San Joaquin Delta College

Welcome/ Bienvenidos

Welcome to San Joaquin Delta College!

We are honored to have you on campus. As you learn about the incredible resources that are available to all Delta College students we want you to know that La Guía is an additional resource that highlights recursos for Chicax/Latine students enrolled at San Joaquin Delta College. We want you to see yourself as a necessary and valued member of our campus.

Please know that you are not alone in your journey. Consider us your academic madrinas y padrinos here to cheer you on towards the finish line. Many of us who today are your staff, faculty and administrators at SJDC were once community college students- some of us here at Delta. We did it and we know you can too!

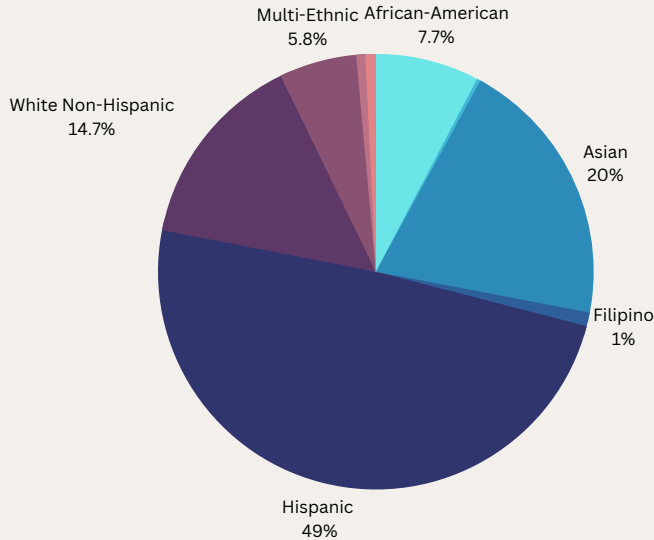

¡Sí, se puede! ¡Bienvenidos a San Joaquín Delta College!

Nos sentimos honrados de tenerlos como estudiantes. A medida que aprenden sobre los increíbles recursos que están disponibles para todos los estudiantes de Delta College, queremos que sepan que La Guía es un recurso adicional que destaca los recursos para los estudiantes Chicax/Latine inscritos en San Joaquin Delta College. Queremos que se vean como un miembro necesario y valioso de nuestro campus.

Por favor, sepa que usted no está solo en este viaje. Considéranos sus madrinas y padrinos académicos aquí para animarle hacia el final. Muchos de los que hoy somos su personal, profesores y administradores en SJDC alguna vez fuimos estudiantes de colegios comunitarios, algunos de nosotros aquí en Delta.

¡Lo logramos y sabemos que usted también puede!

Tips:

Keep in mind that most scholarships require letters of recommendation from faculty. This means it's a good idea to work hard so that your professors will be able to write you a solid letter. Request your letters at the end of the fall semester so they will be ready for the March deadline. Be sure to email your request and give your professor at least one month to write it. In the email body remind them what class you took with them, what grade you earned, tell them what scholarship(s) you are applying for, and what the deadline is.

Meet with a scholarship specialist to make sure you understand all the requirements and meet the deadlines.
