## What's New for Fall?

### Parking!

Construction on campus will continue throughout the fall semester. This means that parking will also continue to be a challenge. In order to address concerns over the availability of onsite parking, the College has extended our agreement to rent an offsite parking area at the corner of Yokuts and Claremont just East of the main entrance of the College. ***This parking area will be available beginning on August 17, 2009 and will close on October 16th of 2009.***

This offsite parking area is serviced by a trolley (the Metro 14 route) operated by San Joaquin Regional Transit District. To see a map of the route, trolley schedule and information about Delta College's discounted fare program, go to <http://sanjoaquinrtd.com/deltacollege>.

### We're Moving!!

Also, during the Fall Semester, the College will open the Lawrence and Alma DeRicco Student Services Building. Near the end of 2009, student services located throughout campus will be consolidated into the new 50,000 square foot building located just to the North of the College's main entrance off of Pacific Avenue.

Upon completion of the move, Guidance and Counseling, Admissions and Records, Financial Aid, and many other student services will offer a one stop shopping environment that will improve how the College serves its students for decades to come.

### Library Services

With renovation expected to continue on the Goleman building through the Fall Semester, the College Library is temporarily housed offsite at 41 West Yokuts Avenue just a few blocks East of the Main entrance to the College. The temporary location offers patrons the same high level of service while work continues. Upon completion, the campus library will be state of the art in both its physical design and its capabilities.

### Live Support!!

We've added additional support to assist with registration. If you are having problems with online registration, just click on Live Support and you'll reach a Registration Operator who can help you. San Joaquin Delta College  
Attn: Evaluations Office, Holt 101  
5151 Pacific Avenue  
Stockton, Ca 95207
- Pay ALL past due fees and clear any administrative holds from your record
- Provide official sealed high school transcripts (if applicable)

Please note: If you have already completed an Assessment Placement test at San Joaquin Delta College, you will not need to take the full A/P test again.

#### Transfer Students:

All transfer students must provide:

- Official sealed high school transcripts
- Official sealed transcripts from all other colleges attended to:  
San Joaquin Delta College  
Attn: Evaluations Office, Holt 101  
5151 Pacific Avenue  
Stockton, Ca 95207
- Assessment/Placement test scores from the college you are transferring from and request to have test scores evaluated by San Joaquin Delta College's Assessment Center in Cunningham 220 or you may choose to take the assessment test at Delta. Please contact the Assessment Center for more information at [assessment@deltacollege.edu](mailto:assessment@deltacollege.edu).

#### Current High School Students:

Students who are enrolled in high school and are recommended by their principal may be considered for the College Early Start Program. The College Early Start program allows students to take our courses for college credit only. Each school district must determine whether high school credit will be granted for classes completed for college credit at San Joaquin Delta College.

**All students must meet San Joaquin Delta College's admissions, academic assessment and course prerequisite requirements.** College Early Start students may not enroll in remedial developmental education courses. Registration is limited to a maximum of 11 units during any one semester.

#### Enrollment in Physical Education Classes

Physical education class enrollment of high school students is limited, by law, to 10%. As a result, **very few** high school students will be eligible to enroll in physical education courses at the College. Students should plan on enrolling in such courses at their school. Only students officially enrolled during the registration cycle before classes begin will be allowed to attend physical education classes. **Under no circumstances will students be permitted to register for any physical education courses once classes begin.**

#### Recent High School Graduates:

Contact your high school and request a copy of your final transcript. Submit it by mail or in person to the Admissions & Records Office, Holt 101.

#### Student Enrollment Responsibility:

Per Board Policy 5056, under no circumstances will a student be allowed to attend class if he/she is not properly enrolled. Therefore, it is the student's responsibility to ensure he/she is officially enrolled in class/es. Grades and units will not be awarded for attendance in class/es for which the student is not formally enrolled.

#### Protecting Your Records:

To protect the confidentiality of your student records, it is highly recommended that you create a Personal Identification Number (PIN). To create a PIN, log in to Online Registration and select the "Create PIN" option. Be sure to record your PIN in a safe place where others cannot gain access to it.

If you forget your PIN, you must request that your PIN number be reset in person at the Admissions and Records Office, Holt Center, Room 101. A valid picture ID is required to reset a PIN. Your PIN cannot be reset by phone or e-mail request. This is for your protection.

A PIN number established for access to registration and student records is separate from the PIN established for online courses. If you have questions about establishing a PIN number, please contact the Registration Helpdesk at: [onlineregistration@deltacollege.edu](mailto:onlineregistration@deltacollege.edu).

#### Delta ID Number:

Immediately after processing your application for admission, a Delta ID number is assigned. Your Delta ID will be used on all printed documents such as your Class Schedule, your Academic History, class rosters, etc.

To find your Delta ID, simply log into online registration. Your Delta ID number appears directly under the "Welcome" information.

#### Student E-Mail Accounts:

Within 24 hours after processing your Application for Admissions, a student e-mail address is assigned to each new student. All correspondence from Admissions & Records and Financial Aid, as well as other important campus information, is e-mailed to students at their Delta College e-mail address.

It is the student's responsibility to maintain the contents of his/her e-mail account to ensure that the total size of the e-mail messages within the account does not exceed 90% of the quota. It is therefore strongly recommended that the student check his/her e-mail account on, a weekly basis, to read, print, save, forward and/or delete e-mail messages.

A student will be notified on login when he/she is within 75% of the e-mail quota and by e-mail when his/her account reaches 85% of the quota. If the size of the account exceeds 90% of the quota, the contents of the account will be administratively reduced by deleting the oldest e-mail(s).

#### To find your student e-mail address:

1. Log into "Online Registration" from the Delta College homepage. Your log in is your Delta ID or your social security number, and your password is your date of birth entered as mmddyy.

If you get a message that says, "We were unable to validate your login OR it has been too long since your last interaction," that means your Application for Admission has not yet been processed. For questions concerning your Application for Admission, please contact [admissions@deltacollege.edu](mailto:admissions@deltacollege.edu).

2. Once you have successfully logged into online registration, under the "Welcome" information, your new student e-mail address appears. It will be the first initial of your first name followed by your last name and three randomly assigned numbers. This is followed by "@students.deltacollege.edu". For example, John Smith's login would be `jsmith321`. Your password is your date of birth entered as mmddyy or the PIN number you have created.

For assistance with log-in problems, please contact [emailhelp@deltacollege.edu](mailto:emailhelp@deltacollege.edu).

