 - 11.3.6 A bargaining unit employee who resigns, retires, is dismissed, or whose position is terminated, and who has earned vacation time credit, shall be paid at the regular rate of such vacation at the time earned upon such resignation, retirement, dismissal or termination. If no such dates are available, the vacation may be taken in the following fiscal year.

ARTICLE XIII
DISPUTE SETTLEMENT

13.1 Grievance:

13.1.1 Purpose and Scope

13.1.1.1 A grievance shall mean that there has been an alleged misinterpretation, misapplication or a violation of matters relating to wages, hours of employment, health and welfare benefits, leave and transfer policies, safety conditions of employment, or procedures to be used from the evaluation of employees, as contained in negotiated agreements or Board policy.

13.1.1.2 A grievant is an employee adversely affected by the alleged misinterpretation, misapplication or violation.

13.1.1.3 The failure of the employee to act on any grievance within the prescribed time limits will act as a bar to any further appeal. A manager's failure to give a decision within the time limits shall permit the employee to proceed to the next step. The time limits, however, may be extended by mutual agreement.

13.1.1.4 An investigation or other handling or processing of any grievance shall be conducted so as to result in minimal interference with, or interruption of, the instructional program and related work activities.

13.1.2 Procedures

13.1.2.1 First Step - An attempt shall be made to resolve any grievance in informal verbal discussion between the employee and his/her supervisor.

- 13.1.2.1.1 If the grievance cannot be resolved informally at the first step, either party may choose to continue the informal process by utilizing an "interest based" procedure to resolve the grievance. The interest-based procedure would define the grievance issue as a mutual problem to be analyzed and potentially resolved through the exploration of options and alternatives. A third party facilitator will be mutually agreed upon by both parties. The facilitator may be an employee of the District.
- 13.1.2.2 Second Step - If the grievance cannot be resolved informally, the employee shall file the grievance in writing and, at a mutually agreeable time, discuss the matter with the supervisor and the Chief of Police. The written grievance shall state the nature of the grievance, and shall state the remedy requested. The filing of the formal, written grievance at the second step must be within twenty (20) calendar days from the date of the occurrence of the event-giving rise to the grievance. The manager shall make a decision on the grievance and communicate it in writing to the employee within ten (10) working days after receipt of the grievance.
- 13.1.2.3 Third Step - In the event the grievance has not been satisfactorily resolved at the second step, the employee shall file, within ten (10) calendar days of the Chief of Police written decision at the second step, a copy of the grievance with the Director of Human Resources. Within ten (10) working days after such written grievance is filed, the employee and Director of Human Resources, shall meet to resolve the grievance. The Director of Human Resources shall file an answer within ten (10) working days of the third step grievance meeting and communicate it in writing to the employee and the supervisor.
- 13.1.2.4 Fourth Step - In the event that the grievance has not been satisfactorily resolved at the third step, the employee shall file, within thirty (30) days of the written decision of the Director of

Human Resources, a request with the Director of Human Resources to proceed to the fourth step--a hearing before a Hearing Officer.

The Hearing Officer will be selected as follows:

13.1.2.4.1 With the concurrence of the employee, the Superintendent/ President may either serve as the Hearing Officer or designate another person who need not be an employee of the District to serve.

13.1.2.4.2 If the employee and the Superintendent/President are unable to agree on a Hearing Officer within the five (5) day period from the third step appeal, then the employee may request an Arbitrator chosen from a list of seven (7) names requested jointly by the Superintendent/President and the employee from the State Mediation and Conciliation Service. The employee shall strike from the list the name of one candidate; then the Superintendent/President shall strike the name of one candidate; the names will be stricken in this manner until the name of one candidate remains, who shall be the Hearing Officer. The Hearing Officer shall conduct a hearing within either thirty (30) days of the receipt of the written appeal of the third step decision or thirty (30) days of agreement on the Hearing Officer or as soon thereafter as available. The Hearing Officer shall notify the Superintendent/President of his/her advisory decision within ten (10) days of such hearing. Within ten (10) days of the receipt of this written advisory decision by the Superintendent/President, the Superintendent/President will render a final written decision setting forth the reasons for such decision. The timeline set forth in this paragraph may be

waived by mutual written agreement of both parties.

In event the grievance has not been satisfactorily resolved with the Superintendent/ President, the grievant may file, within ten (10) days of the written decision of the Superintendent/President, a request to have the written record of the grievance reviewed by the Board of Trustees. The Board may accept, reject, or modify the Superintendent/ President's decision. This decision shall be made by the Board of Trustees in a timely manner.

