Bienvenidos a clase y muy buena suerte!