## Six Easy Steps for New Students (Continued)

### STEP 2. ASSESSMENT [assessment@deltacollege.edu](mailto:assessment@deltacollege.edu)

Cunningham 220, (209) 954-5535

The purpose of academic assessment at San Joaquin Delta College is to ensure that each student's educational experience at Delta College is productive and rewarding. Delta recognizes that a student's time is valuable and that it is important for each student to enroll in courses for which he or she is prepared. Assessments are offered during the day and evening before classes start and throughout the term. Students must make an appointment to take an ACE. Priority seating will be given to students who have their ACE appointment confirmation page with them at the time and date of the test.

A student cannot fail the assessment. The assessment measures a student's skills in reading, English, and mathematics (applications and computation). The results will help with placement in courses appropriate to each student's academic levels.

**ACE (Assessment-Counseling Express)** includes a 20 minute information session at the beginning of each scheduled assessment. Students are advised to enroll in Guidance 11 (new student orientation). For more information, contact the Assessment Center or Guidance Office.

### WHO NEEDS ACADEMIC ASSESSMENT?

All students enrolling for the first time are required to be academically assessed. Some returning students may need to participate in the assessment process to meet specific course and/or program prerequisites (See, "WHO IS EXEMPT FROM ASSESSMENT?"). Students usually choose from one of two programs: (1) The Assessment/Placement (A/P) program is designed for English as a first language students and for ESL students with a high school diploma from the USA. (2) The English as a Second Language (ESL) program is designed for ESL students who do not have a high school diploma from the USA. Both the A/P and ESL programs are approximately 3 hours in length and consist of a skills test and orientation. The A/P and ESL assessments may be taken once only; however, sections of the test may be retaken. For assessment dates/times, contact the Academic Assessment Center or Admissions Office. (See page 10 for reading, English, and ESL course placements.)

### WHO IS EXEMPT FROM ASSESSMENT?

There are a number of ways to qualify for an exemption from assessment. Please note, however, that some courses and/or programs may have specific skill prerequisites where exemptions do not apply and assessment is required.

A student may be exempted from assessment if he/she has:

- Earned a college degree from a regionally accredited college or university in the USA — *indicate on application for admission and provide copy of degree or official transcript to Admissions Office.*
- Completed intermediate algebra AND college-level English composition at another regionally accredited college or university in the USA with a grade of "C" or better — *provide official transcript to the Admissions Office.*
- Decided to enroll in Level I basic skills course(s) in reading, English, and mathematics only. Contact Assessment Center to self-declare.
- Decided to exercise a "one course waiver" in a course with prerequisite, "none." A student may subsequently enroll in one course per term, provided that the previous course to which the waiver applies was passed with a grade of "C" or better.
- Has an alternative assessment from other colleges that are provided to the Assessment Center, Cunningham 220.

### RETAKES AND THE APPEALS PROCESS

**Effective May 22, 2009**, the paper/pencil multiple choice retake test for reading and math will be discontinued as well as the composition retake test. Instead, students will be allowed retesting for all subjects on the ACE computer test (COMPASS).

New students begin with Step 1 and Continuing students begin with Step 2, below, and you may retest through the remaining sequence of Steps as follows:

Step 1 Students take ACE (COMPASS)

Step 2 Students may retake COMPASS after 30 days

Step 3 Students may retake COMPASS again in one year and one time a year thereafter.

In some cases counselors may grant an earlier retake of an assessment test or may provide assistance with proper course placement and retesting issues. Please see your counselor for advisement on possible further appeals regarding course placement and retesting.

Please visit the Assessment Center website ([www.deltacollege.edu.dept/assess](http://www.deltacollege.edu.dept/assess)) and click "Retake Exam" for a helpful Question/Answer explanation of the New Retake Policy and what it means to you.

### Appointments NOW required for all RETAKES!

To schedule your appointment go to: <http://www.deltacollege.edu/dept/assess/assessmentretake.html>

### STEP 3. COURSE PLANNING

[www.deltacollege.edu/dept/guidance/](http://www.deltacollege.edu/dept/guidance/)

All new students are encouraged to enroll in a .5 unit orientation class. Guidance 11 is a one day, 8 hour orientation class or a 4-week online class which provides new students with critical information on certificate, degree and transfer requirements. The instructor/counselor will also assist students in the development of a first semester course list. Additional information on key resources, including Financial Aid, is also provided. Information on available sections is shared at the Assessment Test (Step 2), the counseling web site ([www.deltacollege.edu/dept/guidance](http://www.deltacollege.edu/dept/guidance)) or by calling (209) 954-5650.

### STEP 4. REGISTRATION [registration@deltacollege.edu](mailto:registration@deltacollege.edu)

To enroll in courses, you must have your Delta ID number and have met the assessment requirements prior to registration. Registration is done through [www.my.deltacollege.edu](http://www.my.deltacollege.edu), click New/Returning Students tab and follow the directions in Step 5. Course selection assistance is provided in the GUID 011 class or during your meeting with a counselor (See Step 3).

Students must have completed an application for admission to the College, have a Delta ID number, and have met the assessment test requirements prior to registration. All administrative and/or academic holds that prevent enrollment must be cleared prior to registration.

An assigned date and time is required to use the registration system, except during open enrollment and after the term has begun. You will not be able to enroll until your assigned date and time. After a student's registration date and time has passed, courses can be added or dropped as often as necessary while the registration system is available.

Your first choice may be full. Therefore, select two or three sections of the same course before attempting to register. The maximum unit enrollment prior to the beginning of the fall or spring term is 18 units and summer is 9 units. Additional units may be added after the term begins.

Prior to the opening day of the term, you will receive e-mail messages confirming classes in which you are enrolled, fee billing, and financial aid information. **All correspondence from the College will be sent to your student e-mail address.**

**It is the student's responsibility to check his/her student e-mail on a regular basis.**

### How to Register Online:

#1 From the Delta College home page, [www.deltacollege.edu](http://www.deltacollege.edu), log in to the Student Portal (MyDelta), then click Online Registration. Read all information and instructions carefully.

#2 LOG-IN: Enter your Delta I.D. and or PIN (Personal Identification Number).

#3 Select the desired registration term. Example, Fall 09, Spring 10, etc.

#4 Add classes by one of these two methods:

**Open Class List** – Identify desired course and select the "add to class" option. If the class is full and space is still available on the Wait List, click the "add to wait list" option. Students cannot be placed on multiple Wait Lists for the same course.

**Add Course** – Identify desired course and enter the five digit course code in the area provided and click the "add" option. The course code is located in Class Listing Section of the Schedule of Classes, available online or at the Bookstore.