13.1.2.4.3 The cost of the Hearing Officer including any transcripts will be mutually paid by both parties.

13.1.2.4.4 Hearing Procedure:

The hearing shall proceed in the following order, unless the Hearing Officer for special reasons otherwise directs:

13.1.2.4.4.1 The party initiating the grievance (the grievant) shall be permitted to make an opening statement;

13.1.2.4.4.2 The District shall be permitted to make an opening statement;

13.1.2.4.4.3 The grievant shall produce evidence to support their position. In a grievance, the grievant bears the burden of proof and the burden of producing evidence. The burden of proof is preponderance of the evidence;

13.1.2.4.4.4 The other party may then present evidence to support their position. This party bears the burden of proof and the burden of producing evidence for any affirmative defenses asserted. The burden of proof is preponderance of the evidence;

13.1.2.4.4.5 The parties may then, in order respectively, offer rebuttal evidence only, unless the Hearing Officer for good reasons permits them to offer evidence upon their original case;

13.1.2.4.4.6 Closing arguments shall be permitted and written briefs may be permitted at the discretion of the Hearing Officer. The party having the burden of proof shall have the right to make the opening argument in closing and to rebut the other party's argument (opening and closing).

The Hearing Officer shall determine relevancy, weight and credibility of the Hearing Office and may recommend back pay and benefits, probationary reemployment and reconsideration.

All grievance hearings shall be closed to the public unless the employee makes a request in

writing ten (10) calendar days before the hearing to have the hearing open to the public.

Each party shall bear equally the un-reimbursed costs of the Hearing Officer, court reporter and transcripts. If either party cancels or postpones a scheduled hearing resulting in a fee charged by the Hearing Officer, that party shall pay the cancellation fee. This does not apply to mutual settlements between the parties.

13.2 EEO Discrimination

13.2.1 There shall be a sincere effort on the part of involved parties to settle complaints promptly through the steps listed below. Charges of alleged unlawful discrimination shall be filed and investigated as required by the District's Board Policies (BP3410, 3430) and Administrative Procedures (AP3410, 3430, and 3435). Under no circumstances will a charge be accepted that was not filed within 180 days of the alleged unlawful discrimination or harassment.

13.2.2 Representation - The complainant shall be entitled to representation of his/her choice at all meetings involving the complainant.

13.2.3 Procedures

13.2.3.1 First Step - An attempt shall be made to resolve complaints of alleged unlawful discrimination through verbal discussion between the complainant and the Director of Human Resources.

13.2.3.2 Second Step - If the complaint is not resolved in Step 1, the complaint will be put in writing (using District's Unlawful Discrimination/Sexual Harassment Complaint Form) fully stating the facts surrounding the complaint (Section 59328, Title 5). The indicated form must be filled out completely, signed, dated, and submitted to the Director of Human Resources. The Director of Human Resources or designee shall investigate the matter as required by Board Policies and Procedures and shall issue findings within ninety (90) days from the date the complaint was filed.

13.2.3.3 Third Step – Upon receipt of the administrative determination, if the complainant is not satisfied with the resolution that he/she may, within fifteen (15) days, submit a written appeal to the Board of Trustees. The Board shall review the original complaint, the investigative report, the administrative determination, and the appeal and issue a final District decision on the matter within forty-five (45) days after receiving the appeal. If the Board of Trustees fails to issue a decision within forty-five (45) days, the original decision in the administrative determination will be deemed to be affirmed and shall become the final District decision in the matter. A copy of the Board's decision shall be forwarded to the complainant and the State Chancellor's Office.

13.3 Final Disposition of Discrimination or Harassment Complaint

Upon sending the notice pursuant to Section 59338 and within ninety (90) days of initiating the investigation required by Section 59334, the District will forward the following to the Chancellor:

13.3.1 The original complaint;

13.3.2 Report of the nature and extent of the investigation conducted by the District;

13.3.3 Report of any action taken to resolve the complaint;

13.3.4 Evidence that the District has complied with the requirements of Section 59338;

13.3.5 Such other information as the Chancellor may require (per Section 59340).

13.4 Effect of Settlement

Any settlement of this discrimination complaint policy and procedure shall be applicable to this complaint procedure only, and shall not be binding authority for the disposition of any other matter. Resolution of complaints at any step in the procedure must be signed by the complainant, the Director of Human Resources and the Superintendent/President to be considered resolved.

