

## Superintendent/President Draft Goals for 2018-20

**Goal #1:** Working with all members of the College community, provide leadership, direction, and resources to move the College toward the full implementation of Guided Pathways including all the necessary student services within three years.

**Goal #2:** Working with all members of the College community, provide leadership, direction, and resources to prepare the College's Institutional Self-Evaluation Report, undergo a visit from a team of peers, and achieve full accreditation in 2020.

**Goal #3:** Working with willing external partners (Health Sector; SUSD; CSU, Stanislaus; University of the Pacific; Mayor Michael Tubbs and the City of Stockton; the County of San Joaquin among others), develop and nurture partnerships with business and industry to move the College and community forward and provide living-wage jobs and professions for residents of the District.

**Goal #4:** Working with internal partners (Management Senate, CTA, CSEA, Academic Senate, Classified Senate, ASDC, etc.), continue to evaluate and revise the shared governance committee structures and processes to provide maximum input and collaborative decision-making and to continue to create a culture and climate of compassion, forgiveness, gratitude, equity, inclusiveness and success for all.

**Goal #5:** Working with internal and external partners, prepare the College and community for a General Obligation Bond election in 2020 that will provide adequate funds to continue to modernize and provide appropriate new facilities for the Stockton, Manteca, and the South Campus at Mountain House as are necessary to grow programs based

on labor market data that lead to living-wage jobs and professions for all residents of the District.

**Goal #6:** With the Foundation Board, develop a strategic plan for the next three years, achievable strategic goals, and action steps for accomplishing the goals, and hire minimal staff to support Foundation fund-raising events, coordinate field trips for students, and arrange other events to assist in achieving the goals of the Foundation.