## Six Easy Steps for New Students (Continued)

#4 Print your schedule which will show the fees you currently owe.

If you experience problems registering, call 476-7901, M – F, 8am – 5pm or click on **Live Support** in online registration. Registration assistance is also available in the Electronic Enrollment Services Lab.

### HELPFUL HINTS FOR REGISTRATION:

- You must be admitted to the College and have met the assessment test requirements prior to registration. A registration date and time is required to use the Internet except during open enrollment and after the term has begun.
- To obtain registration date and time information, access the Internet at [www.deltacollege.edu](http://www.deltacollege.edu) and follow the steps listed above for online registration.
- To protect confidentiality, you should conduct his/her own registration.
- The registration system will prevent time conflicts, multiple registrations in the same course, and placement on multiple waiting lists.
- If the Internet registration system is busy, the best times to access the system is Monday – Thursday 6:00 p.m. – 9:00 p.m., Saturday and Sunday, 8:00 a.m. – 9:00 p.m.

### WAITING LISTS:

Waiting lists are maintained for all full classes. The student must be eligible for the class before being placed on the waiting list. This means that the student must have met the class prerequisites and not be in a class which conflicts in time with the one that is being requested.

The student must attend the class and be present to be moved from the Wait List into official enrollment. Wait List placement does not constitute official enrollment. Fees are assessed and payable at the time the student is moved into full enrollment. A student on a Wait List with an administrative hold that prohibits registration or a student who is absent from class will be dropped from the Wait List.

#### Wait List During Registration

To be placed on the Wait List for a full class, the student must attempt to enroll in the class during Registration and accept the offer of Wait list assignment or click the "Add to Wait List" option in the Open Class List.

The instructor admits students to the class based upon their position on the waiting list at the close of Registration. To be moved from the Wait List, the student must attend class and be present, if the instructor accepts additional students from the waiting list. If a student is not present, the instructor admits the next student on the waiting list. If there are no students on the waiting list, or all waiting list students have been admitted, then the instructor may admit other students who show up at the first class meeting.

#### Wait List Add Procedure

A student who places himself/herself on the Wait List after the class begins is admitted only with permission of the instructor. The student must attend the class and be present to be considered for movement from the Wait List.

### HOW TO ADD A COURSE:

Once classes begin, there are two methods for adding a class:

**Wait List Add Procedure:** Log in to Online Registration and do the following: Enter the five digit course code and hit the ADD COURSE CODE button (This is located at the bottom area of your class schedule). You will receive a message saying "**Class has already started**" and will be given the option of selecting the "**Put me on the Waiting List**" button. When you are successfully added to the Wait List, you get a message saying, "**You have been added to the Waiting List for Class Code XXXX.**"

Once you have been added to the Wait List be sure to **ATTEND THE NEXT CLASS MEETING AND REQUEST PERMISSION FROM THE INSTRUCTOR TO BE ADDED TO THE CLASS FROM THE WAIT LIST.**

**Instructor Add Memo Procedures:** Attend the class on the first day to request instructor permission to add the course. If permission is granted, complete the information requested on the Instructor Add Memorandum. This form will be available in class. The course will be

added by the Admissions & Records Office within 24 hours of receipt of the Instructor Add Memorandum submitted by the faculty member. Students are notified via their student e-mail account when successfully added or when there is a problem that must be resolved.

### HOW TO DROP A COURSE:

**DROP:** Use the Internet to drop a course. Log into Online Registration and click the "Drop" button next to the class you wish to drop. If a registration cycle is underway for a term other than the one for which you wish to drop a course, be sure to select the correct term.

### HOW TO GET GRADES

## Online Class Registration

### How do I register for an Internet course?

Enroll as you would for other classes. Once registration closes, follow the Waiting List Add Procedure. Your enrollment will be granted based on space availability and meeting the course prerequisite(s).

### If I'm on the waiting list, how do I enroll in the class?

Students on the waiting list for Internet courses should e-mail the instructor using their Delta College student e-mail address to request enrollment in the course. Include your name, Delta I.D. number, course code, and confirm that you would like to be moved from the wait list to full enrollment. You'll be moved from the wait list to full enrollment on a space available basis. E-mails missing the required information cannot be processed. A response will be sent to your Delta College e-mail account. **DO NOT INCLUDE YOUR SOCIAL SECURITY NUMBER.**

*To find your student e-mail address, refer to page 6 under Step 1: Admissions/Student E-mail Accounts.*

### How do I find an instructor's e-mail address?

Instructor e-mail addresses are generally assigned in the following manner—the initial of the instructor's first name followed by the last name [@deltacollege.edu](mailto:@deltacollege.edu). For example, John Smith's e-mail address would be [jsmith@deltacollege.edu](mailto:jsmith@deltacollege.edu). You may also contact the College operator at 954-5151.

### How do I add if the class and the wait list are full?

Students who are not on the waiting list but are interested in adding an Internet course should e-mail the instructor using their Delta College student e-mail address to request access to the class wait list. Include your name, Delta I.D. number, and course code. A response will be sent to your Delta College e-mail address.

Once access is granted, log into Online Registration and place yourself on the wait list using the Add Procedure.

### Should I do anything before class(es) start?

Yes! Check the "Online Classes" information and:

- Review the Technical Requirements for Internet Courses.
- Familiarize yourself with the Sample Class information.
- Carefully review Frequently Asked Questions.
- Get class materials, including the textbook, in preparation for your first login.

## Six Easy Steps for New Students (Continued)

- Identify the platform on which your class is taught.
- \* Oftentimes the course outline and specific log in instructions are included with the textbook.

### How do I identify the platform on which my class is taught?

Internet classes are taught from several different platforms. To identify the platform for your Internet class, you must click on "Online Classes" on the Delta College home page, then click on "Online Class List Login." Sign on with your Delta College I.D. number and PIN or date of birth mmdyy. Each Internet class in which you are enrolled shows the "platform" on which it is taught.

Courses taught on eCollege and Etudes can be accessed by clicking on the course code. Login instructions for courses taught on "other" platforms are provided directly from the instructor. Please note that textbooks for classes taught on "other" platforms must be purchased at the Delta College Bookstore prior to attempting login because the class materials contain codes required for login.

### After registering, how do I know when to log in to my class?

The actual course material will not be available until the first day of class.

### What is my login?

Classes taught on eCollege or Etudes platforms are accessed by using your Delta College I.D. number as the login. The password is the date of birth entered as mmdyy unless a PIN has been created. If you have created a PIN through online registration, the PIN is your password. Do not confuse your student e-mail login information with online class login. They serve two separate functions. Classes taught on "other" platforms are accessed by using codes provided in the course textbook and from the instructor.