13.5 Non-Retaliation Policy

Employees shall not be adversely affected for having brought forward a charge of discrimination or harassment, testified, assisted, or participated in any manner in an investigation proceeding or hearing relative to unlawful discrimination or harassment complaints.

ARTICLE XVII

LAYOFFS

17.1 Unit members shall be subject to layoff for lack of work or lack of funds. Whenever it becomes necessary to invoke layoff procedures, the Board of Trustees will take action in public session in the form of a resolution or Board action, in accordance with normal Board procedures.

17.1.1 In the event of any governing board or administrative decision to (a) abolish unit positions for lack of work or lack of funds, and/or (b) lay off unit members for lack of work or lack of funds, the District shall agree to meet and negotiate the effects of said decision with regard to matters within the scope of representation, as defined by Government Code, Section 3542.2.

17.1.2 Neither work study students nor work experience students shall be used to displace or replace bargaining unit employees. In the event of a layoff, reduction of hours, or abolishment of bargaining unit position, no additional types of work previously performed by the member(s) affected (by the layoff, reduction of hours, or abolishment) shall be assigned to any work experience or work study student. In the event of a layoff, reduction of hours, or abolishment of bargaining unit positions, all short-term employees in a particular classification shall be displaced prior to any displacement of bargaining unit employees in that classification.

17.2 Order of Reduction: The following order will prevail in the reduction of bargaining unit members.

17.2.1 Short-term employees (including students and temporary agency employees) by classification.

17.2.2 Substitute employees, by classification.

17.2.3 Probationary employees, by classification.

17.2.4 Permanent employees, by classification.

17.3 Seniority Computation: Whenever a permanent employee is laid off, the order of layoff within a classification shall be determined by length of service within the classification. The employee who has been employed the shortest time in the class, plus higher classes, shall be laid off first.

17.3.1 Length of service (seniority) will be computed on the basis of hours in paid status, whether during the school year, a holiday, recess, or during any period that school is in session or closed, but does not include hours compensated on overtime basis.

17.3.2 "Hours in paid status" shall not be interpreted to mean any service performed prior to entering into a probationary or permanent status in the classified service.

17.3.3 Any hours worked in an out-of-class assignment shall be computed as hours in paid status in the employee's permanent position.

17.3.4 Less than twelve (12) month employees:

17.3.4.1 Any hours taken as vacation time by less than twelve (12) month employees, including periods of time outside their regular work schedule (i.e., summer) shall be computed as hours in paid status.

17.3.4.2 Hours worked in other than the employee's permanent classification during any off-contract period (i.e., summer) shall not be considered a part of the employee's seniority or benefits for that time period.

Hours worked in the employee's permanent classification during any off-contract period (i.e., summer) shall be considered a part of the employee's seniority and benefits on a pro rata basis.

17.4 Displacement Privileges: All displacement (bumping) actions shall be carried out as follows:

- 17.4.1 A regular employee subject to layoff may displace the least senior employee in the same job classification.
- 17.4.2 A regular employee who is laid off from a classification and who has previously held a regular position in another equal or lower classification may displace an employee with the least seniority in that class. For purposes of this section, seniority shall include the total of the previous regular service in the equal or lower classification, plus service in the class in which the layoff occurs and in higher classes.
- 17.5 Voluntary Demotion in Lieu of Layoff: All displacement (bumping) actions shall be carried out as follows: Regular employees notified of layoff for lack of work or funds may request a voluntary demotion to a vacant position in a lower classification provided that the employee is qualified to perform the duties thereof and provided further that the immediate supervisor involved and the Director of Human Resources approve the voluntary demotion.
- 17.6 Voluntary Reduction in hours in Lieu of Layoff: Regular employees may take voluntary reduction in assigned time in lieu of layoff to remain in their present positions rather than be reclassified or reassigned. Such employees shall be granted the same rights as persons laid off and shall be, at the option of the employee, returned to a position with increased assigned time as vacancies become available, in accordance with Education Code Section 88117.
- 17.7 Retirement in Lieu of Layoff: Regular employees who have been employed at least five (5) years under the Public Employees Retirement System and are fifty (50) years of age or older may elect to accept a service retirement in lieu of layoff, voluntary demotion, or reduction in assigned time. Such employees shall, prior to the effective date of the proposed layoff, complete and submit a form to PERS provided by the Office of Human Resources for this purpose. The employee shall then be placed on the thirty-nine (39) month reemployment list in accordance with this regulation.
- 17.7.1 The District agrees that when an offer of employment is made to an eligible person retired under this regulation, and the District received within ten (10) business days a written acceptance of the offer, the retired person shall be allowed sufficient time to terminate the employee's retired status with PERS.

