

**Department:** AG / ASB&T  
**Location:** Manteca Farm Center  
**Contact Name:** Donald Drake

**Job Specifics**

**Job Title:** Farm Assistant

**Hourly Rate:** \$16.50

**Number of students requested:** 4

**Period of employment:** Fall (begins 08/2025) & Spring 2026 (begins 01/2026)

**The position will be:** In person

**Hours:** Anytime from 8am to 3pm

**Days:** Monday - Friday

**Date employment to begin:** 08/15/2025

**To apply:** Submit Resume, Email supervisor [Donald.drake@deltacollege.edu](mailto:Donald.drake@deltacollege.edu)

**Job description:** This is an entry level position intended for students who are building their resumes. However, the applicant should be a High School graduate and current SJDC student with interest in the Agriculture Industry. Some farming, livestock, plant, or equipment experience is welcomed, but not necessary. It is important that the candidate be willing to learn and follow instructions and safety procedures, able to take direction, communicate effectively, and enjoy working outdoors. Some support accommodations can be made, but the position requires candidates to perform physical activities such as lifting, bending, stooping, as well as have the ability to learn the safe use of power tools and equipment.

**Minimum qualifications:** 2. Minimum Qualifications: SJDC student eligible to participate in the federal work study program and willing to work at the Manteca Farm Center.

**Additional comments:** Candidate must be Federal Work-Study eligible.