### To find out what your Delta College ID number is:

1. Log on to the registration system as you normally would. You will see that you have the option of using your Delta ID number or your social security number. Use your social security number for the first log in.
2. Enter your password beneath the SSN block. Note that the password is the same for both types of log ins (Delta ID or SSN).
3. Once you have logged on, you will see the normal greeting with your name. Just below this, you will find your Delta ID number.

Please write down your Delta ID number and use it to access your records in the future.

### What do I do if I'm having trouble logging on?

Assistance with login problems is provided in several ways. You must first identify the platform upon which your class is taught. Once you identify it, click on the related link for that platform. Specific platform information is listed below:

#### eCollege Platform

You may request help from the Delta Online Helpdesk for technical problems. Questions concerning class assignments, due dates, etc. should be directed to the instructor. Contact information is available from the "Online Classes" link from the college homepage. E-mail the Delta Online Helpdesk at [helpdesk@deltacollege.org](mailto:helpdesk@deltacollege.org) or phone (303) 873-0005.

#### Etudes Platforms

You may request help from the Etudes Online Helpdesk for technical problems. Questions concerning class assignments, due dates, etc. should be directed to the instructor. Contact information is available from the "Online Classes" link from the college homepage. Follow this link to the help desk website: <http://otrs.deltacollege.edu/otrs/customer/pl> or phone (209) 954-5840.

#### Publisher Platform(s)

You must first purchase the textbook. Part of your login information is contained in the class materials. Without that information, you will not be able to login. Then you must check your student e-mail. Your instructor will provide login information at your student e-mail address. If you are still having problems logging in after you have read the instructor's e-mail and purchased the textbook, you must contact your instructor via e-mail.

### Do I have to login the first day of class?

It is highly recommended that you log in on the first day of class. Some instructors drop students who do not log in within the first few days.

### Will my Internet instructor contact me?

Some Internet instructors contact their students via e-mail. Some do not. If you have not heard from your instructor by the first week of class, you should login and begin working. If you are having any problems, contact your instructor by e-mail for assistance.

### STEP 5. COLLEGE FEES

Dollar amounts for individual aid programs vary from a minimum of \$200 to a \$4,050 maximum. Eligible students are usually awarded a financial aid "package," which includes funding from a combination of aid programs.

Applications for 2009-2010 academic year are available in early January with a March 2, 2010, priority deadline; however, students may apply at any time during the academic year. Applications are processed in the order received, and funds are awarded on a first-come, first-serve basis.

### HOW TO APPLY:

Each financial aid program has varying eligibility criteria and varying dollar awards. Students must:

1. Pick up an application packet in the Admissions, Records and Financial Aid Office, Holt 101. Each packet will include applications and information for completing a student financial aid file.
2. Complete the Free Application for Federal Student Aid (FAFSA) and mail it in the envelope attached to the application, or file an online application at [www.fafsa.ed.gov](http://www.fafsa.ed.gov). Financial aid application workshops are offered in the e-Services Lab, located in Goleman 128. For workshop dates and times please check the Delta College Web site. #### • SSI RECIPIENTS

MEDS Card (Medical Eligibility Data System) or copy of the SSI check. Request from the Medi-Cal Unit of Human Services.

DECEASED/DISABLED VETERAN'S DEPENDENTS OR NATIONAL GUARD DEPENDENTS may also qualify for a fee waiver: Certification is provided by the California Department of Veterans Affairs or Student's County Veterans Service Office—OR Fee Waiver certification provided by the California National Guard Adjutant General's Office.

**METHOD B:** A BOG Fee Waiver (BOGW) Method B may be awarded to low-income students. Qualification is based upon the student's (or parent's) income and household size. Colleges may ask the student to provide documentation of income, such as a copy of the 2005 U.S. Income Tax Return. Students are required to provide documentation if it is requested.

**METHOD C:** A BOG Fee Waiver (BOGW) Method C may be awarded to financial aid applicants who are California residents and who have applied and show financial need through the processed FAFSA application.

For fee waiver applications, please contact the Financial Aid Office in Holt 101, or download an application from the Financial Aid website: [finaid.deltacollege.edu](http://finaid.deltacollege.edu).

## PRIORITY REGISTRATION SYSTEM

The objective of priority registration is to give preference to students based on the variables listed below. The priority system gives a "weighted count" to each student. This is calculated automatically at the time a student is assigned a registration appointment.

Priority registration appointments are based on the following factors:

<p><b>1. Number of Delta AA-Appropriate Units Completed:</b></p> <p>1 - 15 = +1            16 - 30 = +2            31 - 45 = +4            46 - 60 = +6            61 - 75 = +8            76 - 90 = +5            91 - 100 = +3            101 - 110 = +1            More than 110 Units Completed = 0</p>
<p><b>2. Highest Degree Earned or Eligible for:</b>            Lower Priority will be assigned to students who have received a BA/BS or higher degree at any accredited institution:            BA/BS Degree = -1</p>
<p><b>3. Declared Goal:</b>            Priority for declaration of an AA/AS, transfer, certificate, or retraining as one of top four educational goals = +1</p>
<p><b>4. Assessment Requirements Met:</b>            Priority for completion of the Matriculation Assessment requirements = +1</p>
<p><b>5. Cumulative Grade Point Average (GPA):</b>            Priority for cumulative Grade Point Average (GPA) of 2.0 or greater over a cumulative GPA below 2.0. Additional priority for a cumulative GPA of 3.0 or greater GPA will be based on AA/AS Degree - applicable courses and priority for GPA will be given only to those students whose GPA is based on 15 or more units:            2.0 to 2.99 of AA/AS units = +1            3.0 or better of AA/AS units = +2</p>
<p><b>6. Student Education Plan Completed:</b>            Preference will be given to students who have filed a Student Education Plan (SEP) = +1</p>
<p><b>7. Academic Rehabilitation:</b>            Priority for completion of the rehabilitation process = +1</p>
<p><b>8a. Progress Probation:</b>            Lower priority if more than 50% of grades are "W", "I", or "NC" in consecutive semesters = 1</p>
<p><b>8b. Academic Probation:</b>            Lower priority for students who are recorded as being on academic probation = -1</p>
<p><b>9. Guidance Orientation and Study Skills Classes:</b>            Priority will be given to students who complete any of the following guidance/orientation or study skills courses:            GUID 1, 8, 10, 11, 12, 14, 16, 19, 75, 75A, 85 or English 33A = +1            Priority will be given to students who complete a Guidance 100 course. This priority will be given only for the first semester after the credit has been recorded = +1</p>
<p><b>10. Identified EOPS and DSPS Students = +18</b></p>
<p><b>11a. Identified Active or Former Member of the Armed Services = +18</b></p>
<p><b>11b. Verified Veteran Dependent = +1</b></p>

# CALIFORNIA STATE UNIVERSITY

## General Education Pattern

This certificate is designed for the student who intends to transfer to a California State University. Certification of completion of this certificate of achievement will fulfill lower division General Education Requirements at all CSU campuses and eliminate the need to complete additional lower division general education requirements at the transfer campus.