17.8 Notice of Layoff: Regular employees will be given notice of layoff not less than sixty (60) calendar days prior to the effective date of layoff and be informed of their displacement privileges, if any, and reemployment rights. Notification of layoff shall be delivered by personal service or certified mail (return receipt requested).

17.9 Reemployment Rights:

17.9.1 All regular employees currently on layoff, working a reduced hour position, or any employees who accepted demotion in lieu of layoff, as a result of District action are, eligible for reemployment for a period of thirty-nine (39) months from the date of layoff, or a period of sixty-three (63) months from the date of demotion or reduction in lieu of layoff. Such employees shall be given absolute first priority and shall be reemployed in preference to new applicants for any open position in the classification which the employee held immediately prior to the layoff, reduction in hours, or demotion (provided that the employee continues to satisfy the then existing minimum qualifications for said position). Such employees will be notified when employment or job openings exist within the District. Such notice shall be sent to the last address given to the District by the employee by either certified mail or regular first-class mail. The employee shall specify in writing, the preferred method of mail delivery.

17.9.2 Laid off persons shall be reemployed in the reverse order of layoff in the highest rated job classification available in accordance with the class seniority.

17.9.3 A permanent employee who is laid off and is subsequently reemployed within thirty-nine (39) months shall have all rights and privileges restored. However, the employee shall not receive seniority credits for District work performed while on the reemployment list.

17.9.4 A probationary employee shall continue to serve out the remainder of the probationary period and shall also have all rights and privileges restored. No seniority credit shall be earned during the period of separation from the District.

17.9.5 Employee Notification to District of Acceptance of Reemployment: A regular employee shall notify the District of the employee's intent to accept or refuse reemployment within ten (10) business days following

the mailing of the reemployment notice. If the employee accepts reemployment, the employee must report to work within thirty (30) business days following the mailing of the reemployment notice.

An employee given notice of reemployment need not accept the reemployment to maintain the employee's eligibility on the reemployment list, provided the employee notified the Office of Human Resources, in writing, ten (10) business days from receipt of the reemployment notice. The laid-off employee may decline three offers of reemployment and retain a position on the list. If an employee on a reemployment list refuses the third offer of reemployment, no additional offers will be made and the employee shall be considered unavailable for work until otherwise indicated. The offer will then be made to the next person on the list.

- 17.9.6 Reemployment as a Short-term or Substitute Employee: An employee who has been laid off for lack of work or lack of funds, and who is on a layoff reemployment list, shall be given priority over outside candidates for reemployment as a substitute or limited term employee in the employee's original class or any other class for which the employee is qualified. Such employment shall in no manner jeopardize or otherwise affect the employee's status or eligibility for reemployment. Persons on a reemployment list employed as a substitute or in a limited term position do not accrue seniority.

ARTICLE XVIII
CONCERTED ACTIVITIES

- 18.1 It is agreed that there will be no strike, work stoppage, slow down, picketing or refusal or failure to perform job functions and responsibilities; or other interference of the operations of the District by the Association or its officers, agents or members during the term of this Agreement.

- 18.2 The Association recognizes the duty and obligation to comply with the provisions of this Agreement and make every effort toward inducing all employees to do so.

- 18.3 In the event of a strike, work stoppage, slow down or other interference with the operations of the District by employees who are represented by the Association, the Association agrees, in good faith, to take all reasonable and affirmative steps to cause these employees to cease such action.

- 20.1.2 Information of a derogatory nature shall not be entered or filed unless and until the employee is given notice and an opportunity to review and comment thereon. The employee shall be given an opportunity during normal working hours and without loss of pay to initial and date the material and to prepare a written response to such within ten (10) workdays. - 20.1.4 All personnel files shall be kept in confidence and shall be available for inspection only to other employees of the District when actually necessary in the proper administration of the District's affairs or the supervision of the employee. The District shall keep a log indicating the persons (other than persons whose duty is to maintain the files) who have examined a personnel file, as well as the date such examinations were made. Such log and the employee's personnel file

shall be available for examination by the employee or his/her POA representative or designee, if authorized in writing by the employee. The log shall be maintained in the employee's personnel file.

20.1.5 Any person who places written material or drafts written material for placement in an employee's file shall sign the material and signify the date on which such material was drafted. Any written materials placed in a personnel file shall indicate the date of such placement.

