ABOUT THE HISPANIC SCHOLARSHIP FUND:

Founded in 1975, the Hispanic Scholarship Fund empowers Latino families with the knowledge and resources to successfully complete a higher education, while providing scholarships and support services to as many exceptional Hispanic American students as possible.

HSF strives to make college education a top priority for every Latino family across the nation, mobilizing our community to proactively advance that goal – each individual, over a lifetime, in every way he/she can.

HSF also seeks to give its Scholars all the tools they need to do well in their course work, graduate, enter a profession, excel, help lead our nation going forward, and mentor the generations to come. As the nation's largest not-for-profit organization supporting Hispanic American higher education, HSF has awarded over $500 million in scholarships and provides a range of impactful programs for students, HSF Scholars, Alumni, and parents.