Each candidate for the bachelor's degree from a California State University (CSU) institution shall complete a pattern of forty-eight (48) semester units of general education courses in addition to courses in American History and Institutions. A student may complete a maximum of thirty-nine (39) of the forty-eight (48) units at San Joaquin Delta College. The San Joaquin Delta College forty-two (42) unit requirement allows students to meet both the CSU General Education pattern and the CSU's 40404 requirement for American History and Institutions. Students completing the CSU general education pattern will meet the general education requirements of San Joaquin Delta College's Associate Degree.

Students must file an application for CSU-GE certification with Evaluators in the Admissions and Records Office ([www.deltacollege.edu/dept/ar/admissions/evaluations.html](http://www.deltacollege.edu/dept/ar/admissions/evaluations.html)) at the end of the semester in which all courses have been completed.

Students are encouraged to consult with a counselor to develop an Student Education Plan. Counseling appointments may be scheduled online by selecting "Counseling" under "Student Resources" on the Delta College homepage, or by calling the Guidance and Counseling Office at (209) 954-5650. # INTERSEGMENTAL GENERAL EDUCATION TRANSFER CURRICULUM (IGETC)

## California State University (CSU) Version

This certificate is designed for the student who intends to transfer to the California State University (CSU) System and chooses to complete IGETC to satisfy lower division general education requirements. Completion and certification of the Intersegmental General Education Transfer Curriculum (IGETC) permits students to transfer from San Joaquin Delta College to a campus of the California State University (CSU) without the need to take additional courses after transfer to satisfy the lower division general education requirements.

The California State University has an American Institutions (AI) requirement that is separate from IGETC requirements. Courses used to satisfy this requirement are listed in IGETC Area 3 and 4. CSU campuses have the discretion whether to allow courses used to satisfy the CSU AI graduation requirement to count in both IGETC areas and to also meet the AI graduation requirement. Students are strongly advised to consult with a counselor or visit [www.assist.org](http://www.assist.org) to determine which courses to complete to satisfy the CSU AI requirement. Failure to do so may lead to incorrect course selection and may delay transfer.

Students must file an application for IGETC certification with evaluators in the Admissions and Records Office immediately upon completion of IGETC coursework.

Selection of courses from this list may be affected by one or more factors, including choice of major, university transfer requirements, or prerequisite or sequencing requirements. Satisfactory completion in high school of a one-year course in U.S. History, or a half-year course in American Government, satisfies this requirement at all UC campuses except UC Santa Barbara, which requires a college level course. UCLA requires that the student must have earned a "B" average in these high school courses. Students who did not satisfy the AI requirement through high school course work may do so by taking any course indicated by \*\*\* on the IGETC. Students must take an additional course in the same IGETC area as the AI requirement to satisfy the area general education requirement. It is highly recommended that you consult a Counselor to ensure successful transfer.

\*\*\*Courses which satisfy the American Institutions Requirement. These courses may not also be used to satisfy the IGETC area. +Transfer credit may be limited by U.C. Students should consult a counselor or visit [www.assist.org](http://www.assist.org) for additional information.

## Associate Degree General Education Pattern

The Chancellor's Office for the California Community Colleges deems that the governing board of community colleges shall establish a general education program which symbolizes a successful attempt on the part of the college to lead students through patterns of learning experiences designed to develop certain capabilities and insights.

Among these are the ability to think and to communicate clearly and effectively both orally and in writing; to use mathematics; to understand the modes of inquiry of the major disciplines; be aware of other cultures and times; to achieve insight gained through experience in thinking about ethical problems; and to develop the capacity for self-understanding. In addition to these accomplishments, the student shall possess sufficient depth in some field of knowledge to contribute to lifetime interest.

General education is designed to introduce students to the variety of means through which people comprehend the modern world. It reflects the conviction of colleges that those who receive their degrees must possess in common certain basic principles, concepts and methodologies both unique to and shared by the various disciplines. College educated persons must be able to use this knowledge when evaluating and appreciating the physical environment, the culture and the society in which they live.

## COLLEGE CREDIT FOR HIGH SCHOOL COURSES

### How to Apply for Credit

Students who have completed articulated courses in high school may receive college credit at San Joaquin Delta College. The College is committed to comprehensive articulation of instructional programs with both secondary and postsecondary educational institutions, often referred to as 2+2+2 articulation. The 2+2 articulation links the high school or ROP program with San Joaquin Delta Community College programs. These articulated programs lead to an Associate Degree or Certificate. The 2+2+2 articulation adds a four-year college or university program leading to a Baccalaureate Degree where appropriate.

The articulation process is a system designed to help students to advance for one course, program or educational level to the next without unnecessary repetition of essentially similar courses for which credit has been received.

If you believe you may have taken an articulated course while in high school, you may wish to exercise your right to obtain college credit by completing all of the following steps:

#### GO TO:

[www.deltacollege.edu](http://www.deltacollege.edu)

Select: "Admissions and Records"

Select: "2+2 Articulation"

Complete the following process online. Text in italics below indicated a link to an electronic form available on the "2+2 Articulation" webpage.

If you have taken any of the course on the "*List of Articulated Courses*"; you may qualify to obtain college credit by completing **ALL** of the following criteria:

1. Successfully complete the course according to the articulation agreement between the high school and Delta College.
2. File an Application for Admission to San Joaquin Delta College.
3. Request credit within two years of course completion or no later than two years after high school graduation.
4. File an Application for College Credit AND submit official/sealed transcripts from your high school/secondary school to the Admissions and Records Office, Holt 101, 5151 Pacific Ave., Stockton, CA 95207.

### KNOW YOUR CATALOG RIGHTS

Catalog Rights are the privilege of retaining course and program requirements needed for graduation as listed in the College Catalog at the time of initial enrollment in college.

To retain Catalog Rights, a student must maintain continuous enrollment through the completion of requirements for graduation. Continuous enrollment is defined as earning college credit in at least one semester during an academic year without interruption of progression.