20.1.6 No disciplinary action shall be taken for any cause which arose prior to the employee's becoming permanent, nor for any cause which arose more than two years preceding the date of the filing of the notice of cause unless such cause was concealed or not disclosed by such employee when it could be reasonably assumed that the employee should have disclosed the facts to the employing district. (Education Code 88013, 87031)

20.1.7 Bargaining unit members may request to have derogatory information removed from their personnel file. Written request shall be submitted to the Chief of Police for review and approval or denial. Derogatory materials dated five (5) or more years from the written request shall be removed, unless required by law to be maintained.

20.2 Evaluation

20.2.1 No evaluation of any employee shall be placed in any personnel file without an opportunity for discussion between the employee and the evaluator. Negative evaluations shall include specific recommendations, when appropriate, for improvement and provisions for assisting the employee in implementing any recommendations if the employee's performance can be re-mediated.

20.2.2 Every probationary police and campus safety officer shall be evaluated by the employee's immediate supervisor, in writing, before the one-year probationary period has ended:

- 20.2.4 Every permanent bargaining unit employee shall be evaluated each year by the employee's immediate supervisor. (If this requires the immediate supervisor to work or observe during unusual hours, then the supervisor shall observe during those hours).
- 20.2.5 If the employee being evaluated feels that the evaluation is not accurate or fair in its findings and recommendation, the employee may attach a letter of explanation of those items in dispute within ten (10) work days or thirty (30) days for Police Officers.
- 20.2.6 Employees are required to sign all formal written evaluations. Employees are not signing that they agree with the evaluation, but rather that they have seen the evaluation. Employees are to receive a copy of their evaluation and the original is to be placed in the employee's personnel file.

ARTICLE XXI
JOB REPRESENTATIVES

- 21.1 Purpose - The District recognizes the need and affirms the right of the Association to designate Job Representatives from among employees in the unit. It is agreed that the Association, in appointing such representatives, does so for the purpose of promoting an effective relationship between the District and employees by helping to settle problems at the lowest level of supervision.

The Job Representative shall inform the immediate supervisor of his/her need to leave his/her work area. Permission to leave will be granted unless such absence would cause an unreasonable interruption of work. If permission is denied, the timeliness of the grievance process will be extended by the total number of days permission is denied.
- 21.3.1 Each Job Representative shall be granted reasonable release time with full benefits and pay to perform his/her duties. A combined total of sixty (60) release time hours will be allowed. The salary and benefits for any hours in excess of eighty (80) hours will be paid for by the Association.

- 23.1.1. Cause: Disciplinary action may be imposed for one or more of the following causes: misconduct, poor performance, violation of departmental policies and/or procedures, or other areas identified in Education Code Section 87732.
- 23.2. The District agrees to follow a course of progressive discipline. It is understood, however, that progressive discipline does not follow any specific sequence of disciplinary actions and that major offenses shall be cause for substantial disciplinary action.
- 23.2.1. Substantial discipline is defined as discharge, demotion, or suspension of more than three (3) days without pay.
- 23.2.2. Formal discipline is defined as discharge, demotion, suspension of any duration, or any involuntary reduction in pay.

23.3.2.b. The employee shall confirm his/her intent to attend the Administrative Review by telephoning or writing to the Director of Human Resources, or his/her designee, within five (5) calendar days after service of the Notice.

23.3.3 A statement informing the employee that failure to timely confirm and/or failure to appear at the Administrative Review meeting will result in his/her waiver of the right to an Administrative Review.

23.4 Pre Disciplinary Administrative Review

23.4.1 The Administrative Review shall be conducted by the Director of Human Resources or his/her designee who shall be an administrator with authority to approve, modify, or rescind the intended disciplinary action. The employee, who may be represented by anyone of his/her choice at his/her expense, shall be responsible for notifying his/her representative of the date and time of the Administrative Review.

23.4.2 At the Administrative Review the employee shall be given an opportunity to provide any information, orally and/or in writing, which he/she desires the administration to consider before deciding whether to proceed with the intended disciplinary action. The employee and the Director of Human Resources, or his/her designee, may also discuss informal resolution of the intended disciplinary action. If an informal resolution is reached, it shall be put in writing and signed by the Director of Human Resources or his/her designee, and signed by the employee to confirm his/her agreement to the terms and conditions of the informal resolution.

23.4.3 After the Administrative Review or waiver of the right of an Administrative Review, the Director of Human Resources, or his/her designee, shall determine whether to approve or modify the intended disciplinary action and notify the employee.