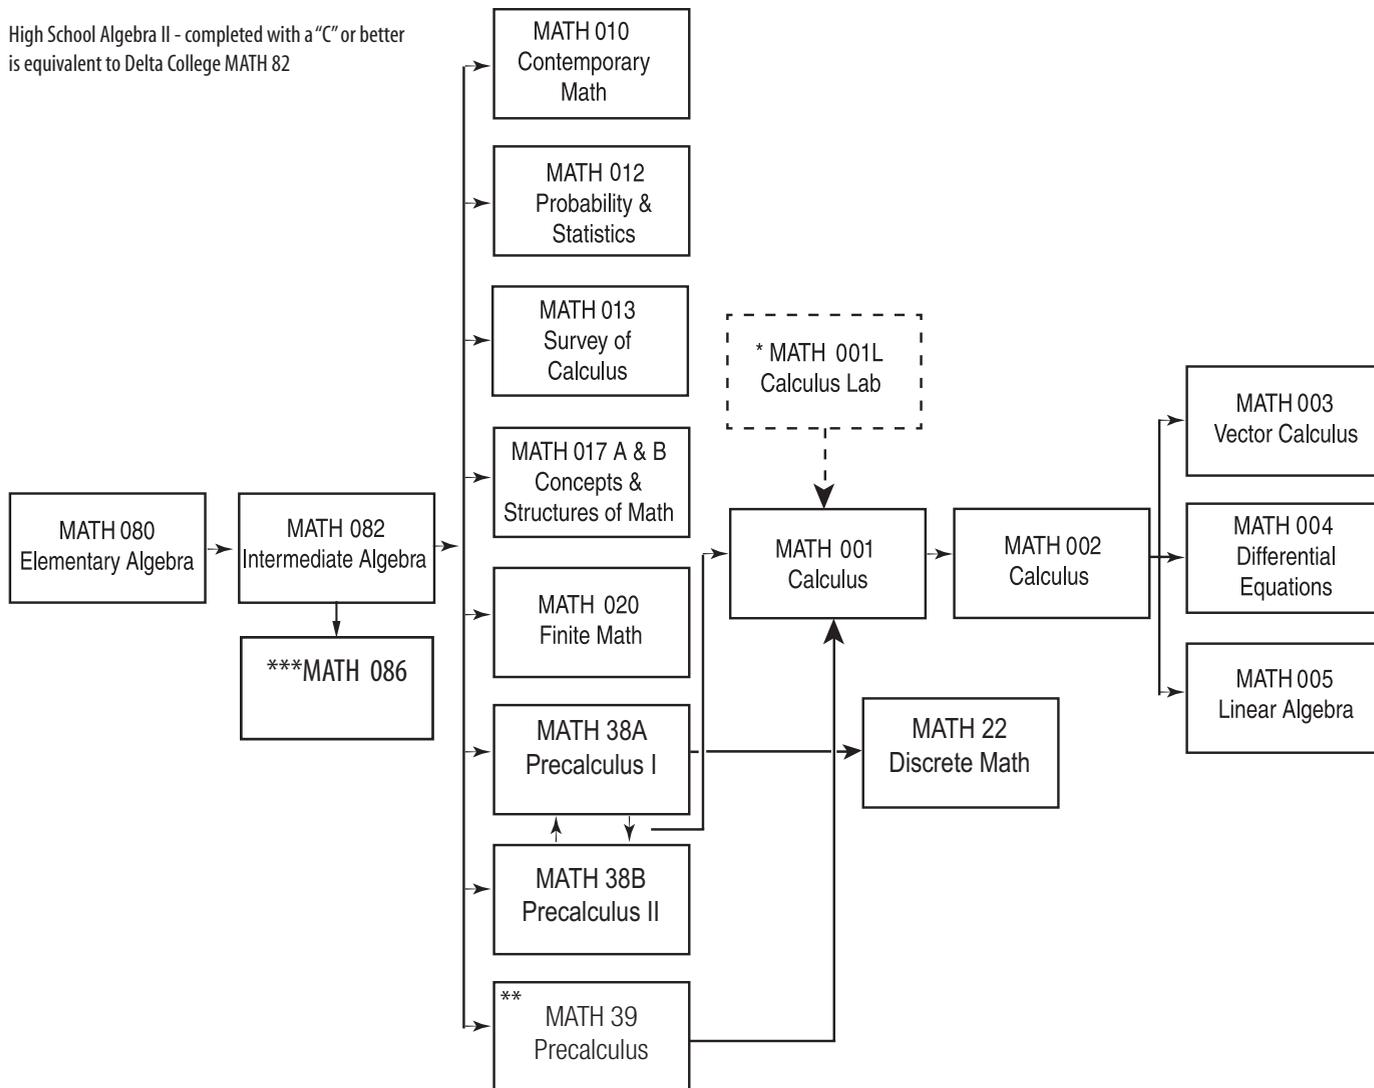

An academic year begins with the Summer Intersession and includes the following fall and spring semesters.

Catalogs are available "online"  
([www.deltacollege.edu](http://www.deltacollege.edu))  
and at the Delta College Bookstore.

## TRANSFER TO A FOUR-YEAR INSTITUTION

If you are planning to transfer to a four year institution from San Joaquin Delta College, you should consult with a Delta College counselor, a representative of the campus to which you plan to transfer, and refer to the college catalog for that campus in order to obtain the most current information. Additional information is available at [www.californiacolleges.edu](http://www.californiacolleges.edu), this is California's free official source for college and career planning. You are encouraged to visit the web sites published in this article.

There are four things to research when planning the courses you will need to transfer:

- 1) Admission requirements for the university you plan to attend.
- 2) General education requirements. Consult with your counselor to select a general education pattern that best meets your transfer goals.
- 3) Major preparation courses which meet pre-requisites for upper division coursework. Consult with your counselor to determine which lower division courses and major preparation courses you should complete at San Joaquin Delta College before you transfer.
- 4) Other requirements that can be completed at the community college, e.g., foreign language, diversity requirement, computer literacy.

### ADMISSION REQUIREMENTS

#### Transfer to a California State University (CSU):

- 1) Admission requirements for students who have completed fewer than 60 transferable units at the time of entry to the CSU:
  - a. have a college grade point average of 2.0 or better in all transferable college units attempted;
  - b. be in good standing at the last college or university attended (eligible to re-enroll);
  - c. meet the admission requirements for a first-time freshman or successfully complete necessary courses to make up the deficiencies;
  - d. meet the eligibility index required of a freshman (you may need SAT or ACT test scores, depending on your grade point average and the requirements for the campus you wish to attend);
  - e. contact the campus you wish to attend to determine whether there are limits on admission as a lower division transfer. Some campuses may require completion of English composition and general education mathematics.
- 2) Admission requirements for students who have completed 60 or more transferable units at the time of entry to the CSU:
  - a. have a college grade point average of 2.0 or better in all transferable college units attempted;
  - b. be in good standing at the last college or university attended (eligible to re-enroll);
  - c. complete 30 semester units of courses equivalent to general education requirements with a grade of C or better. The 30 units must include all of the general education requirements in communication in the English language (English composition, oral communication, and critical thinking) and at least one course in college level mathematics.

For more information visit [www.csumentor.edu](http://www.csumentor.edu) or obtain printed materials in the Career Transfer Center, Danner 202-203, San Joaquin Delta College.

#### Transfer to a University of California (UC):

- 1) Admission requirements for students who have completed less than 60 transferable units at the time of entry to the UC:

- a. meet the admission requirements for a first-time freshman (A-G subjects, grades, and test requirements) or successfully complete courses to make up any subject deficiencies;
  - b. have a college grade point average of 2.0 or better in all transferable college units attempted;
  - c. contact the campus you wish to attend to determine whether there are limits on admission as a lower division transfer.
- 2) Admission requirements for students who have completed 60 transferable units at the time of entry to the UC:
    - a. have a college grade point average of at least a 2.4;
    - b. complete two transferable college courses in English composition, one transferable college course in mathematical concepts and quantitative reasoning, and four transferable college courses chosen from at least two of the following subject areas: arts and humanities, social and behavioral sciences, and physical and biological sciences.

For more information visit [www.universityofcalifornia.edu](http://www.universityofcalifornia.edu) or obtain printed materials in the Career Transfer Center, Danner 202-203, San Joaquin Delta College.

#### Transfer to a California Independent College or University:

Each of these campuses maintain different admission requirements. To begin exploring and identifying the campus suited to your needs, you should:

- 1) visit [www.aicmentor.org](http://www.aicmentor.org). This web site provides more information about California's 77 independent colleges and universities;
- 2) visit [www.californiacolleges.edu](http://www.californiacolleges.edu). This web site is California's free official source for college and career planning.
- 3) visit the campuses you have selected, see for yourself;
- 4) learn how to apply for financial aid in California.

### GENERAL EDUCATION REQUIREMENTS

The California State University (CSU) and the University of California (UC) campuses have different admission and general education requirements. Depending on your choice of campus and major, you may be advised to complete minimum general education courses or an entire general education pattern. Consult with a counselor or university representative or university website to determine which GE pattern will satisfy the general education requirements needed at the institution you wish to attend.

### MAJOR PREPARATION

Each four-year institution has a specific list of courses required to prepare a student for a major. You should

- 1) meet with a counselor to discuss which courses are appropriate for the major you wish to pursue at a particular school;
- 2) visit the web site [www.ASSIST.org](http://www.ASSIST.org) to learn more about the preparation for the major at a UC/CSU you would like to attend. Visit the website for the school you would like to attend;
- 3) visit the campus you would like to attend. Talk to an advisor in the department of your major to learn more about the specific preparation that is required. Meet with a representative from that school in the Delta College Transfer Center.

### OTHER REQUIREMENTS

You may be able to satisfy additional campus-specific requirements before transferring. Requirements may include a foreign language, diversity or a literacy. Consult with a counselor to determine if the campus you are planning to attend has any special requirements you can satisfy before transferring.

### GENERAL EDUCATION CERTIFICATION

Request partial or full certification of your general education courses after you have been admitted to a four-year institution that you wish to attend and during your last semester of enrollment at Delta College. If you have been following the CSU general education pattern, partial or full certification is available. If you have been following the IGETC general education pattern, with few exceptions, only full certification is available. The certification process can help you avoid having to take additional lower division courses for general education after transferring to the four-year institution. The forms to apply for general education certification are available in the Evaluations Office, Holt 101, or in Guidance and Counseling, Danner 205.

### UNIVERSITY OF CALIFORNIA TRANSFER ADMISSION GUARANTEE PROGRAM (TAG)

In 2007, the University of California started using a common name and form for its' transfer admission guarantee program. Under the Transfer Admission Guarantee program, seven out of ten UC campuses offer guaranteed admission to California community college students who meet specific requirements. Students in the TAG program can receive early review of their academic records, early admission notification and specific guidance on major preparation and general education coursework. These agreements, developed in conjunction with your Delta College Counselor, will guarantee your admission to the university for which the agreement is written. With your counselor, you will develop a Student Education Plan, (SEP), which will ensure that you are taking the proper courses to become eligible for admission. Your SEP will include the courses necessary to complete your general education and major preparation requirements. If you fulfill your obligation as outlined in the TAG, the Transfer institution will fulfill its obligation, meaning you will be automatically admitted upon completion of the formal admissions process. To develop your TAG, see a counselor as soon as possible during your first semester at Delta College by contacting the Counseling Office for an appointment at (209) 954-5650. For details, visit [www.UCTransfer.org](http://www.UCTransfer.org) to see a list of participating campuses, eligibility criteria, and campus-specific notes.

### CENTRAL VALLEY HIGHER EDUCATION CONSORTIUM TRANSFER ADMISSION AGREEMENT (CVHEC TAA)

The Central Valley Higher Education Consortium (CVHEC) developed a Guaranteed Transfer Admission Agreement (TAA) in conjunction with UC Merced, CSU-Stanislaus, CSU-Fresno, CSU-Bakersfield, and University of the Pacific. The TAA is designed specifically for San Joaquin Valley Community College Students. As a San Joaquin Delta College student, you are eligible to participate in the CVHEC agreement, and receive guaranteed admission to the above 4-year Colleges and Universities located in the San Joaquin Valley. Consult with a Delta College Counselor at (209) 954-5650 for additional information.

## Transfer To A Four-year Institution (continued)

### UNIVERSITY OF THE PACIFIC TRANSFER ADMISSION AGREEMENT (TAA)

Meet with a Delta College Counselor to determine if you are eligible to transfer and meet the criteria for your major to develop a TAA with University of the Pacific. TAAs are available for the fall and spring terms and should be completed at least six months before you plan to attend. ## LEARNING COMMUNITIES

### What is a Learning Community?

- Students working together in two or more linked classes with a common theme.
- There are two types at SJDC. In the first type all the students that are enrolled in one class also enroll as part of a larger lecture class. For example, all 35 students enrolled in an English 79 class also enroll in a AJ 21 class (35 Eng students plus 30 other students = 65 total for the AJ class.) Our MAJOR THEMED Learning Communities follow this format.

The second type has all the same students enrolled in the same group of classes. For example, the same 30 students all enroll in English 79, Reading 91A and Guidance 5. STUDENT SUCCESS Learning Communities follow this format.

- The work in one class often relates to the work in the other class or classes; for example, reading in one class supports your assignments and understanding in the other classes. In a Reading class you may read some poems, in the Guidance class you may watch a film about the poet, and in the English class you may write your own poem or write about the poet and your interpretation of his poems.

### What are Some of the Advantages of a Learning Community?

- Learning Community students have higher success than non- LC students.
- Learning Community students interact more with other students and faculty.
- Learning Communities are great for meeting new people that have common goals and dreams.
- Learning Community students build long lasting relationships with other students on campus.

### How do I enroll?

- **Register for any one section in the Learning Community and you are automatically enrolled in the entire Learning Community.**
- **YOU MUST BE IN ALL CLASSES in the Learning Community.**
- **If you drop any one of the sections, you will be dropped from all classes in the Learning Community.**
- **Call 954-5906 for more information.**

One Day Use Permits: Daily permits can be purchased for 50 cents from dispensers located at various points within the parking lots. Daily permits must be displayed on the vehicle dashboard in an easily viewed area.

Parking permits are required for all vehicles, including those displaying handicapped plates and/or placards for special parking spaces. Please see section on "Parking for Disabled Students," for more information.

Vehicles will be ticketed commencing **August 24, 2009**.

Enforcement Hours. Parking permits are required 24-hours a day Monday through Thursday and Friday until 6 p.m. Parking is free on Friday after 6 p.m. and on Saturday and Sunday. All other vehicle codes are enforced 24 hours each day.

Notice: This is a contract. This contract limits Delta College's liability. Parking permits entitle the holder to the rental of space only. No bailment is created. San Joaquin Delta College District is not responsible for loss of, or damage to, the vehicle or any of its contents.

Please view our online website for more information on parking: <http://www.deltacollege.edu/dept/police/parking.html>.

## Policies

### Attendance Regulation

Regular attendance in class and laboratory sessions is an obligation assumed by every student at the time of registration.

Regular attendance is necessary for satisfactory academic progress. Any student who fails to attend a class during the first three sessions of the class at the beginning of a term may be dropped unless the student has advised and obtained an absence approval from the instructor.

An instructor may dismiss a student from class when absences become excessive. See the Student Handbook for procedures concerning attendance irregularities.

### Course Numbering

- 1-69** Baccalaureate courses, which are transferable to California State University (CSU) and the University of California (UC) are noted at the end of the catalog statement.
- 70-99** Non-baccalaureate courses may count for community college credit. Some courses do not count toward the associate degree and have the statement: "Units earned in this course do not count toward the associate degree."
- 100-199** Non-credit courses do not require Assessment/Placement testing. The student does not earn grades and no credit, and pays no fees.
- A or T** Apprenticeship and Trade Extension courses are preceded by the letter A or T and department designation. See apprenticeship/trade extension coordinator for registration information.
- CAN** California Articulation Number System is a state-wide system designed to identify the transferable, lower division courses commonly taught at the community college.

### Grade Options

Every course in the College is placed, by the division/department offering it in one of the following grade categories:

- 0 Letter grade only
- 1 Credit/No credit
- 2 Letter grade only; No incomplete allowed
- 3 Letter grade or Credit/No credit
- 4 [NO GRADE] - Ungraded
- 5 Letter grade or Credit/No credit for out-of-term class
- 6 Letter grade only for out-of-term class
- 7 Credit/No credit for out-of-term class
- 8 Letter grade only; No incomplete allowed for out-of-term class

### Open Entry/Open Exit

Open Entry/Open Exit simply means that students may enroll in classes throughout the semester and choose from more flexible time frames.

Advantages of OE/OE Courses:

- Work at one's own pace
- Set one's own schedule
- Work in a less stressful setting
- Complete more than one course a semester
- Individualized help available

For students who are motivated, able to follow instructions, and are trying to juggle multiple responsibilities, these courses provide the opportunity for college credit in a more flexible format. For examples, please refer to BIM 80 or CS 95 series courses.

### Open Enrollment Access Policy

It is the policy of the San Joaquin Delta Community College District that, unless specifically exempted by statute, every course, course section, or class, the Full-Time Equivalent Student (FTES) enrollment of which is to be reported for state apportionment and wherever offered and maintained by the District shall be fully open to enrollment for participation by any person who has been admitted to the college and who meets such prerequisites as may be established pursuant to Chapter II, Division 2, Part VI, Title 5 of the California Administrative Code, commencing with Section 51820. It is further the policy of this district that where health, safety, legal requirements, or the facility is a limiting factor in the conduct of a course/program, fair and equitable admission requirements and procedures will be established to meet such limitation.

## San Joaquin Delta Community College

### Student Right-to-Know Rates for Fall 2002 Cohort Completion Rate: 39.3 % Transfer Rate: 22.8 %

In compliance with the Student-Right-to-Know and Campus Security Act of 1990 (Public Law 101-542), it is the policy of our college district to make available its completion and transfer rates to all current and prospective students. Beginning in Fall 2002, a cohort of certificate, degree, and transfer-seeking first-time, full-time students were tracked over a three-year period. Their completion and transfer rates are listed above. These rates do not represent the success rates of the entire student population at the College nor do they account for student outcomes occurring after this three-year tracking period.

Based upon the cohort defined above, a Completer is a student who attained a certificate or degree or became 'transfer prepared' during a three year period, from Fall 2002 to Spring 2005. Students who have completed 56 transferable units with a GPA of 2.0 or better are considered 'transfer-prepared'. Students who transferred to another post-secondary institution, prior to attaining a degree, certificate, or becoming 'transfer-prepared' during a five semester period, from Spring 2003 to Spring 2005, are transfer students.

## CAMPUS SECURITY

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act is the landmark federal law originally known as the Campus Security Act that requires colleges and universities across the United States to disclose information about crime on and around their campuses. Because the law is tied to participation in federal student financial aid programs it applies to most institutions of higher education both public and private. It is enforced by the U.S. Department of Education. To view this information, visit the Delta College Campus Police web site at: [deltacollege.org/dept/police/statistics.html](http://deltacollege.org/dept/police/statistics.html) or contact Campus Police at (209) 954-5000.
